

German Automobile Plants to Make Planes

Amsterdam, Dec. 6.—Automobile works in Germany are preparing for expansion on an enormous scale for the production of aircraft. One of the foremost factories has just voted to increase its capital from \$6,000,000 to \$8,000,000. Special facilities have been granted by the German government for the flotation of the new shares.

A circular issued by the company says: "We entered the war with large reserves for extension purposes, but this has been used up by the large demands of the war. We can no longer speak of 'expanding' our works, but must use the term 'multiplying' them."

ELECTRIC LIGHT AS MEMORIAL

Bainbridge, Pa., Dec. 6.—Ross Ashton has installed a new electric light in St. Luke's Lutheran Church as a memorial for his wife, Mrs. Catherine Ashton, who was a member of that church for fifty-four years.

Combing Won't Rid Hair Of Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Slacker Claims Family Needs Support; Works Four Days Each Week

Philadelphia, Dec. 6.—An example has been made by one of the county public safety committees of the type of "slacker" whose "family responsibilities" were sufficiently pressing to enable him to evade military service but not weighty enough thereafter to require much of his attention.

Through the plea of "married responsibilities" supplemented by the argument that he was needed for vitally essential work, a miner in the county was exempted. His devotion to vital industry was manifested later by his scheme of working but four days a week at high pay and spending the rest of the time in anything but meeting the obligations upon which his exemption was based.

The DOCTOR'S ADVICE

The questions answered below are general in character, the symptoms or diseases are given and the answers will apply in any case of similar nature. Those wishing further advice, free, may address Dr. Lewis Baker, College Bldg., College-Ellwood streets, Dayton, Ohio, enclosing self-addressed stamped envelope for reply. Full name and address must be given, but only initials and address names will be used in my answers. Prescriptions can be filled at any well-stocked drug store. Please advise a good medicine for each case.

John C. L. writes: "I find my natural strength and nervous system falling me. I do not recuperate as fast as I should. My food and sleep seem to benefit as they should. Am weak, dependent and unable to perform the duties which were assumed earlier in life, while my ambition for work and pleasure is not going."

"Morris" asks: "I have suffered with a chronic cough for almost a year, and catch a fresh cold every few weeks. Nothing the doctor gives me helps, so I write to you."

J. W. W. asks: "Can you prescribe a reliable treatment to get rid of dandruff, itching and feverish scalp?"

Henry J. C. writes: "Something seems to be wrong with my system and I don't know what it is. I have huge blotches under my eyes, my eyes are bloodshot in morning and my feet and ankles are swollen. Sometimes I have chills and feel weak and tired most of the time."

NOTE: For many years Dr. Baker has been giving free advice and prescriptions to millions of people through the press and doubtless has helped in relieving illness and distress more than any single individual in the history of the world. Thousands have written him expressions of gratitude and confidence.

BOARDS SET FOR BIG RED CROSS BENEFIT SHOW

Preliminary Sale of Seats Has Been of Most Encouraging Character. It will be Red Cross Day in Harrisburg to-morrow, the Majestic Theater being turned over in the morning for a benefit performance which will be attended largely by citizens and which is officially endorsed by Mayor Keister.

The preliminary sale of seats has been most encouraging. The box office will be open early to-morrow and tickets can be had in the window for those who have no time to procure them in advance. The Boy Scouts have won fame for their activity in boosting this charity, encouraged a good deal by the scout outfit price offered by Benjamin Strouse, of the Globe Store.

So we renew this offer for next week only. It applies only to housewives whom we have not supplied already. It applies only to users of Mother's Oats or Pettijohn's, or both. It means twice as much as this Dollar Offer meant two years ago. Get this cooker next week if you are entitled to it. You owe that to yourself.

Full Co-ordination Decided Upon by Conference of Allies

The question of man power for the prosecution of the war, it was announced, would be handled by a permanent committee in which the United States will be represented, it having been decided by the conference that the United States would appoint delegates to participate in the deliberations of the committee.

The conference decided to create an international organization to co-ordinate the utilization of transport facilities. In this way, without hampering the employment of the various national resources, it is planned for them to restrict their imports to permit as much tonnage as possible to be released for the carrying of American troops.

New News Policy in Force at Camp Hancock

Camp Hancock, Ga., Dec. 6.—A new censorship policy was announced yesterday by Captain J. Albion Griffin, commanding officer formerly of the old Third Infantry, Philadelphia. Under the new plan the correspondents will not be allowed to visit regimental and battalion headquarters in search of news. All the news must be obtained from Captain Griffin's office and further that the correspondents will not be able to see the general or other officers for publication, which is gathered from other news offices than the command.

The information for the newspapers will be given out in written form, said Captain Griffin. "I have talked to the general about it and he has given his endorsement to the plan."

Under the ruling of the captain, it will not be permissible for the newspapermen to publish stories procured from their own sources, but from time to time, news affecting regimental units and battalion units, it is expected, will not be allowed publication unless issued through Captain Griffin.

The information for the newspapers will be given out in written form, said Captain Griffin. "I have talked to the general about it and he has given his endorsement to the plan."

Husband Remains by Wife; Sinks With Torpedoed Boat

London, Dec. 6.—Further details regarding the sinking of the British steamer Appa, which was torpedoed recently by an enemy submarine with a loss of some eighty passengers and members of the crew, say that the vessel was carrying 160 passengers and a full complement of crew, was proceeding to Liverpool in a calm sea at 4 o'clock in the morning when she was struck by two torpedoes. As the boats rowed away from the sinking liner, survivors, of which it is believed there were two, came to the surface and commenced to shell the open boats, and, despite the utmost efforts of the crewmen to get out of range, some casualties occurred, and the survivors were rescued and landed.

To Any Woman—For \$1 This Big Aluminum Cereal Cooker

We make this One-Week Offer to Housewives here who have not had this Cooker. The cost of Aluminum has doubled. Cooker prices have enormously advanced. But, in fairness to those who missed it last year, we repeat this Dollar Offer.

Cookers Supplied To a Million Homes

We have supplied Mother's Cookers to a million homes at very little prices. But the cost has advanced until our offer is almost impossible. But grocers tell us that many housewives missed our former offer. They are using Mother's Oats and Pettijohn's, and they want this Aluminum Cooker. In fairness, they should have it.

So we renew this offer for next week only. It applies only to housewives whom we have not supplied already. It applies only to users of Mother's Oats or Pettijohn's, or both. It means twice as much as this Dollar Offer meant two years ago. Get this cooker next week if you are entitled to it. You owe that to yourself.

This Offer One Week Only

Send us two pictures of the Cooker cut from packages of Mother's Oats. Also one trademark (picture of bear) cut from the front of one package of Pettijohn's. Or, if you prefer, send five pictures of the Cooker alone. With the above send \$1 and we will mail the Cooker by parcel post. Your order must be mailed next week. This offer applies to this vicinity only. Address
