BOWLERS START LOCAL SERIES

First of Season's Matches Won by Taylor Stars Last Evening

In the first of a series of bowling matches to determine city championship honors was a big feature last night at Taylor's alleys. The Taylor bowlers won three games from the All-Stars made up of the best men from all parts of the city. This started what is expected to be close competition until the close of the season and brings many new records in bowling. The teams in last night's contest will play for the championship of Dauphin county.

For the first time in five years, representative teams are to clash here for the bowling championship of the city and county. With the interest in bowling growing daily, this series should become one of the leading sporting events of the fall and will also give the local fans an opportunity to see the pick of the city on opposing line-ups.

Carlisle High Eleven Is Showing Record Form

Carlisle, Nov. 16.—Winning their games with a margin of forty to eighty-two points, the Carlisle High school team this year, the first time that there has been a regular coach for the team, bids fair to put this branch of sport in this section on a par with the rank attained by other representative Carlisle teams.

PINCH HITTING FOR THE HOME TEAM

Marguerite Clark, Paramount tiny picture-play star, and "Christy" Mathewson, Cincinnati's big baseball hero, were two of the main reasons why Cincinnati oversubscribed to the Liberty loan by \$2,000,000.

Clark was invited to her old hometown by the mayor and the chamber of commerce, and when she finished a three days' plea for the Liberty

loan she had \$15,000,000 to her credit. "Big Six" by guaranteeing to subscribe to 10 per cent of all he raised nearly bankrupted himself when the money came pouring in, but he made good on his promise just the same.

Hamilton Big Winner in Scholastic Game

The basketball five of the Hamilton Grammar school defeated the MacLay Grammar school quintet yesterday afternoon by the score of 41 to 5. Tillis, Williams and Etter were stars for the victorious team, while Pohn's work on the defense was a feature. McAlister put up a brilliant game. The lineup follows:

BENEFIT GAME IS OFF Washington, Nov. 16.—Unwillingness for the Georgia School of Technology to permit its football team to play that of the University of Pittsburgh, both unbeaten for three years, for the benefit of the Red Cross unless expressly requested by President Wilson, has caused Red Cross officials here to drop the project.

The Commonwealth five of this city last night won from the Reading Olivets at Reading, score 35 to 34. The game was one of the best played there this year. Dick Fields had the crowd in an uproar all the time with his funny antics. The Commonwealth agree to play any amateur team in or out of this city. Address Commonwealth Cigar Store. MINOR MOGULS MAKE NEW RULE

Louisville, Ky., Nov. 16.—With the selection of Peoria, Ill., for the 1918 convention of the National Association of Baseball Leagues closed its annual session here today, the Peoria meeting will be held early next November. John H. Farrell, secretary of the National Association, President M. H. Sexton and Harry Stahlfelzer, of Evansville, Ind., president of the Central League, were appointed to meet with the National Commission in the interest of minor league affairs. They will endeavor to arrange early payment of funds for drafted players. Some of the minor league clubs, it was contended, have declined to reimburse the minor league clubs until satisfied that the drafted player will not be called for military service.

Must Pay For Drafts The minor representatives also will seek to establish the status of players under contract to leagues which suspended last season. Several clubs have been seriously crippled through the loss of star players who were signed by other leagues. They want those players returned or settlement made for their loss.

Players in the Class AA and A leagues hereafter may be released without the customary five-day notice. The convention unanimously passed a resolution presented by President Baum, of the Pacific Coast League, calling for the elimination of the five-day clause from the players' contracts. The resolution also passed a resolution prohibiting players in every league from participating in any game outside of the regular schedule with the consent of the club owner. The action was directed at players in several Eastern leagues, who, under assumed names, played on semiprofessional and other teams of objectionable character or organized baseball. President Sexton was elected to membership of the national board of arbitration to succeed M. E. Justice, former president of the Central Association, who no longer is identified with the game.

COLLEGE DAY IS SATURDAY BILL; TEAMS IN FORM

An army of college boys and girls will invade Harrisburg to-morrow. It will be College Day in Harrisburg. Gettysburg and Bucknell meet at Island Park in their annual football battle. This yearly event is always an occasion for a big time, and Harrisburg will present lively scenes to-morrow.

Girls With Bucknell Bucknell's special train is scheduled to reach here about 11 o'clock. This contingent will include many girl rooters, a band and a student body representation of several hundred. Both colleges have arranged for a parade on their arrival here. After the game the winning team will be escorted over the principal business streets. The game at Island Park starts at 2:30. Arrangements call for the numbering of each player. The reserved seat sale indicates a record crowd.

PENN-MICHIGAN GAME IS IMPORTANT GRID BATTLE; HARRISBURG ON PROGRAM

New York, Nov. 16.—An intersectional game which will bring the eleven of Michigan and Pennsylvania together at Philadelphia stands out as the featured contest of the Eastern college football schedule for to-morrow. While the list contains several other matches which promise to develop close, well-played struggles, including the Syracuse-Colgate, Dartmouth-Tufts, Pittsburgh-Carnegie Tech., Cornell-Fordham and Harvard-Yale, Freshman meetings which interest will center in the clash of the Quakers and the Wolverines.

Michigan is certain to be favored over Pennsylvania as a result of the remarkable showing made by the Yost combination, but the Philadelphia collegians have demonstrated their ability to fight back. The longest teams of the east to play the highest type of football to hold them in check and for that reason the outcome will be interesting. With the exception of the Cornell game, the contest with Michigan is the most important one on the Red and Blue schedule and Coach Fowlwell's players can be counted upon to fight to the final minute.

Game at Philadelphia Hot

With this spirit evinced by Pennsylvania and against the splendid machine presented by Michigan, the result should be one of the best gridiron games of the season. Added rivalry is given the play by the fact that the two institutions are tied at one point in the history of the initial game in 1899, teams from Pennsylvania and Michigan have lost twelve times. Each university has won five games and lost a number of times while two other contests resulted in ties. In points the Wolverines lead with 151 to the Quakers.

Another game in which long standing intercollegiate rivalry will play an important part is the battle between Syracuse and Colgate. These two New York state institutions have met on the football field as far back as 1891 and in the subsequent years have played nineteen games, of which Colgate has won thirteen and Syracuse four, with two contests ending in ties. Colgate has a wide margin in total points for her teams having piled up an aggregate of 235 to Syracuse's 137.

Other Annual Games So far as tomorrow's game is concerned Syracuse appears to have a slight edge over Colgate on the season's record but this contest will be a close one. Since the Hamilton team and while it will be played at Syracuse the visiting combination can be counted upon to force the play and pace from the very beginning of the struggle. Both elevens have met two mutual rivals in Brown and Bucknell. Syracuse defeated Brown 6 to 0 and Bucknell 12 to 0. Colgate lost to Brown 6 to 7 and from Bucknell 24 to 0. This latter game, the opening match of the schedule, was played on October 13, while Syracuse did not meet Bucknell until November 10, so that allowance must be made for improvement in a comparison of the scores.

In the other contests in which the leading elevens of the East will take part, Cornell will find Fordham a most formidable opponent; Dartmouth cannot afford to take chances with Tufts and while the Army and Navy should win from Lebanon Valley and Villanova, respectively, the games cannot be classified as practice contests. Washington and Jefferson will play West Virginia at Fairmont, W. Va., and the records of the two teams are evenly matched. New England has four interesting games in the Williams-Amherst, Harvard-Yale freshman, the Andover-Exeter and the Brown-Colby contests.

The principal games of the day, together with the 1916 scores where the same colleges met on the gridiron last season are as follows: Allegheny vs. Westminster, at Sharon, Pa., did not meet last year. WELLY'S CORNER

Details are complete for the big classic football game at Island Park to-morrow. With ideal weather a record crowd is looked for. This battle between Gettysburg and Bucknell has been the subject of much gossip. Central High and Harrisburg Academy players will see the big battle to-morrow afternoon at Island Park. These elevens clash in the morning. Tech students will also be in evidence. J. Dress Pannell, who has charge of the arrangements for the Gettysburg-Bucknell game to-morrow, has left no stone unturned in providing accommodations for the spectators. He made certain that the players would be numbered, will have an interesting program to help in making plain every play and player, and has also arranged for a scoreboard. He has seen some big games in his time and knows what is needed. In the Harrisburg Academy game to-morrow Moore and Louie May will be missed from the Blue and Gold lineup. Moore broke his finger yesterday in a scrimmage and his absence is a big loss to the team. May is suffering with a sprained ankle. The first football team at the University of Pittsburgh was formed in 1891 and for the past twenty-eight years the institution has been annually represented in the gridiron with good elevens. The team has been especially prominent since 1914 when the institution, under the chancellorship of Dr. Samuel Black McCormick, took on the new lease of life about \$600 in all departments. Today the enrollment is over 4,000 and increasing each year. Local hunters who were factory in the opening of the wild turkey season yesterday report a scarcity of turkeys. Reports received here indicate that the season in this vicinity will not be a record-breaker.
