FIRST MOTORIZED BATTERY FORMED

Doubtless there will be many completely motorized batteries before the present war is ended, but the honor of being first goes to Battery Fifth P. A., commanded by Captain W. H. Capron, and formed at Fort Sill, Oklahoma.

A battery consists of four guns with their limbers and six caissons with their limbers, six ammunition trucks, a store truck and a machine shop or repair truck. In the case of guns of smaller caliber a tractor will haul a section of artillery which consists of a caisson and its limber and a gun and its limber.

The entire brigade as proposed by the War Department will be composed of three regiments having a maximum strength of 3685 officers and men. It will have 72 guns and 108 caissons. To keep this equipment working will require 108 ammunition trucks, 27 store trucks, 90 tractors, 9 repair trucks, 21 repair cars, 9 passenger trucks, 9 tank trucks and 27 supply trucks, all motor driven. In addition to these vehicles the brigade has 297 motor cycles with sidecars and 30 reel carts.

Advertising Men Plan to Aid U. S. Win War

Indianapolis, Nov. 3.—What advertising has done to help win the war and what it can further do and how, will be a chief topic for discussion by leading advertising men of the United States and Canada at a conference to be held in Indianapolis, the headquarters of the Associated Advertising Clubs of the World, November 12 and 13.

In addition to members of the executive committee of the association, presidents and other officers of local advertising clubs, as well as other advertising associations affiliated with the Associated Advertising Clubs, will attend the meeting. Representatives of almost 200 organizations of this kind have been invited to the conference which, in addition to discussing war matters, will take up numerous association affairs.

Electric Current For Cure of Nervous Ailments

Amsterdam.—German newspapers announce that the army physicians have discovered a successful method of curing the nervous affliction so frequent among disabled soldiers, which causes a constant trembling of the whole or part of the body. Dr. Ernst Bayer, head of the nerve hospital at Roderbirken, has outlined a method of electrical treatment, which, it is claimed, often effects a complete cure in a few days, and is almost invariably effective within a period of three weeks. The newspapers describe his method as follows: "By the application of a gentle electric current which causes no pain whatever, good results have been obtained in a few minutes or at the longest two and a half hours. A course of treatment is required after this, which does not last more than two or three weeks, and in light cases is finished in a few days. New attacks may occur due to excitement or nerve strain, but are easily cured."

COMFORT KITS FOR SOLDIERS. Duncannon, Pa., Nov. 3.—Additional comfort kits were sent out last week by the local unit of the Red Cross Society to soldiers from this community. One kit was sent to France. The little girls have enough knitted squares to make another convalescent wrap.

HUNTER SHOT IN HAND. Marietta, Pa., Nov. 3.—Andrew Charles, Jr., of Wakefield, Pa., was shot in the hand yesterday afternoon when another member of the party shot at a rabbit in the thicket in which Mr. Charles was standing. The load almost tore off his hand. He was taken to a hospital.

BONUS ABOLISHED. Waynesboro, Pa., Nov. 3.—The Landis Tool Company announces that it has abolished the annual bonus to the men, payable shortly before the holidays, and instead would pay the equivalent in an all-around increase in pay. This action went into effect yesterday.

FREE HELP FOR FOOT TROUBLE. Don't forget that a Foot Specialist will be at Steckley's Shoe Store, 1220 North Third street, Wednesday, Thursday, Friday and Saturday, November 7 to 10. Consult him regarding your foot troubles. Consultation and advice free.—Adv.

Dr. R. S. Stahle, Formerly of State Department, Dies

New Cumberland, Nov. 3.—Dr. Robert S. Stahle died at his home in New Market yesterday morning, aged 59 years. He was a son of the late Colonel James A. Stahle, who was a prominent politician of York county. Dr. Stahle was a graduate of the University of Maryland and was for many years a clerk in the State Department at the capitol at Harrisburg. He was a member of the Lutheran Church. He is survived by his wife and six children at home, and the following brothers and sisters: John and Alonsa Stahle, Mrs. Welsh, Mrs. Everhart and Cornelia, of York; Mrs. Kerns and Charles Stahle, of Manchester Township. Funeral services will be held Monday morning at 10 o'clock, from his late home at New Market. The body will be taken to York, where services will be held in Memorial Church. Burial will be made in Prospect Cemetery.

CASE OF PARALYSIS. Marietta, Pa., Nov. 3.—The first case of infantile paralysis was reported at Brogueville, at the home of Ernest Wagner, his 3-year-old son being the victim. The condition of the child was favorable and hopes are entertained for his recovery.

These cars are in excellent mechanical condition and guaranteed. "Our New Service Station" For "Hup" Owners is Now Open. Complete Parts Department. Hupmobile Sales Corp. 103 Market Street. R. J. CHURCH, Manager.

THE CADILLAC VICTORIA. This car is distinctively a Cadillac type. The design is eminently Cadillac because it is eminently sensible. A roomy compartment provides ample space for the occupants. The driver's seat is a comfortable chair, set slightly ahead of the main cushion. Here, at the rear, is ample room for two, and for the fourth passenger the disappearing chair is raised from its hiding place in the floor next to the driver's seat. As in every Cadillac description, we come now to the main point—the wonderful Cadillac mechanism. The car is ideal in appearance; but even more, it is ideal in performance and economy. It offers the highest type of service at the lowest cost per year. Will you come to the showroom? Then we can go into the details together. Crispin Motor Car Co. 311-315 S. Cameron St.
