All Harrisburg knows the work of the Sunshine Society extends over more lines of charity than any other organization, as their object is to help wherever the need arises. This year their wide viewpoint of helping has caused them to vote twenty per cent. of their proceeds for war work which is so close to the hearts of all at present. INTERESTING PERSONAL AND SOCIAL NEWS Get-Together Meeting of Soldiers' Relatives

The Home Service Department of the Red Cross is anxious to meet the mothers, wives, daughters and sisters of men in the United States service and toward this end has arranged Wednesday afternoon teas at the Civic Club house, Front and North

These get-together meetings can be made most delightful events if there is co-operation between the women of the home and the Red Cross' organization. Everyone is asked to bring her knitting, sewing, darning as she pleases and one may sit idly by in quiet content if desired. Lessons in knitting will be given, there will be music and the latest news from the boys at home or "Over there" exchanged, from letters or personal knowledge. Many who want comfort, friendly advice or personal assistance will find this the place to secure it, and the best part of all is that everyone meets on the common ground of interest in "Our Boys."

Last week the relatives of Company I were invited from 3 to 6 o'clock and had a delightful time. To-morrow afternoon relatives of those from Company D, Captain Stine's and Captain Hartman's companies, will be entertained.
