fall planting has given the City Park Department opportunity to make much progress in the extensive work planned in the treatment of River Front Park. During the last few weeks a number of workmen have been kept busy planting trees and form Division street to Iron alley. At present from Walnut north to Boas streets elim trees are being planted along the curb and black and pin oaks are being scattered through the strip of parkway. Birches which have died out also are being re-placed along the outside of the path. Probably the biggest improvements which is now under way is at the 210 pumping station and the approach to the plaz, overlooking the "from Hanceweither way a the either which have the noney all ready and here sorts for here way is at the 210 pumping station and the approach to the plaze overlooking the "from Hanceweither way is at the 210 pumping station and the approach to the plaze overlooking the "from Hanceweither way have the money all ready and here the strip of park way. Forty Boy Workers Plan DR. DIXON URGES to Aid Y. M. C. A. Drive **CLEANLINESS** Forty boy workers for the cam-

paign met at luncheon in the Y. M. C. A. rooms last evening, and were Says That People Take 'Care addressed by District Campai a Boys of Horses and Dogs and Manager Arch H. Dinsmo.e, and City Superintendent of Schools F. E. Downes. Reports were received from Are Dirty Themselves

Dr. Samuel G. Dixon, Pennsyl-vania's Commissioner of Health, in commenting upon indifference of many people to their bodily welfare says that some people devote much care to appresence of a borse or care to appresence of a borse o care to appearance of a horse or dog and allow their own persons or the bodies of their children to be

unkempt and even unclean. "The Stop Luxburg's Ship

indifference of mankind to his
