BANISH CATARRH

Breathes Hyomel For Two Minutes and Stuffed Up Head Will Get Relief

If you want to get relief from catarrh, cold in the head or from an irritating cough in the shortest time breathe Hyomel.

It will clear out your head in two minutes and allow you to breathe freely.

Hyomel will end a cold in one day, it will relieve you of disgusting sniffles, hawking, spitting and offensive breath in a week.

Hyomel is made chiefly from a soothing, germ-killing anti-septic, that comes from the eucalyptus forests of inland Australia where catarrh, asthma and consumption were never known to exist.

Hyomel is pleasant and easy to breathe. Just pour a few drops into the hard rubber inhaler, use as directed and relief is almost certain.

A complete Hyomel outfit, including inhaler and one bottle of Hyomel, costs but little at druggists everywhere and at H. C. Kennedy. If you already own an inhaler you can get an extra bottle of Hyomel at druggists.
