Telegraph Fund Grows Steadily With Numerous Contributions

Whether or not you are one who indulges in tobacco, dig down and send help to the poor boys in the trenches who are perfectly sure that they want and need the fragrant weed.

Does not fancy the tobacco of the continent.

Altoona Directors Will Study City Manager Problem in Ohio Cities

Altoona, Pa., Nov. 8.—As soon as it was certain last evening that the candidates favoring a city manager had been elected, the commissioners-elect were unanimous on the plan of procedure they will adopt.

U. S. DESTROYER TORPEDOED BY GERMAN U-BOAT

U. S. DESTROYER CASSIN.

The United States destroyer Cassin, damaged by a submarine's torpedo, searched the sea for the U-boat for hours after being hit. The destroyer sighted the enemy once and sent four shells in rapid succession.

With one engine out of commission, the Cassin stuck to her post of duty until other destroyers arrived to relieve her.

In his report Admiral Sims praises Commander W. N. Vernon, his officers and the crew of the Cassin. Vice-Admiral Sims states that the behavior of the officers and the entire crew was admirable.

ITALY ASKS U. S. FOR AIRPLANES

One Thousand Aviators Better Than Hundred Thousand Troops; Food Needed

London, Nov. 8.—It is announced at the Austro-Hungarian Army headquarters, according to a dispatch from Amsterdam to the Exchange Telegraph Company, that the Teutonic armies operating against Italy numbered five.

They say Italy has a superabundance of troops, but never has had enough airplanes, which they believe will prove the key to further warfare.

The Italian point of view seemed to be vindicated not only when the Italian forces took Bainsizza in September, but during the recent retreat, when the Capronis protected the rear and also destroyed by bombardment storehouses of supplies.

TWO SONS IN ARMY

Two sons to the cause is the contribution that Mr. and Mrs. Daniel H. Zorger have made for their country.

They say Italy has a superabundance of troops, but never has had enough airplanes, which they believe will prove the key to further warfare.

PARENT-TEACHERS MEETING

Dauphin, Pa., Nov. 8.—A Parent-Teachers meeting will be held this evening at the Red Hill Schoolhouse.

It is hoped by all Italians that the Italian point of view seemed to be vindicated not only when the Italian forces took Bainsizza in September.

Discussion of Wide Scope While a definite program has not been adopted, it may be assumed that the subject will be discussed with reference not only to those pertaining to military and naval operations, but also the financial, commercial, economic and other phases of the present situation, which are of vital importance to the successful prosecution of the war.
