Prussian soldier. At present wounded; Berlin, October 22, 1914.

"If you are a truth-loving man, please receive these lines from a common Prussian soldier."

"This was the testimony of another German soldier on the east front: 'Russian Poland, December 19, 1914. 'In the name of Christianity, I send you these words: 'My conscience forces me as a Christian German soldier to inform you of these lines. 'Wounded Russians are killed with the bayonet, according to orders. 'And Russians who have surrendered are often shot down in masses, according to orders, in spite of their heartrending prayers. 'In the hope that you, as the representative of a Christian state will protest against this, I sign myself, 'A German Soldier and Christian. 'I would give my name and regiment, but these words could get me court-martialed for divulging military secrets. 'This letter was from a soldier on the western front: 'To the American government, 'Washington, U. S. A. 'Englishmen who have surrendered are shot down in small groups. 'A soldier and man who is no barbarian.'"
