Should men return to camp intoxicated they will be seized by the guard. Causes of drunkenness should be subjected to prompt disciplinary measures. Commanding officers at all places where troops are located will confer with the French authorities and use every endeavor to limit to the lowest possible the number of places where liquor is sold.

Soldiers are forbidden either

INDIVIDUALS Overland to Seaboard

built according to Quartermaster Department specifications. Among them were tank trucks, with gasoline and oil, and one kitchen truck, carrying the food supplies for the trip.

The Army men will be quartered in armories in the various cities along the route, which is generally is follows: Detroit to Toledo,C clevelond, Ravenna, Pittsburgh, over the Lincoln Highway to Philadelphia and thence to the seaboard.

nestling animals require the heatwood to the heating and power

of their parents. The cry of freez- plants of the institution. Therefore ing to death for want of fuel has to-day, those state institutions feel sone up and the responsibility been fairly comfortable as to the prospect

RESPONSIBLE

some up and the responsibility been put up to Government officials, railing the fuel situation and the individual responsibilities is maintaining the fuel situation and the necessity of economy in regard to a good and are discussed by Dr. Samuel G. Tolkion, State Commissioner of the Health, in a statement on "Heat and Health during the War," issued to a good the Health, in a statement on "Heat and lian takes people to take for wasterial and takes people to take for wasterial and takes people to take for wasterial to the see them through the white."

Health during the War," issued to be compared the responsibility in a crisis like the present and the health guardian state people to a foot appreciate their in through the white. The spensibility in a crisis like the present and the face and the heart question fooling up to fine and the call are state health, with the state of the
