

TIMELY NEWS OF CENTRAL PENNSYLVANIA AND CITY'S SUBURBS

LATE NEWS FROM THE CUMBERLAND VALLEY

LITTLE GIRL SAVES MOTHER

Prevents Possible Fatal Injury by Attacking Father With Hatchet

Gettysburg, Pa., Nov. 16.—Howard Cromer, of Oxford township, was prevented from doing possible serious injury to his wife by his ten-year-old daughter seizing a hatchet and attacking him. It is claimed Cromer becomes despondent at times and during one of these spells he attacked his wife and was choking and abusing her. The daughter seized the hatchet and went to the aid of her mother, and the man was forced to cease his attack on the wife in order to defend himself. Cromer was later lodged in jail.

Many Who Asked Exemption Now Want to Join Army

That the United States Government is doing everything possible to be fair to its citizens was again proven this morning by the order to all exemption boards which gives those who plead excuses on the ground of dependence or industry another chance. It was evident that many lads were sorry that they had asked for exemption, owing somewhat to the chaffing they receive from the people of their home town. Many requests had been received to have certificates of discharge revoked and now the Government has sanctioned this move. A system has been inaugurated to do away with discharges, so that the candidate can again go up for a hearing. This condition reveals the fact that "dodging" service is a sad mistake, and the Government is only too willing to go forward in relieving the victims of ridicule and censure.

Women's Nest of Owls Aids Y.M.C.A. and Liberty Loan

Harrisburg Ladies' Nest No. 1930, Order of Owls, at its regular meeting held at Cameron hall last evening, decided to invest \$300 of their funds in Liberty Bonds. This makes a total of \$500 so invested. The appeal of the Y. M. C. A. and Y. W. C. A. work was also presented by District Organizer E. F. Webster, and a voluntary collection was taken up which realized \$25.

SANER METHODS WHEN WAR ENDS

Noted New York Speaker at Carlisle Luncheon Predicts Improved Conditions

Carlisle, Pa., Nov. 16.—Predicting that every branch of the forces of the nation would unite for saner business methods, as they have in the war against autocracy, A. Parker Nevin, of New York City, of the Executive Council of National Defense and General Counsel for the National Association of Manufacturers, spoke at the noonday luncheon of the Carlisle Chamber of Commerce. The gathering was marked by the presence of a number of business executives from all parts of the valley. An important feature was the announcement made by Dr. H. H. Mentzer, vice-president of the body, who presided, that ex-President William Howard Taft will be here and deliver the address at the annual banquet which will be held on the evening of Wednesday, November 28.

CITY PASSES ITS Y. M. C. A. QUOTA

(Continued from First Page.)

facturing Company, \$41.70; Harrisburg Cigar Company, \$15.98; employees of Mrs. M. E. Olmsted, \$10. Much self-sacrifice. Many were the tales of self-sacrifice which were told by captains in their reports. One 84-year-old woman who was saving Lincoln pennies, gave fifty of them to the cause. Another interesting tale was that of a boy who is under parole by the Dauphin county courts, and who is working on a salary of \$6 per week. He pays \$4 for boarding and lodging and subsists on the food that the other subscription was that of a Prussian boy, fresh from the war zone. A man who, in the first part of the war, was in the front line of patriotic sentiments on the pledge card and who was vigorously denounced at the Wednesday luncheon, gave \$2 to the fund and apologized for his hasty words. One captain told a story of a woman, who wept as she told what the Y. M. C. A. had done for her son, who is in the army. He had not attended church and Sunday school services for years, and she sobbed as she told how the Y. M. C. A. had brought him back to the faith of his parents.

Reports From Elsewhere

Secretary B. D. Dinsmore announced the following as partial reports from some of the counties: Lebanon county boys' committee, \$1,149; Lancaster county, \$23,596; Adams county, \$100; Franklin county, \$9,288; Cumberland county, \$4,500; Perry county, \$2,415; Juniata county, \$2,500; Mifflin county, \$9,000. The theater committee announced contributions from patrons of these theaters as follows: Victoria, \$27.43; Regent, \$40.44; Colonial, \$60.59; Majestic, \$113.27. These collections will be continued to-night.

Carlisle Soldier Weds

Carlisle, Pa., Nov. 16.—Clay M. Humer, first sergeant of Company G, of the old Eighth Pennsylvania Infantry, now with the One Hundred Ninth Training Battalion at Camp Hancock, was married to Mrs. Numa Hiteshaw.

Sergeant Humer has served for eighteen years in the Guard and is a veteran of three terms of active service, the Spanish War, Mexican border and the present war. Mrs. Humer is a daughter of Dr. J. G. Fickel, Sergeant Humer is home on a furlough on account of a broken hand, received in a game of baseball at camp.

WIN-MY-CHUM SERVICES

Mechanicsburg, Pa., Nov. 16.—George M. Landis, of Carlisle, a student at Dickinson College, gave an interesting address last evening in the Methodist Episcopal Church at the "Win-my-Chum" services. A special feature of the evening was the vocal solo by Mrs. J. V. Miller with Miss Elizabeth Snyder at the piano.

163 BARRELS OF CORN

Waynesboro, Pa., Nov. 16.—Samuel Hartman, who owns and cultivates a small farm between Quincy and Elbrook, secured from two acres planted in corn a yield of 163 barrels. The corn was all husked by Mr. Hartman, assisted by his wife, and they husked and put the corn away in three days.

2 ENGAGEMENTS ANNOUNCED

Waynesboro, Pa., Nov. 16.—Announcement has been made by Mr. and Mrs. J. Brua Hoyer of Chambersburg, of the engagement of their daughters, Mary Josephine Hoyer, to Lieutenant Alexander Russell Bolling, of Chestnut Hill, Philadelphia, and Rachel Brua Hoyer to Lieutenant Arthur Brinton Jopson, of Germantown. Dates for the weddings have not been set.

Court Rulings Are Handed Down by President Judge

President Judge George Kunkel, in an opinion filed yesterday afternoon, discharged a rule against Theodore Yoselowitz, plaintiff in a suit against the Harrisburg Gas Company, to show why the proceedings should not be dismissed. Counsel for the company contended in argument that no statement had been served within a year after the suit was started and, therefore, the case was not at issue. A new practice act was given as authority for the rule. Judge Kunkel decided, however, that the suit, having been brought before the practice act changed the court rules the suit was still at issue as a plea of "not guilty" had been entered by the company. The plaintiff was allowed ten days to serve a statement of claim on the company.

Recently in common pleas court the firm of Quinto, Cohen & Levin was awarded a verdict against A. Morris Sides, of Sides & Sides, as payment for a disputed bill. A motion by the defendant for a new trial was overruled by Judge S. J. M. McCarril in an opinion filed late yesterday. In the suit of Sarah A. against Edwin W. Specht, a motion had been made by the defendant for judgment n. o. v. and for a new trial. The motion was overruled.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Now simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old time recipe improved by the addition of other ingredients at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease. —Adv.

RIFLE SEASON ENDS TOMORROW

Harrisburg Rifle Club to Hold Members' Match; Shooting Conditions

The Harrisburg Rifle Club will officially close their shooting season to-morrow with their annual members' match. This is always a big event among National Rifle Association clubs and the match to-morrow will from present indications, prove to be exceptionally interesting. This is due to the fact that the local club has in its membership a large number of men equally good in marksmanship who are students of wind and light conditions as well as the various other little hazards which furnish pitfalls for the less experienced shooters.

Shooting Conditions

The shooting conditions call for 10 shots for record at 200 yards, rapid fire, kneeling from standing, time limit 1 1/2 minutes, target "D" battle sight; 10 shots for record slow fire at 300 and 500 yards prone; target "A" for 300 yards and target "B" for 500 yards. Service rifle, ammunition and target to be used. Small Arms Firing Manual U. S. A. 1913 to govern.

With fit weather conditions to-morrow, some excellent scores will be made. The match was won in 1916 by Dr. E. L. Denniston. Shooting will begin at 1.30 p. m. For the benefit of those members who may not be supplied with ammunition, the club's officer will be on the grounds with an ample supply which may be purchased at cost.

Well-Known West Shore Dentist Lemoyne Burgess

DR. WALTER L. DEITZ

Lemoyne, Pa., Nov. 16.—Dr. Walter L. Deitz, the newly-elected Burgess of Lemoyne, is well known along the West Shore. He has been practicing dentistry in this borough for about seven years. He will take special notice of his duties in January and said to-day that he had plans to be put into effect whereby Lemoyne would benefit. He succeeds Raymond Shur as Burgess.

Pleased With Work

Asked for a statement regarding the work of the district, E. J. Stackpole, chairman of the territory comprising Dauphin and nine other counties, said: "Harrisburg has again gone over the top, splendidly, but what else was to be expected of a community which has demonstrated so much patriotism in every way since the entrance of this country into the war? What has been done here is likely to be duplicated in the other counties of the district. Our reports already in hand indicate that in most cases the several counties will exceed their original apportionment and I have been more than pleased with the fine spirit which has characterized the whole campaign. Men, women and children have entered into the movement with enthusiasm and many examples of self-sacrifice illustrate the conservation of the people to the great cause for which our men are now fighting and preparing to fight."

Whatever indifference existed at the outbreak of the war is rapidly disappearing and all classes are responding in the work through their proper support of the brave men who have rallied to the colors. This particular work of caring for those in the camps demonstrates the front by providing proper recreation and some measure of the home atmosphere means much for the efficiency of the troops and may mean a great deal more than many appreciate in the final victory of the American boys and those who are fighting with them.

The sort of patriotism which never reaches the pocket amounts to little. Sacrifice means everything and the many instances of poor people who have given generously to this cause shows how the hearts of the people have been touched by the personal testimony of husbands, sons and brothers who are fighting. "I am glad to have had a part in this wonderful campaign and it has been a pleasure to have been associated in the work through the district with so many leaders among the men and women who realize the importance of the Y. M. C. A. activities."

LEWISTOWN HAS PATRIOTIC FAMILY

Two Sons in Army, Two More to Go, Mother Sews For Red Cross

Lewistown, Pa., Nov. 16.—There is a family here wherein patriotism reigns supreme. It is that of Isaac Z. Snook, an ax polisher. The family consists of father, mother and twelve children, four sons and eight daughters. Two of the sons are already in the Army and two more were called to-day. Guy Snook has done three years in the Coast Artillery, but when the call for troops came he bade his wife and small son, good-bye and is now "top" sergeant at a camp at Bartlett, Mass. Vincent Snook, another brother, is a member of Company M, One Hundred and Twelfth Regiment at Camp Hancock, Augusta, Georgia. Ed Snook, who has already served four years in the Coast Artillery, with the fourth son, Jefferson, expected to be called in the draft to-day.

SUIT FOR \$10,000

Sunbury, Pa., Nov. 16.—Suit for \$10,000 persons was to-day brought by Frank Bobin, of Kulpport, against the Shamokin and Mount Carmel Electric Street Railway Company. He alleges that on October 20, 1915, he was run down by a car of the defendant company at a grade crossing in Kulpport, his horse killed and that he was permanently hurt.

Enola Has Raised Half Its War Fund Allotment

Enola, Pa., Nov. 16.—Almost one-half of the allotment for Enola in the Y. M. C. A. war work fund has been raised by the solicitors who have canvassed the town during the last few days. With \$250 to raise during the drive the local committee so far has collected \$114.75. Yesterday S. G. Hepford, general secretary of the local Y. M. C. A. and chairman of the committee, spoke in the High school and the Summit street and Adams street buildings. At each place pledges were made by the scholars. So much interested was one small boy in the second grade of the Summit street building that he contributed the contents of his saving bank to the fund. Mr. Hepford, with the aid of his assistants, will finish canvassing the town. At Zion Lutheran Church the congregation is planning to raise \$100 for the fund, and a committee has been appointed to see members of the church. This committee has met with liberal response. On Sunday the ministers of town will again impress upon their congregations the necessity of contributing to the fund.

Schleisner's Men's Shop 28-30-32 N. 3rd St. Men Who Are Difficult to Fit Come Here For Their Clothes *This is because they know the details — such as collar, shoulders, arm holes, cuffs—fit. Conservative Suits and Overcoats For Smart Dressers \$20 to \$40 The fact that there is so much care and attention given to the tailoring and fabrics of Schleisner Clothes makes them your very best clothing value.

Shell W. B. Schleisner Stores 28, 30, 32 N. 3rd St. It is gratifying to know that visitors to Harrisburg, women who are critical, very soon select this store for their garments. Perhaps there are those in Harrisburg who do not realize what this store means to them. Has it ever occurred to you that the infinite care and judgment which we exercise in choosing our stock is due to the fact that our entire thoughts and time are devoted to garments? Perhaps you desire a moderate price garment! If so, isn't it far more beneficial and satisfactory to wear garments which are distinctive throughout, different from the ordinary in material and mode, and in which the tailoring is the same as in the more expensive garments, than to buy a garment where price is the uppermost thought? Schleisner garments, whether they are among our moderate priced-lines or our more elaborate models, are really far better values from any point of view.

Unusual Specials For Saturday TAKEN FROM OUR REGULAR STOCK AND INCLUDING MANY NEW ARRIVALS

IF YOU HAVE CHICKENS You Are Buying Feed—The cost of the feed you buy must be based, not on what you pay in cash for it, but on the NUMBER OF EGGS which that feed makes your hens lay. If you get but few eggs your feed is costing you too much. "LAY OR BUST" DRY MASH (Take no substitute), will positively make healthy hens lay eggs. It is not a forcing feed; it is simply a scientifically balanced egg producing feed. Many other feeds produce fat adding flesh to the body instead of furnishing necessary egg-making elements of food. Feed it dry—keep it before them all day long—they will not over-feed and they will eat less grain. Put up in 100-lb. bags, \$4.00; 40-lb. bag, \$1.70; 20-lb. bag, 90c; 10 lbs., 50c. Start feeding it now and feed it all winter. Don't buy a 10-lb. bag and expect a basket of eggs in return. It requires two to three weeks' feeding to start the eggs rolling into the nests—then keep on feeding and you will keep on getting eggs. "Cluck Cluck" Scratch Feed, \$4.50 per 100 lbs.; 50 lbs., \$2.50; 25 lbs., \$1.25, 10 lbs., 55c. WALTER S. SCHELL Quality Seeds HARRISBURG, PA. 1307-1309 MARKET STREET
