## TROOP 6 OUT FOR CHAMPIONSHIP

### Cross-Country Run For Scouts Over 15 Is Being Planned

Troop 6 is an aspirant for the scout football championship of the city. We believe that there are other scout teams, especially in troops 11 and 19. If the two teams have met or will meet before Thanksgiving Day we would like to meet the winner in a game on Thanksgiving morning. The probable lineup of Troop 6 will be as follows:

Left end, F. Jones (Diener).  
Left tackle, Himes (Diener).  
Left guard, Undercoffer.  
Center, Mattson (Dissinger).  
Right guard, Nye (Troop).  
Right tackle, Seigel (Leeds).  
Right end, Lutz (Seigel).  
Quarterback, Zimmerman.  
Right halfback, Rhinesmith (Haehlen).  
Left halfback, Troop (Reel).

Fullback, Black (Scott).  
Troop 6 would like to hear from other troops on the proposition of a cross-country run from scouts over fifteen years of age. In view of the fact that there are a number of young assistant scoutmasters in the city, an event of this kind might be open to scoutmasters and assistants.

Members of the troop are arranging for a Father and Son Night to be held about the middle of December. The program for the affair is to include a big "feed," a Scout demonstration and addresses by prominent citizens.

On Tuesday evening a number of scouts will meet with the Susquehanna Circle of Camp Fire Girls to discuss a play to be staged by two organizations. The play will in all probability be a Civil War story under the name of "De Whipperwill."

On Sunday a large number of the scouts in the troop heard Scout Executive Stine deliver an address at the Father and Son service at Olivet Presbyterian Church.

**TROOP 4 DRILLS**  
At Troop 4's last meeting it was given a fine talk on "Discipline" by Assistant Scoutmaster Boyson. After this talk the unit drilled for an hour. The troop now is prepared for patriotic parades.

HENRY E. KLUGH, JR., Troop Scribe.

**New Patrols Formed in Troop 8—Plan Gathering**

One of the most enthusiastic meetings in the history of Troop 8 was held Monday evening in their new room. Former meetings had been held on Thursday evening. As it inconvenienced some of the boys greatly to be present on Thursday, the meetings were changed to Monday.

The troop seems to have taken on a new lease of life and the attendance has been wholly encouraging.

On Monday evening the old patrols were broken up and new ones formed. The patrol control leaders and assistants appointed were:

Patrol No. 1, Russell Walters, Harry Birchfield, assistant; Patrol No. 2, E. Wallis, H. Kline, assistant; Patrol No. 3, W. Bowman, E. Wallis, assistant.

Plans were discussed concerning an entertainment to be held in the near future. The meeting then adjourned.

(Signed) R. Foster Shader, Acting Scribe.

**Troop 11 to Arrange For Tomorrow's Hike**

This evening at a meeting a hike will be arranged for tomorrow. Alger Bailey, an old member of Troop 11, has invited the troop to his farm above Rockville. The troop will likely ride to Rockville and then hike to the farm.

Many members of Troop 11 were busy this week. Some distributed the Ball Telephone Directories, others applied as Red Cross motor messenger assistants. Still others are doing war duty for the Y. M. C. A. at the leading movie theaters of the city.

Troop 11 is scheduled for a football game with Troop 7 for Tuesday afternoon at 4:15 o'clock.

**TROOP 2 WANTS GAME**

The basketball team of Troop 2 desires a game with any scout team in the city. Arrangements can be made with Scoutmaster Rochman. Telephone or call at The New Store of William Strouse.

**Troop 20 Will Hold Scout Festival Nov. 30**

With the aid of the Men's Bible Class, arrangements are being completed for the Scout festival to be held on November 30th at the Fifth Street M. E. Church. The evening will be lived up by the Sunday school, under the direction of Fred R. Sears. Many novelties are being worked up and a good time is assured everyone who attends. More than 1,500 tickets have been handed out and indications are that very few will be returned. The Thursday meeting will be held this evening. Scouts are requested to close their account as soon as possible.

G. Park West, Acting Scribe.

**Vigorous Men and Women Are in Demand**

If your ambition has left you, your happiness has gone forever unless you take advantage of H. C. Kennedy's magnificent offer to refund your money on the first box purchased if Wendell's Ambition Pills do not put your entire system in fine condition and give you the energy and vigor you have lost.

Be ambitious, be strong, be vigorous. Bring the ruddy glow of health to your cheeks and the right sparkle that denotes perfect manhood and womanhood to your eyes.

Wendell's Ambition Pills, the great nerve tonic, can't be beat for that tired feeling, nervous troubles, poor blood, headaches, neuritis, restlessness, trembling, nervous prostration, mental depression, loss of appetite and kidney or liver complaints.

In two days you will feel better. In a week you will feel fine, and after taking one box you will have your old-time confidence and ambition.

Be sure and get a 50 cent box to-day and get out of the rut. Remember H. C. Kennedy and dealers everywhere are authorized to guarantee them.—Adv.

## PATRIOTISM AND SERVICE NOTES OF BOND WORK OF BOY SCOUTS OF AMERICA

It has always been a boy's privilege after the ice cream was served to scrape out the freezer. Perhaps the Treasury Department and the National Council of the Boy Scouts of America had this in mind when they kept the Scouts out of the Liberty Loan campaign until the last week. The Scouts astonished the nation by scooping out more cream than anybody thought there was in the freezer.

The American people have discovered The Boy. They used to discuss him apologetically or in a humorous vein. They did not know that he could organize and systematize and nationalize and do big things in a big way.

Even dad didn't know what was in the boy until he came out in khaki, started a garden in the back yard and sold Liberty Bonds all over town.

The success of the Boy Scouts of America in the Second Liberty Loan campaign was even greater than had been anticipated. Certainly the Boy Scouts of America had helped materially in saying to our boys "over there," as well as to our enemy "over here" that we "over here" as a nation are back of our Government and our national leaders to make this war a success.

Through organized boyhood, under the leadership of the Boy Scouts of America, a distinct service has

been rendered to our country. So far as reported, the Scouts collected \$75,987,300 from 366,034 subscribers. This does not include reports of all the work done by the Boy Scouts. It appears that but few of the smaller communities have reported, and officials at national headquarters say the total will run well over \$100,000,000.

Assuming that a total of 8,000,000 individual Liberty Loan subscriptions were sold in the entire issue, as is reported in the daily press, it now looks as if the Boy Scouts of America were responsible for securing one out of every twenty, and assuming again that a total of \$5,000,000,000 has been subscribed for and that of this amount the Scout Movement sold \$100,000,000, then one dollar out of every fifty was secured by the Boy Scouts of America.

Certainly each and every Scout and Scout official can feel happy over this splendid achievement and they may have the satisfaction of knowing they have served our country well.

**The Quinine That Does Not Affect Head**

Because of its tonic and laxative effect, Laxative Bromo Quinine can be taken by anyone without causing nervousness or ringing in the head. There is only one "Bromo Quinine." E. W. GROVES' signature is on box. 30c.—Advertisement.

## TROOP 13 TO TAKE LONG HIKE

### Active Troop Plans to Organize Basketball Five

Troop 13 has had a trying experience this fall in trying to get a football team together. The lack of knowledge concerning the game and not being able to get together to practice prevented the troop organizing a team.

Nevertheless, Troop 13 has not been idle. Four members of this troop have sold ten or more Liberty Loan Bonds and the troop as a whole has sold more than \$5,000 worth of bonds for our Government.

Almost every troop will have a basketball team this winter and Troop 13 does not intend to be left out in the cold on this sport. The troop has the advantage of practicing at the Boyd Memorial gym. Although a team has not been organized, a committee for this purpose has been selected.

The troop will take an overnight hike to Stoverdale two days following Thanksgiving, and will bunk in the scoutmaster's cottage. The troop will explore the Stoverdale cave.

Fenstermacher, Scout Scribe.

## Recently Organized Troop Making Rapid Progress

Troop 14 of the Zion Lutheran

Church, one of the recently formed troops of the city, is getting along finely. In the last meeting held Thursday evening, three new scouts took the scout oath. Mr. Williams,

formerly scoutmaster of Troop 2, Mr. Joy, gave the boys an interesting talk and instructed the scouts in drilling. A moonlight hike is being planned for the near future. The

troop participated in the patriotic parade on Friday evening, November 9, and had a good attendance. PAUL DUNKELBERGER, Scout Scribe.
