Owing partly to President Wilson's request that, despite the war, a meeting of the World's Salesman-

a meeting of the World's Salesmanship Congress should be held next year, plans have now been started to convene this vast body and Harrisburg may be the city selected. Only two years old, the congress held both its sessions at Detroit, the last meeting being opened by an address from Charles M. Schwab, of the Bethlehem Steel Corporation. If Harrisburg is selected for the annual convention in June next it will mean the arrival here of more than 6,000 delegates who will remain in conference the greater part of a week. The object of this organization is to "better business through the betterment of salesmanship." It is a nonprofit, educational movement, which has the endorsement of President Wilson, who traveled to Detroit to personally encourage it.

The Salesmanship Club of Har-

veled to Detrott to personally encourage it.

The Salesmanship Club of Harrisburg is the local branch of the congress. Prominent among its executives are the following: C. H. Hunter, Elliott-Fisher Company; R. W. Dowdell, S. S. Miller, C. W. Burnett, Evans-Burnett Company, C. K. Deen, E. R. Eckenrode, J. T. Shirley, A. H. Armstrong, John Herman, Charles Pass and Schmidt's Bakeries.

Allenrhu has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and piteous and where the patient was helpless.

Allenrhu relieves at once. Immediately after you start to take it the good work begins. It searches out the uric acid deposits, dissolves the secretions and drives rheumatic poison out of the body through the kidneys and bowels.

Governor Calls Upon Pennsylvanians to Show Loyalty

Governor Martin G. Brumbaugh en's hands and hearts may find to do, they should do with their might."

The proclamation is as follows:

Whereas, when on June 5 of
this year—the national government called upon our men of a
drafted age to register for military service the great State of
Pennsylvania responded in a
manner worthy of her past record by registering one hundred
per cent. strong. It was Pennsylvania's man-offering to the
nation.

per cent. strong. It was Pennsylvania's man-offering to the nation.

Whereas, the obligation upon our women is equally important. They can and they should in this war crisis volunteer gladly to perform such service as they are fitted to do. Our industries are suffering from the depleted power of production caused by calling so many of our industrial workers to the colors. Surely our women are as loyal as our men. The sanctity and safety and that of their homes are alike involved in this cruel struggle. Whatever our women's hands and hearts may find to do, that they should do with their might. This will hearten our men and give tremendous impulse to the cause of democracy and of freedom. It will be Pennsylvania's women-offering to the nation.

Therefore, I, Martin Grove Brumbaugh, governor of the Commonwealth of Pennsylvania, call upon and urge all the women of Pennsylvania to register for such service as they can severally render, and, that this registration may be completed at once, I do hereby set aside and designate December 5 and 6 as special days of registration. Upon these days all women who have not already evidenced by registration their willingness to give patriotic service shall under the guidance of the Pennsylvania division, Women's Committee, Council of National Defense and the Pennsylvania Committee of Public Safety, voluntarily present themselves for registration and thus assume a share of the burden of national duty and of world-wide desire to end this war speedily and righteously.

Given under my hand and the great seal of the state, at the City of Harrisburg, this third day of December, in the year of our Lord, one thousand nine hundred and seventeen, and of the Commonwealth, the one hundred and forty-second.

By the Governor:

MARTIN G. BRUMBAUGH.

Mt. Pleasant and Friendship Companies Select Officers

Both the Mt. Pleasant and Friend-hip Fire Companies held meetings Both the Mt. Pleasant and Friendship Fire Companies held meetings last night for selection of officers. The former put in office the following: George W. McIlhenny, president; John W. Bowman, vice-president; G. R. Gilbert, financial secretary; F. A. Shope, treasurer; J. W. Bowman, custodian; F. A. Shope, foreman; Arthur Roch, assistant foreman; Arthur Roch, assistant foreman; William Cope, trustee; Frank Gerlock, John Venn and Charles Riegle, house committee; George W. McIlhenny, delegate, to state convention; directors, Luther Horst, Robert Buck, Charles Ziegler, Elmer Whitmoyer, C. E. Boyer, W. E. Reed and George W. McIlhenny. The nominations at Friendship company resulted in Mayor Keister who has been president for more than a score of years, again being chosen for that position, while Alderman Emmet Murray, secretary for many years, was also unanimously nominated again for that position. All the other old officers were nominated, the only contest anticipant at election being for vice-president, an office which Theodore Fehleisen has held for years.

McAddoe Buys First Stamp

McAdoo Buys First Stamp

Washington. Dec. 4. — Miss Ellen McAdoo, two years old, daughter of William G. McAdoo, Secretary of the Treasury, and granddaughter of President Wilson, possesses the first thrift stamp sold in the \$2,000,000,000 warsavings stamp campaign started yesterday. Mr. McAdoo bought the stamp for her, paying twenty-five cents for it. At the same time the allotment for all states were announced. In making up the apportionment the Treasury officials estimated the population of the United States at 105,000,000, so they set out on the theory that \$20 worth of stamps would be purchased by every man, woman and child. The largest state allotment went to New York—\$215,717.98—and the smallest to Treasury Department last night said that the campaign will not be ended of the sale of stamps will get well under way. The campaign will not be ended officially until January 1, 1919.

ROBABLY no remedy has ever met with such phenomenal success as has Nuxated Iron. Over three million people annually are taking it in this country alone. It has been highly endorsed and used by Former United States Senators and Members of Congress; physicians who have been connected with well known hospitals have prescribed and recommended it; Monseigneur Nannini, a prominent Catholic clergyman, recommends it to all members of the Cathelic church; Sarah Bernhardt - "the Divine Sarah," the world's most noted actress, has ordered a large sent to the French soldiers to help give them strength, power and endurance., Dr. A. J. Newman late Police Surgeon of the City of Chicago, and former House Surgeon, Jefferson Park Hospital, Chicago, says Nuxated Iron has proven through his own tests of it to excel any preparation he has ever used for creating red blood, building up the nerves, strengthening the muscles and correcting digestive disorders.

Dr. James Louis Beyea, for 15 years adjunct Professor in the New York Homeopathic Medical College, says: "As a physician I have always been opposed to prescribing advertised remedies, and for 15 years, while Adjunct Professor in the New York Homeopathic Medical College, I taught my medical students that such remedies were generally valueless, but in the case of Nuxatd Iron severe tests were generally valueless, but in the case of Nuxatd Iron severe tests made on myself and numerous patients, have absolutely convinced me that it is a remedy of most extraordinary merit and one which should be generally prescribed by all physicians. Notwithstanding the fact that I am nearing my 80th birthday, a short course of Nuxated Iron has made me feed like a new man. Friends say, 'What have you been doing to yourself, you look so well and full of life?' In my opinion there is nothing like organic iron—Nuxated Iron—to put youthful strength and power into the veins of the weak, rundown, infirm or aged. But beware of the old forms of metallic iron which often do more harm than good. To be absolutely sure that my patients get real organic iron and not some form of the metallic variety, I always prescribe Nuxated Iron in its original packages."
