This is one of the smartest possible coats that could be shown. You could make it at it is here of velvet with fur, or you can make it of duvetyne with fur, or you could make it of burella cloth or you could make it of broadcloth, or, if you want just a useful coat, you can make it of cheviot or of gabardine or of serge. It will be smart whatever you do with it. If you do not like one material throughout, you can use two, for the lower part is stitched to the upper. Baby Was Disfigured By Itching Eczema. Cuticura Soap and Ointment Healed.

The itching and burning were awful, and she could not rest night or day, and she was very cross. I could not get any rest at all as I had to hold her most of the time. Then I tried Cuticura Soap and Ointment, and I only used one box of Cuticura Soap and one cake of Cuticura Soap when she was healed."
