### Will you help to make this Christmas a Merry Christmas for our boys in France?

Yes, it's costing you a lot to live these days - everything's gone up in price, 'way up-it's hard enough for a fellow to "break even.

But wait a minute: thousands of young fellows from all over these United States are now in France. They've gone over to a strange country, among strange people and given up everything — mothers, fathers, wives, money, jobs, everything just so that you, another human being they probaby never saw or never will see, can continue to live right here in peace and comfort.

Don't you owe them something for all that? Don't you? Isn't it up to you-isn't it your duty to make some little sacrifice for them?

The Golden Rule is still a rule, you know.

Well then, here's the one thing our boys in France want probably more than they want any other one thing-they want "smokes"! And they can't have them-just can't have them-not unless you dig down right now and see that they can have them.

### All Christmas Contributions must be in by 12 noon, November 3rd.

If you knew what comfort and pleasure and satisfaction that tobacco bought with your quarter, or your half-dollar, or your dollar, or your five dollars (go as high as you like) would give to some American boys in France this Christmas, you'd forget the money, or the little sacrifice, or anything else. Dig down-deep and quick!

25c buys 45c worth of "smokes." \$1.00 buys a month's supply of tobacco. \$5.00 buys enough to keep 5 men in tobacco for a month.

And remember: Every package of tobacco sent to our boys in France contains a return post card, addressed to you, which he'll mail to you if he can possibly do so. That's a war souvenir worth having!

So that your tobacco can get to France by Christmas and say "Merry Christmas" to our boys—all remittances must be received not later than November 3rd.
