GREENSBURG TO PLAY SATURDAY Western Champs Will Have Eight Letter Men in Their Lineup Against Tech

When Greensburg High school visits the island on Saturday, Tech will have to face a team that has been in the championship class ever since 1913. In all these years Greensburg has never been defeated, and has seldom been scored upon.

Tech officials will not take any chances with the game being called on account of darkness and have scheduled the contest for 2.45. Lynn will referee, while the umpire will be Bruce. Another crowd crowd is expected from Greensburg. Henry Alvine, Ray Coleman, John Buchanan and Manager John Painter are playing their second year for the team.

Eight Letter Men The visitors will have eight letter men on the team that will come to this city. Captain and Fullback Jones has seen three years of service. Ex-Captain W. C. Griffith is playing his fourth year of football.

One of the big features in connection with the visiting team is the fact that every fall the team is taken in to a training camp. This year the eleven with a number of substitutes, coaches and trainers spent August 13 to September 1 at "Champion" training camp. Tech scrimmaged this afternoon against the Academy team in preparation for the big game Saturday.
