Yes, Sir: You have now arrived at that moment in the winter season when you have good use for your complete winter outfit.

And to be able to walk into a real, active men's store and get everything that you need for that outfit is surely an advantage.

It's more than an advantage, it's an achievement.

It's the point of perfection you look for in a MAN'S STORE --- and which has been so admirably attained in our store.

Thirty-five years' intimate acquaintanceship with the clothes needs of the men of Harrisburg and community

have been thirty-five years well spent --- for now we can say we have accomplished something.

Big things, things of lasting value are not done over night. To make each department in The New Store complete from every viewpoint (your viewpoint) required a thorough knowledge of what men expect.

In Wm. Strouse's, Harrisburg has a Man's Store which can give a personal and perfectly satisfactory service.

We sincerely hope that you will find things here to please you as much as we think they should.

It will be mutually beneficial.
