

TO HOLD BAZAR
The women of the St. Andrews Episcopal Church, Nineteenth and Market streets, will give their annual Christmas bazaar in the parish house tomorrow afternoon and evening. The usual fancy articles will be offered for disposal at reasonable prices. A special feature of interest to the children will be a doll counter, and the Christmas tree, containing prize packages. A buffet quick lunch will be served at supper time.

TO WEIGH COAL AND STONE
Harry D. Reel, city inspector of weights and measures, announced today he will be at the city scales each afternoon from tomorrow to Friday, inclusive, to weigh all wagons used by dealers in the delivery of coal, coke, sand, stone and other similar commodities. Last week notices were sent to the dealers, but owing to weather conditions Inspector Reel could not start the work yesterday or today.

XMAS BOXES FREE

All lively, rosy-cheeked, healthy children must frisk and frolic about. But my! It's difficult to keep them in clean clothes.

Don't try to care for your children and your children's clothes, too. Give us all the soiled garments—no matter how grimy and dirty they are. We launder them pure and glistening at a small cost.

Or, if you have time to iron, let us do the washing—the heavy part. Our almost-human, skillfully operated machinery, filtered water harmless (but dirt-chasing) soaps—these wear the fabric least and wash cleanest.

Our wagon calls at your request—mail or telephone.

HELD FOR CASHING CHECK
David Goldstein, 2113 North Third street, was arrested yesterday by Constable David Hodge, charged with obtaining money under false pretense. He was given a hearing before Alderman James B. DeShong, and released on bail for a further hearing, to be held tomorrow evening, at 8 o'clock. G. C. Ralston, of the firm of C. F. Hoover and Son, charges that Goldstein had a worthless check for \$40 cashed, alleging that he had money in one of the Steelton banks to cover the amount.

LEAGUE TO MEET
The Lutheran League Auxiliary will work in the Red Cross rooms tomorrow afternoon, and each Wednesday afternoon thereafter. The workroom was closed last Wednesday because of removal of offices and machines to the new location in the Fager building.

TO ADDRESS CLASS
Dr. George Preston Main will speak on "Inspiration of the New Testament," before the Tuesday evening Bible class at the Y. M. C. A., this evening. The talk is one of a series given before the Bible class. A supper will be served preceding the address.

TROOPS IN GEORGIA
Through an error it was stated yesterday that members of the Tuesday Troop are in Italy. The troop has been disbanded, but the members are still stationed at Camp Hancock, Georgia.

CHINESE ARRIVE IN HARBIN

ALL THE NEWS OF STEELTON AND SUBURBS

POLICE PHONES TO BE INSTALLED
Chief Grove Says He Must Have Greater Efficiency in the Department

To keep in closer touch with patrolmen while on their "beats" Chief of Police Grove with Chairman McEntee of the police committee of council will arrange in the near future to install five police phones in the various sections of the town. The matter was brought up at the meeting of council last night and Chairman McEntee was authorized to proceed with the plan.

A system of reporting at various times on their beats will be worked out in the near future the chief said. This method is used in all cities of any size as it enables patrolmen to get in touch with headquarters at once. This is a big advantage at night as frequently in smaller towns police officers are at a disadvantage without telephone service.

While the phones to be installed in the borough will not be connected to a private line running to the police station it will be a start toward the installation of a private police extension. Later it is probable additional phones will be added as needed so that the officers will always have no trouble in getting in touch with headquarters at once if necessary.

The boxes will be located at Fourth and Dupont, Second and Main, in Spruce street, Harrisburg and Pine streets, North End of Front street near Franklin.

An ordinance will be drawn up and in all probabilities passed by council compelling all pawnbrokers to report daily to the police station in details the articles pawned at their shops. The system is similar to that enforced in Harrisburg.

Slush Ice Causes Pumping Station to Close Down
For about forty hours it was impossible for the pumping station to operate on account of slush ice stopping up the nest at the intake pipe. As soon as the river freezes over and the slush ice stops flowing, it will be possible to resume operations. The temporary delay in pumping is not alarming as the reservoir supply is sufficient to keep the town supplied for several days.

BELLS RINGING ON TRUCKS DOES NOT INDICATE A FIRE
Fire Chief Malehorn said today that there is no need of alarm when the apparatus approaches ringing the bells on the trucks. The men are practising daily, the chief said, and unless the sirens on the trucks are sounded, vehicles are not compelled to stop.

NOTIFIED ABOUT SNOW
Patrolmen yesterday notified fifty residents who failed to clean the snow from their pavements in the time limit provided by ordinance. Police Chief Grove issued orders that these residents are to be watched and if they fail to clean the snow arrests will follow.

EVANGELISTIC SERVICES
Arrangements for evangelistic services are being made by the congregation of the Main Street Church of God, which will be held in the church beginning Tuesday evening, December 30. The Rev. J. B. McClure, an evangelist, will have charge of the services. A choir is being organized for the campaign.

USE CANDLES FOR LIGHT
Steelton businessmen who do not have gas installed in their stores did not close down business when the electric lights went off last night. The old and long used custom of candles was used in many of the stores.

Daily Fashion Hint
Prepared Especially For This Newspaper

AT THE TOPNOTCH OF STYLE.
Stitching is emphasized as a decoration on the little frock of gray cotton voile shown to the left. Rosettes of gray satin in varying sizes are distributed on the pockets, belts and revers of the simple waist. Finishing the open neck is a collar of eyeo Georgette. The sleeves have pointed cuffs of satin. In medium size the dress requires 6 yards 40-inch voile, with 1/4 yard 40-inch satin and 1/4 yard 44-inch crepe Georgette. The addition of deep tucks to gather-increases the girlishness of the second frock, in straw-colored voile. The collar is hand-embroidered in bold design, blue, dark brown and dull green threads being used. Six yards 36-inch material are needed to duplicate the design in medium size. The knitting bag of check crotone is hand-embroidered with a monogram embroidered on a circular background of linen.

First Model: Pictorial Review Costume No. 7499. Sizes, 34 to 46 inches bust. Price, 25 cents.

Second Model: Costume No. 7533. Sizes, 34 to 44 inches bust. Price, 25 cents.

Fire Horses Will Be Sold at Public Sale
The fire horses owned by the borough which were replaced by motor driven apparatus will be sold at public sale in the near future. Last week advertisements for bids were made through the newspapers, but no bids on the horses, wagons and harnesses in bulk were received. The sale will be advertised through the papers. Seven horses are to be sold with harness and several wagons.

C. E. ELECTS OFFICERS
The Main Street Church of God Christian Endeavor Society, has elected the following officers for 1918: President James McNaughton; vice-president, Elmer Koum; secretary, Margaret Beshore; assistant, Olive Crumlick; librarians, George Shamberger and Earl Rider; organist, Ruth Donley; assistant organist, Olive Crumlick; corresponding secretary, Margaret Beshore; superintendent of Junior Christian Endeavor, Margaret Beshore; assistant superintendent, Mrs. Shamberger; treasurer, Carl B. Stevick; chorister, Mrs. G. W. Getz.

SMALL FIRE
The entire fire department was ordered out yesterday at noon to answer an alarm at Box 42 located in second street, by Chief Malehorn. The fire was caused by a chimney fire at 323 North Second street, slight damage was caused. The fire is owned by Dr. J. L. Dickinson.

MIDDLETOWN
The first of the monthly meetings of the Middle town public school will be held to-night in the High School building, at which meeting teachers will give the men practice in operating the machines. Being a chimney fire at 323 North Second street, slight damage was caused. The fire is owned by Dr. J. L. Dickinson.

The Sunday school class of the church, taught by Mrs. O. M. Kravbill, will hold its regular monthly meeting at the home of Mrs. Eva Fuchs, 2113 North Third street.

The Water Company is having considerable trouble in getting coal, owing to the strike in Ohio, where Mrs. J. William Baxtrester and son, William Baxtrester, of Rochester, N. Y., are the owners of the mine. The parents, Mr. and Mrs. J. F. Rife.

Christian Barnes is the former of the regular weekly meeting of the B. F. W. M. lodge, at the home of Miss Maude Schaeffer last evening. The evening was spent in knitting, refreshments were served by Miss Edna Schaeffer, Miss Pearl King, Miss Mildred Eiter, Mrs. Ackerman, Mrs. Schaeffer and Mrs. Rife.

The school board met in regular session last evening, commencing with the newly elected director, was held at the grammar school. The resignation was accepted by the board. The school will close Friday, December 21 and reopen January 2. The resignation of W. C. Beaver, teacher in the high school, was accepted. He was enlisted in the service in the Aviation Corps. Miss Evelyn Davis, of Delaware, was elected as teacher in the high school, taking the place of W. C. Beaver. The continuation school will close December 15, and reopen January 2.

A meeting of the Pastor's Aid Society of the Methodist Church will be held at the home of Miss Luella Cleland, in North Catherine street, this evening.

Council in regular session last evening, commencing with the newly elected director, was held at the grammar school. The resignation was accepted by the board. The school will close Friday, December 21 and reopen January 2. The resignation of W. C. Beaver, teacher in the high school, was accepted. He was enlisted in the service in the Aviation Corps. Miss Evelyn Davis, of Delaware, was elected as teacher in the high school, taking the place of W. C. Beaver. The continuation school will close December 15, and reopen January 2.

Philip Gross had the fingers of his right hand and the fingers of his left hand up to the first joint taken off on the shears at the car shop this morning.

Make Your Own Cough Syrup and Save Money
Better than the ready-made kind. Easily prepared at home.

The finest cough syrup that money can buy, costing only about one-fifth as much as ready-made preparations, can easily be made up at home. The way it takes hold and conquers distressing coughs, throat and chest colds will really make you enthusiastic about it. Any druggist can supply you with 2 1/2 ounces of Elixer, the best remedy. Pour this into a pint bottle and fill the bottle with plain granulated sugar syrup. Shake thoroughly and it is ready for use. The Elixer is about 60 cents and gives you a full pint's family supply—of a most effective, pleasant-tasting remedy. It keeps perfectly. It's truly astonishing how quickly it acts, penetrating through every air passage of the throat and lungs—loosens and raises the phlegm, soothes and heals the inflamed or swollen throat membranes and gradually but surely the annoying throat tinkle and coughing will disappear entirely. Nothing better for bronchitis, spasmodic cough, whooping cough or bronchial asthma. Elixer is a highly concentrated compound of Norway pine extract, and you know the world over for its prompt healing effect on the throat membranes. Avoid disappointment by asking your druggist for "2 1/2 ounces of Elixer" with full directions and don't accept any thing else. A guarantee of absolute satisfaction or money promptly refunded, goes with this preparation. The Fluex Co., St. Francis, Ind.

CONSIDER PIGGERY PLAN FOR GARBAGE DISPOSAL

A piggery controlled by the borough has been suggested as one of the methods which may be used for garbage disposal in Steelton.

If a piggery is started, it will mean that residents of the borough must keep ashes and garbage separated. Last night at the session of council President Neley said the Bethlehem Steel Company will not permit the dumping of garbage on its property in the future. Council now is confronted with the problem of finding another method of disposal and if the garbage is to be fed to pigs ashes and refuse can not be put in the same receptacle.

Councilman McEntee, who attended his last session as a councilman, suggested considering the piggery plan. His motion was favored unanimously and a committee consisting of Borough Engineer William B. Litch and Borough Chemist M. B. Litch was authorized to investigate the various disposal methods and report to council. President Neley referred to the fact that Harrisburg is considering the piggery plan and said it would be an opportunity to get data on that method.

Curb Collections Unpopular
Curb collections are causing numerous complaints all over the borough, Chairman Henderson, of the highway committee, reported.

Chairman Henderson said to this suggestion that those in arrears should not listen to all the complaints. No action was taken in the matter and it is likely that a petition will be presented by taxpayers at the next session.

The first month's report of the truck collection of garbage was made by Chairman Henderson, December 10th 457 tons were collected which was made up by 180 loads. The cost of removing the garbage was eighty-six cents a ton. In order that the men do better work it was suggested that a bonus system be put into force. No action was taken on this plan.

Ordinances and Resolutions
Several ordinances and resolutions were acted upon last night. A resolution prohibiting street fairs and carnivals from operating in the borough, fixing the minimum fine at \$10 and the maximum fine at \$100 was passed finally.

An amendment to the license ordinance changing the fee for outside merchants from \$5 to \$10 a year was passed finally. Councilman Keim, who is a merchant, insisted that this be passed in order to protect the local businessmen.

Following the action of the Dauphin County Court ordering a reversal of the fines and costs in two borough criminal suits a resolution was adopted. The cause for the reversal was on account of improper information on one charge and a squire acting as a burgess in the other case.

The borough engineer reported that satisfactory progress is being made on the intercepting sewer. Up to this time there has been 2,208 feet of the sewer laid.

Final action on the transfer of

the hospital fund was taken last night when the finance committee was authorized to dispose of the fund as provided by law. Several bills regarding fire apparatus and improvements were paid out of this sum last night.

S. T. Hull of New Cumberland, purchased two lots in Myers street, Nos. 21 and 23, for \$400. These lots were taken by the borough ten years ago for taxes and have been the property of the borough since. Mr. Hull plans to build a warehouse for his river equipment in the spring.

Keep Citizen Engine
The American LaFrance Company gave the borough permission to buy the Citizen Engine for \$200. The amount of money allowed for this engine when the apparatus was accounted for by the manufacturing company was \$400. The finance committee was authorized to make a payment on the apparatus. The payment will not be made in full until some detail adjustments on the three combination trucks are made. Council authorized the payment of the garbage truck which is being purchased. Council purchased 2,500 feet of new fire hose, the cost amounting to \$3,000.

V. W. Reynolds in a letter to council acknowledged the receipt of the resolution passed by council on the death of his son.

Clarence H. Edgar Hess and Perth Shupp were confirmed as assistant drivers for the Baldwin Hose Company. Raymond F. Parman, as driver, and Edgar Hess and J. W. Nicky as assistants, were confirmed for the Hygienic Hose Company.

Phosphate Will Strengthen Your Weak Nerves
DRUGGISTS SUPPLY IN TABLET FORM AND PURCHASERS RECEIVE BINDING GUARANTEE, SATISFACTION OR MONEY BACK

Weak nerves rob men and women of all the joy of life and quickly reduce the strong and robust to a condition which is pitiable in the extreme. This condition is brought about slowly and stealthily in the majority of cases, and the poor sufferer fails to realize what is wrong until faulty memory, indolence, insomnia or some other unmistakable symptom indicates weak nerves. It is then that many people make the big mistake of resorting to the use of so-called nerve tonics, alcoholic stimulants or drugs. Nothing could be more harmful or more dangerous. The nerves are weak and exhausted; they need food and nourishment—not drugs that will lash them into temporary activity. Feed your nerves and they will become strong again and your health will improve in consequence. That is the advice of the present day physicians and specialists, and the nerve food they recommend is just one 5-gr. tablet of pure bitro-phosphate taken during or immediately after every meal. Simple advice, but its excellence has been proved over and over again, and as a package containing sufficient bitro-phosphate tablets for two weeks' treatment can be obtained from any druggist at a reasonable cost, the remedy is within the reach of every sufferer from weak nerves. Moreover, the whole risk of the trial is assumed by the manufacturers, for every package of bitro-phosphate tablets is accompanied by a binding guarantee of satisfaction or money back. It is sold in this city by M. Forney, Geo. A. Gargas, H. C. Kennedy and all good druggists.

Lieutenant McEntee in Charge of Hospital Floor

In a letter received by Councilman T. T. McEntee yesterday his son Lieutenant B. F. McEntee who is in London, England, said that he has charge of the second floor in King George's Hospital at London. Lieutenant McEntee arrived in England nearly two months ago. He says that the men at this hospital are those recuperating from wounds and are removed from base hospitals after they have improved slightly.

PRICE—SERVICE—QUALITY
