Water Gap Gets Camp For Wounded Soldiers

Harrisburg, Dec. 6.—The United States government has completed negotiations for the establishment at Delaware Water Gap of a camp for convalescent soldiers. Agents spent the last week at the resort making arrangements to rent, with the privilege of purchasing the Gap's largest and best equipped hostelry, all of which are along the main street. The property, owned by Frank Howard, was rented to the government on Saturday for the period of the war and for six months thereafter. The plan is to place convalescents at the Gap who have their homes in the Delaware and Lehigh valleys, so that relatives and friends will not have a long distance to travel to visit them. At least 1,000 soldiers can be accommodated at these hotels during the winter months and double that number in summer. To care for these men the government will employ about 150 nurses and as many cooks. Other buildings will be erected for emergency purposes.

CHRISTMAS MAIL REACHES FRONT

1,000 Sacks Arrive at One Town in American Zone. With the American Army in France, Dec. 6.—Christmas mail for the troops began arriving to-day in the American zone. In one town alone a thousand sacks were delivered. The contents of most of them consisted of packages of various sizes. Some of the packages had written on them, "Open at Christmas" and similar inscriptions. The American post offices have made every plan to keep the mails moving from them to the positions where the address are quartered.

Restored To Health By Sanpan

Other Medicines Had Failed. Says Miss H. Stoll, 1235 Monroe St., Harrisburg, "I was ailing for a long time with stomach trouble and nervousness, on rising in the morning I felt all tired and worn out—and usually had a nasty dull headache. After eating would blot and belch up a nasty sour substance and had a sour taste, I was also troubled with heartburn. Sometimes I would get severe nervous spells which left me feeling just tired out. I took all kinds of medicine but nothing did me any good. Sanpan had been doing such wonderful work for some neighbors that I started to take it. Well I am restored to health by Sanpan, we feel that we can't get along without it and will always keep a bottle in the house as a stitch in time saves nine. Sanpan is being introduced at Keller's drug store, 405 Market St., Harrisburg, where the Sanpan man is meeting the people.—Adv.
