## Keep Warm With Good Blankets

—Practically all our orders for blankets for this season's business were placed many months ago—fortunately for our customers.

—If we had not been farsighted and fore-handed about blankets our prices would be at the least 25 per cent. higher than they are to-day.

—So, the blankets we are now selling—blankets of reliable grades—are marked on the basis of what they did cost not on the basis of the present market price.

### Now Is the Time to Buy

Double bed size woolen blankets — tan and white and gray and white plaids, at ..... **\$7.25** pair  
 Gray woolen blankets with blue or pink borders, mohair bound — large size, at ..... **\$5.00** pair

BOWMAN'S—Third Floor.

## Women's Footwear of Distinction

The better grades of shoes are notably difficult to get and to place orders now for what may be had is high priced.

### Moderate Prices

#### Prevail Here

Because we have kept in close touch with the market and the advances of leathers, we confronted the manufacturers early with orders for the present season and the result is—

**Highly attractive assortments at prices within the reach of every purse.**

We recommend the following for individual style — superior make — comfort — good looks and service:

Women's black button and laced shoes of various good leathers with low or high heels — a good selection from some high grade shoes we are discontinuing. Pair ..... **\$5.50**

## Thanksgiving Day, November 29

"Its" meaning will sink deeper than ever into our hearts and homes this year."

—and as a mercantile organization we are thankful for our opportunity for service — thankful that we have so large a share in the distribution of those things which form the vital and daily needs of our people, and in which honesty of value and suitability of purpose are great agents in the prevention of waste — our worst enemy in this time of war.

We are glad to be able to serve so many and to serve them with an eye single to giving them the best and the most for their money that we know how to get.
