

FIREMEN WILL POST HONOR ROLL

West Shore Union Starts Movement to Keep Names of Soldiers on Record

West Fairview, Pa., Nov. 12.—The West Shore Firemen's Union in monthly session here last night arranged to have an honor roll of all West Shore firemen in war service prepared. A list of the men will be posted in each of the firehouses in the seven districts and a list also placed on file with the secretary.

President J. Fred Hummel last night asked each delegate to bring a list of the men from their company in the service to the next meeting of the union. New Cumberland, according to reports, last night, holds all records for the largest number, having twenty-seven men in the service.

It will be suggested after the report is made to have the companies place service tags on their buildings. Each company will be asked to do this with special services.

DRAFT MEN SENT HOME.—Marsyville, Pa., Nov. 12.—Kimber Jones, of South Main street, is the second Marsyville man and the third Perry county man to be sent home from Camp Meade, Md., because of physical disability out of the fifty-eight men who went there as part of forty-five per cent of the county's quota on September 19. P. Cristoforo is the other Marsyville man to be sent home, and Harry Noss, of Dunbar, is the third Perry county man to be rejected by the Army physicians.

Relieves Indigestion In Two Minutes

Simple Remedy Saves Doctors' Bills

If you suffer from dyspepsia, indigestion, pain after eating, gastritis, heartburn or any stomach trouble due to acidity or food fermentation—and over ninety per cent of stomach complaints are due to these causes—go to your drugist and get 50 cents' worth of Bi-nesia. The next time you eat or have pain in the stomach take a teaspoonful in a little hot water and note how quickly all pain and discomfort ceases. It is said that thousands of soldiers use this simple remedy at the front and many attribute their freedom from all digestive troubles in spite of exposure, hasty eating and poorly cooked food, to its regular use. Chemists say that its almost invariable success is due to the fact that Bi-nesia instantly neutralizes the excess acid and stops fermentation, thus promoting healthy natural digestion. Being absolutely harmless as well as an inexpensive Bi-nesia should be kept on hand in every home where economy and good health are sought.

IMPORTANT—The Bi-nesia mentioned above is a harmless but wonderfully effective remedy which you can make at home or any drugist can prepare for you by mixing 1/2 ounce bicarbona carbonate with 1 ounce pure water. If, however, you wish a guarantee of satisfaction or money back, be sure to ask for an original package of Bi-nesia.—Advertisement.

WORMLEYSBURG CONGREGATION 107 YEARS OLD

Organized in 1810, When Population Was Small

St. Paul's United Brethren congregation at Wormleysburg, is 107 years old. The Rev. A. B. Mower, recently appointed to this charge, is taking up the work on the anniversary of the founding of the church.

When the population of Wormleysburg more than a hundred years ago numbered less than a score, religious workers organized St. Paul's congregation. The first preaching services were held in an old brick building where the Church of God now stands and which was used by Methodists for several years.

When this edifice was torn down services were held in an old brick schoolhouse on the opposite side of the street. Later the United Brethren worshipped in the Church of God building which had been erected about that time.

In 1871 plans were drawn and in the following year the building was erected. Five years later an addition was made and the church was rededicated in 1878. In 1901 the edifice was remodeled and the re-

ARREST HUNTERS WITHOUT LICENSE

Perry County Men Fined For Illegal Work in the Mountains

State game protectors who have been active in Bedford, Somerset, Fulton, Huntingdon and other counties of the southern tier and Juniata valley, have just finished cleaning up arrests of five men who had defied the hunters' license law in Perry county.

The Perry arrests are deemed important because in one instance threats to clean out the neighborhood in event that information was given to officers and to fight game wardens were reported and substantiated by a justice of the peace.

The arrests in Perry county were made by Game Protectors Charles Baum and John Bessie, Somerset.

Consisted of Frank Boyer, who was fined \$55 for hunting without a license, hunting on Sunday and killing game out of season, and Avi Boyer, P. A. Moyer, Frank Comford and W. H. Udegrove, all of whom were fined \$20 for hunting without licenses.

"The Perry arrests are in line with what we are trying to do to break up this illegal hunting," said Dr. Joseph Kabisus, Secretary of the State Game Commission. "We have reports from time to time of men who defy the law and say that they will not stand for it. The law is plain. We must enforce it and we will proceed in other counties on evidence which has been presented to us."

State game authorities look for some fine wild turkey shooting, the season for which opens Thursday.

Fourteen Members of the Harrisburg Club in Service

There is a graphic story of loyalty and sacrifice in the huge flag which floats to-day from the Harrisburg Club, the service banner which was presented by W. H. Gather, former secretary to Governor Tener. So far fourteen members of the club have answered the call to some sort of service for the Government. Each of these is represented by a star, and in most cases that star indicates a commissioned officer. There are the fourteen who are in active service:

Captain H. H. Baker, of the headquarters company of the old Eighth, formerly with the Pennsylvania Railroad; B. S. Behney, dentist in the headquarters company; Major John E. Culp, physician in the Medical Reserve; Colonel Maurice E. Finney, commander of the old Eighth; G. W. Gilpin, former local manager of the Bell Telephone Company in this district; Lieutenant A. G. Knisley, a Yale man; P. T. Meredith, a local lawyer; Captain George R. Moint, former city bacteriologist; William McCreath, son of A. S. McCreath, now at Fort Oglethorpe; Major J. M. Fetters, a Steeltown physician; Lieutenant Edgar Smith, formerly connected with the Bethlehem Steel Company; Captain H. M. Stine, county commissioner, and head of what was Com-

Marysville Coal Situation Assumes Serious Outlook

Marysville, Pa., Nov. 12.—The coal situation in Marysville is assuming a rather alarming condition and dealers are finding it difficult to have their orders for either bituminous or anthracite filled.

As a result of the inadequacy of the dealers' supply, householders are alarmed. Few, if any, have laid in their supply for the winter. In order to best supply the need, dealers are refusing to fill any large orders for coal and no householders is able to get more than one-quarter or one-half a ton of coal at a time.

Lack of Signs at Subway Confuses Many Strangers

The attention of the Telegraph has been called to the absence of any signpost at the entrance of the Market street subway. Strangers find it difficult to reach the subway entrance owing to the fact that the steps lead down from the street level beyond the point of the driveway. It has been suggested that some sort of sign should be placed directing strangers how to approach the sidewalks of this subway.

Own a New Piano of Superior Quality On Easy Terms

A Small Cash Deposit Places the Instrument in Your Home. Gradual Monthly Payments Eventually Complete the Balance

Frequently we learn of persons who have deferred purchasing their piano here until they had sufficient funds to pay all cash at once.

While this is, in a measure, a compliment to the famous pianos we sell, it is nevertheless an unnecessary procedure on the part of the purchaser. We make it extremely easy for any responsible person to own a new piano of superior quality, by arranging terms to suit individual requirements. Just now we can offer good choice as follows:

New Upright Pianos \$265 Up
New Player Pianos \$425 Up
New Grand Pianos \$700 Up
Reproducing Pianos \$800 Up

And if you have an old instrument we will accept it in exchange, applying the allowance toward the purchase of the new instrument. Demonstrations of new instruments and explanations as to prices, terms, etc., will be cheerfully given without the slightest obligation. Why not visit our store to-day? See our complete stock of
