

BROTHER MEETS BROTHER IN ANNUAL CENTRAL-TECH FOOTBALL GAME THURSDAY

ACADEMY ENDS FOOTBALL GAMES

Injuries to Players Make Final Greek-Roman Battle Impossible; Cross-Country Runs

The rivalry between the two Academy athletic clubs, the Greeks and the Romans, is becoming keener every day. The football championship between the two clubs will be undecided this year as the final game of the series will not be played on account of injured players.

The two captains, Louis May and Nelson Wescott, were both injured in recent games and several other prominent players are also hurt. The Romans won the first game 27 to 0, and the Greeks took the second contest by a score of 7 to 6. The football counts six points in the athletic standing of the clubs, so the points will be divided this year and other sports will decide the contest.

Cross Country Run The annual cross country run between the two clubs is to be held today. A large number of contestants are entered on each side, and the result of the race cannot be predicted as many of the runners have never run before and many of the football men will also appear. However the Romans will probably be in the majority.

SCHOOLS TO CLOSE The city public schools will close on Thursday and Friday for the annual Thanksgiving holidays and will reopen on Monday morning. In many of the rooms tomorrow afternoon special programs will probably be given. The city school board will meet in special session on Friday afternoon to consider reorganization suggestions of City Superintendent F. E. Downes. The reorganization meeting of the board will be held next Monday afternoon.

HAND LACERATED While working at the plant of the United Electric Company this morning, Jacob Neidenhammer, Wormleysburg, caught his hand in a coal conveyor. The right hand was badly lacerated. He was taken to the dispensary of the Harrisburg Hospital for treatment.

SERGEANT WALTER HERE Sergeant Henry L. Walter, of Camp Meade, is spending Thanksgiving with his parents, Alderman Walter and wife.

FRANK BROTHERS MEET AS RIVALS IN GRID BATTLE

"NOBE" FRANK, Captain Central High School Football Team.

Frank will meet Greek Thursday afternoon when Tech and Central line up against each other in their final football struggle. Captain Nobie Frank, at left tackle, being pitted against his brother, Calvin Frank, who will hold down right tackle for the Maroon aggregation. Captain Frank has been in every contest, while the younger lad has had a hard fight to land the tackle position at Tech.

An injured nose put him at a disadvantage in the forefront of the season, and since then he has been fighting hard to land a regular place. His work was of such high caliber in the Wilkes-Barre game Saturday that it is almost a certainty that he will start Thursday. In the forefront of the contest, he Tech line was wobbly. With the entrance of "Haps" the line men steadied up and from then on Tech played rings around the Maroons.

Kind to Each Other All season the elder Frank has been giving his younger brother pointers on how to play the gridiron game. Now on Thursday the Tech player will have a chance to try out some of the tricks taught him by the Central captain. Plenty of fraternal rivalry is sure to develop as the game continues.

A third official has not as yet been selected. Fred Gillinger, of Penn. will referee, while Mitchler will be head linesman. Central plans to go to Carlisle for its final workout while Tech will play at Harrisburg.

"HAP" FRANK, To Play Right Tackle on the Tech High Team.

The Maroon management will take the Tech squad to the vicinity of Dauphin for final polishing. Tech Reserves are anxious for a contest Friday, and hope to arrange with the Central Scrubs.

Larger Scores This Year Both elevens have scored more points this season than last. Last year Central scored 181 points, while to date the Blue and Gray boys have netted 206 tallies. Tech had but 119 points last year. This season the Maroon has collected the largest number in the history of football at that school. Including the Wilkes-Barre contest, the total was 310.

Up until 1913, Central had a continuous run of victories. Then Tech tied in a 0 to 0 contest. The next year Captain Beck defeated Central in a 19 to 13 struggle. Then Central gave Tech its worst lacing, 34 to 0. Last season was another no-score game. Thursday will be the last and final contest between the two schools, and Tech will try to even the whole score by landing the final honors. Two cups will go to the winner.

CENTRAL TEAM DEFEATS EAGLES

Reserves Have Little Trouble; Play Final Game on Island Field

In a loosely played game yesterday the Central Reserves were victors over the Eagles of the John Y. Boyd hall. The Eagles were handicapped by the absence of several of their regulars, but in spite of this they played a plucky game. Central's first score came in the first period when Nisley took the ball around the end forty yards for a touchdown. In the second period the Eagles tried numerous forward passes but were hardly near the goal when the Reserve left half intercepted a short pass and scored another six points. Wolfe kicked the goal.

Played Hard and Fast Near the end of the third quarter the Reserves started to play hard and fast and on a trick play Nisley made the third score of the game. Wolfe missed the goal by inches. Just before the whistle blew in the last quarter Krebs caught a long pass and made the only score for the Reserves. Wolfe kicked the goal. The game was a close one, with every little excuse having been grabbed by them to postpone a regularly scheduled game so as to make a bargain day for Saturday or Sunday to attract the fans from surrounding territory. President Johnson is in favor of expanding the schedule so as to include more open dates than heretofore, if the National League insist on retaining the 154-game schedule. Primarily he is in favor of reducing the major league season to 140 games next season, but declares a majority of the National League club owners are opposed to the shorter year. In that case it will be necessary for the American League to continue playing 154 games in order to avoid conflicting dates in the cities which are represented in both major leagues.

DOUBLE-HEADERS ARE NOT POPULAR WITH JOHNSON; HERRMANN FAVORS THEM

Chicago, Nov. 27.—Double-headers will be the leading byproduct of the National League's attempt, at the suggestion that Garry Herrmann, to compress a schedule of 154 games into five and one-half months. Double-headers, he says, have played the double-header card to the limit and owe most of their financial troubles to that fact. Playing two games for one admission has cheapened the sport and created in the minds of the fans the belief they were not getting their money's worth out of a single game of nine innings. Cincinnati has been injured as a baseball town by the predilection of its club officials for double-headers, every little excuse having been grabbed by them to postpone a regularly scheduled game so as to make a bargain day for Saturday or Sunday to attract the fans from surrounding territory. President Johnson is in favor of expanding the schedule so as to include more open dates than heretofore, if the National League insist on retaining the 154-game schedule. MOTOR GIRLS TRY REVOLVER PRACTICE AND HIT BULLSEYE—SOMETIMES

The Motor Messenger Girls, of the Harrisburg Red Cross, twirled their revolvers fearlessly and hit the bulls-eye—occasionally. Captain Hummel was delighted with the results of the first afternoon's rehearsal in the basement of the police station, where City Detective John Murnane instructed the young women. The complete roster of members follows: Captain, Mrs. V. L. Hummel; first lieutenant, Katharine Hart; second lieutenant, Mrs. C. L. Miller; Mrs. Albert L. Allen, Romyne Boyer, Ethel Copelin, Mary Creighton, Mrs. G. M. Crozier, Myra C. Eby, Katharine Gorgas, Helen Gurnett, Elizabeth Koons, Jane MacDonnell, Leona Scott, Julia Stamm, Dorothy Strouse, Ruth Stary, Mrs. E. T. Selig, Mrs. C. H. Sauer, Marie Yount, Mildred Astrich, Mrs. George H. Brown, Mrs. C. C. Crispin, Mrs. S. F. Dunkle, Mrs. W. Van Dyke, Mrs. L. H. Hagerling, Mrs. George Heisey, Mrs. C. H. Inter, Helen Kelly, Mrs. Victor Lecocq, Marion Leib, Bessie Marburger, Ruth Billings, Mrs. E. J. Smith, Mrs. Charles Stroh, Mrs. H. C. Storr, Mrs. Herman Tausig, Miss Trimmer, Mrs. Walsh, Mrs. Joseph Weatherby, Mrs. Charles Uttley.

WELLY'S CORNER

Football fans will have no reason to kick over arrangements for Thursday's big football game. With an advance sale and other special features for taking care of the crowds, there need be no jamming at the gates. A good plan would be to go early to Island Park. Central came out of Saturday's game with Steeltin in great shape. After a rest yesterday every variety player was ready to get down to hard work to-day. Tech players were also busy. Outside of the coaches and school officials no person was permitted in sight of the practice fields to-day. The football team representing the Three Hundred and Fourteenth Infantry, by reason of its victory on Sunday, will meet the Camp Dix team for the championship of the Army camps. While the game will wind up football, this sport will continue to be popular until snow falls. The management of the Harrisburg Basketball Association has picked a good attraction for Thursday. The Garnet five, of Philadelphia, never fails to attract a big crowd in this city. The Independents are showing winning form with the changed lineup. President Barn Johnson seems to be bent on stirring up trouble in the baseball world. Not satisfied with raising a big howl because he asked for exemption of players from Army duty, he now comes to the front with a suggestion that double-headers be cut out. The fans will fight this move, too. Here is what James C. Isaminger, sporting writer on the Philadelphia North American, says about Allen Sangree: "Allen Sangree, the author, who has been spending the last few months in Harrisburg, is now a composer. He has entered the great war song tournament, and his entry, 'Your Old Uncle Sam,' made good from the start. It is sung to the tune of 'The Old Gray Mare,' and the piece has incited everybody in Harrisburg to warbling. Already manufacturers of mechanical music devices have obtained rights to Mr. Sangree's effort, which is believed by many to be the big war song for which the nation is waiting."

MINISTER TO WED

Harrisburg, Pa., Nov. 27.—Announcement has been made here of the engagement of the Rev. C. O. Houston, of Penbrook, to Miss Helen Sellers, a talented Harrisburg musician. The Rev. Houston, who was pastor of the Church of God at Matamoras last year, received his education at Findlay College, Findlay, Ohio. He was a member of the governor's Troop of Harrisburg for six years and a member of Troop A, Pennsylvania State Police. The Rev. Mr. Houston is now pastor of the Church of God at Camp Hill. The wedding will be an event of the Thanksgiving season.

Casey Jones Out Again; Injuries Were Not Serious Carlisle, Pa., Nov. 27.—The Carlisle Indian football team came out of the Penn game in good shape physically. Louis Godfrey was banged around the head and had several contusions, which are not expected to result seriously. Casey Jones, who was reported as being badly injured in the Pennsylvania game and suffering from concussion of his brain and sprained ligaments, returned to Carlisle with the Indian aggregation and walked from the train to the school hospital, where he is being cared for now. He will be out in a few days. A sprained ligament is the only thing giving the youthful center any trouble. The Redskins speak in highest terms of the opponents of Saturday and are none the worse off for the contest. Packey McFarland Meets Mike Gibbons Thursday Waco, Tex., Nov. 27.—Packey McFarland, brilliant prizefighter and master boxer, will team with Mike Gibbons, St. Paul phantom, still active among the middleweights and one of the legitimate claimants to the 155-pound crown, in an exhibition ten-round bout at Waco, Tex., next Thursday, the proceeds to be turned over to the soldiers at Camps Meador and Fort Riley, where Packey and Mike are the respective boxing instructors. Only once in the ring careers of these noted welders of the padded mitts did they come together. McFarland, never a champion, but rated greater than the holders of the crown during his prime, retired a few years ago.

GARNET FIVE HERE THURSDAY

Annual Thanksgiving Attraction For Local Independents; Switch in Lineup The Philadelphia Garnets will be the attraction at Chestnut Street Auditorium Thanksgiving night. This has been the annual Thanksgiving game for the past three years and has always proved an interesting contest. The Garnets defeated the Harrisburg Independents on Thanksgiving a year ago by five points and the locals are out for revenge. Preparations are being made for a large crowd as Thanksgiving has always been a banner night. The Independents have made a shift in lineup. McCard in Center McCard, who has played a forward for the past three seasons, has shifted to center position. Norman Ford taking his place at forward. This gives the locals a team of floor workers, as every man can play a good dribbling game. The Garnets will present practically the same team as last season. Loust Gap will be the attraction for Saturday night. A large dance program is being arranged for Thanksgiving night following the game. VACINATE MANY Health Officer J. M. J. Raunick reported to-day that no new cases of smallpox had developed and that the department has vaccinated a large number of contacts in order to prevent an epidemic. The latest case was discovered yesterday and the house was quarantined at once. HURT IN AUTO COLLISION Marietta, Pa., Nov. 27.—LeRoy Shirk of Farmerville, sustained serious injuries, and his wife broken leg and other injuries as the result of a motorcycle accident Sunday night. They collided with an automobile driven by John Horst on the Bareville road. Mrs. Shirk was riding in the sidecar of the motorcycle when Shirk was hurled a considerable distance.

URGENT COUNCIL TO PROTECT BRIDGE TRAFFIC Curbing Would Prevent Fatal Accidents, Says Spokesman of Motor Club City Council was urged to-day to take action to prevent a repetition of the accidents on Mulberry street bridge which resulted in fatalities. George G. McFarland, of the Harrisburg Motor Club, and acting as spokesman for the Motor Club of Harrisburg, asked the commissioners to provide some protection for the bridge. His suggestion to Council was that a curbing about eighteen or twenty inches in height, ten inches at the base and eight inches at the top, be constructed of reinforced concrete along the inner edge of the sidewalk. Mr. McFarland also deplained the report that there is excessive speeding at all times on the bridge and also that there is much careless and needless driving. His other suggestion to Council was in connection with the parking of automobiles in the downtown section. He advised having all automobiles parked with the front toward the curb and in Market Square, to have them parked also with the front toward the safety zone. "It is positive it will help matters very much as it is easier to turn the car into the curb and park it than back out. Using the space next to the safety zone could be done also and will leave plenty of room for vehicular traffic." At the business session of Council two statements were received from the city solicitor's office, one giving the amount of money received for old office fixtures, and the other in connection with collection of unpaid city taxes for 1915, 1916 and 1917 in the Indian aggregation and walked to collect these may be by sheriff sale in case the officials decide not to exonerate the properties in question. Rules of the civil service board were submitted and Mayor Keister suggested they should be laid over for a later date. Final action is taken on them. The motion carried. The rules give complete requirements of applicants, asking them in filling the amount of money received for old office fixtures, and the other in connection with collection of unpaid city taxes for 1915, 1916 and 1917 in the Indian aggregation and walked to collect these may be by sheriff sale in case the officials decide not to exonerate the properties in question.
