

ALL EAGER TO GO TO FRANCE

Newsy Letter Written by Harrisburg Soldier From Training Camp

Samuel Klopovitz has sent a newsy, entertaining letter from Camp Hancock which conveys the comforting information that this camp is notably healthy and that all hands are eager to get to France and see real action.

Augusta, Ga., Dec. 2, 1917. Dear Friend: Well I guess you thought I got lost. Well we were kept pretty busy and I just happened to forget to write to you.

I am still receiving the Telegraph, for which I thank you very much. I would not miss the Telegraph for anything. I need the paper, and know it does as much good as the training, for if I did not have the paper to read I don't think I would be able to drill.

I get all the latest news, war news, news from home town and good editorial page and of course the sporting page.

Arthur sends me a bunch every night and the fellows are certainly eager to get it.

I want to congratulate the Telegraph on their good work in helping to raise the Y. M. C. A. fund. I will surely say that the Y. M. C. A. is certainly doing a good work for the boys here in camp and the "Y" shack is nearly always filled as the boys know where to go for recreation and for entertainment.

I thank the people in Harrisburg for responding so generously to the "Y" fund.

I see where the "Rainbow Division" finally landed in France. I don't know when we will go, but I know that the boys are all eager to go. We want to go to France.

Since General Clement returned from France, we will wait patiently to hear what he has to say. If we are given the chance and shipped across, I am sure we will make Pennsylvania be proud of us. We have been nicknamed "The Division of Death" and I am sure we will live up to our name.

We are still drilling hard and preparing to meet the foe. We are putting extra effort on the bayonet drills as the Germans are weak on bayonet fighting.

Last night we were entertained in camp by seeing war pictures. Some of the boys felt like killing some of the Germans that were shown on the screen although they were already captives.

I guess all the soldiers were made happy on Thanksgiving as we all enjoyed a real turkey dinner, even the boys in France were given the same treat.

I was sorry that the 8th Regiment was broken up but if it is for the betterment of the country, I guess all the boys are well satisfied.

We are now comfortably situated, as our tents are fixed up almost like home. We have wooden floors and sides, stoves, electric lights and even some of the tents have wooden doors. We sleep very comfortably as the stove is kept going and we have good warm blankets. We are also being well fed and they all see that we enjoy good food.

Dives, Pomeroy & Stewart ONLY SIX MORE SHOPPING DAYS!

The store was never better prepared to serve you than it is now, as the pendulum of Christmas shopping swings toward the eventful day.

Only six more shopping days remain, and with every pound of the store's energy brought into play we will be in splendid shape to serve the latest comers after gift things.

To further conserve the man-power that has been so heavily drawn upon, as service flags everywhere testify, it is found necessary to announce The Discontinuance of C. O. D. Sales Until Christmas.

You can perform an important part in obtaining better service by extending your co-operation in this step. Shop early—early in the morning if possible. Carry small packages whenever you can. Unprecedented tasks will be readily overcome if you will lend your help. All charge purchases until December 31st will appear on bills of February first. Beginning today the Grocery Department will be conducted on a strictly cash basis. The adoption of this policy will have a tendency toward greater savings to our Grocery patrons.

Allentown Plant Gets Liberty Truck Contract

Allentown, Pa., Dec. 14.—The latest war contract which has been let to an Allentown concern is that which has just been received from the Government by the Bethlehem Motors Corporation.

The contract calls for the delivery of more than \$2,000,000 worth of Class B three-ton Liberty trucks, during the first six months of next year, and in all probability the amount of the contract will be very materially increased shortly after production is actually started. Deliveries under this contract will in all probability start some time in January.
