A Doctor's Prescription For Indigestion

Usually Gives Instant Relief Physicians who have specialized in the treatment of stomach troubles are naturally in a position to judge intelligently as to the best thing to use. It is therefore a matter of vital interest to those who suffer from indigestion, gastritis, dyspepsia, pain after eating, heartburn, etc., to learn that physicians who have devoted their lives to the alleviation of human suffering are more and more instructing their sufferers to get a package of Bi-nesia from the drug-gist and take a teaspoonful in a little hot water immediately after eating or whenever pain is felt. Doctors who prescribe Bi-nesia, do so because they know it gives immediate relief in nearly every instance—because it is not a secret remedy, for the formula is printed on the label, and last but not least, because it is obtainable of all druggists and every package contains a binding guarantee of satisfaction or money back. In view of the quick and lasting relief obtained in nearly every instance, and the guarantee that in case it fails it costs you nothing, sufferers from dyspepsia, indigestion and stomach troubles generally are strongly advised to get a package of Bi-nesia from their nearest druggist and begin its use without delay. IMPORTANT—The Bi-nesia mentioned above is a harmless but wonderfully effective remedy which you can make at home or any druggist can prepare for you by mixing 1 1/2 ounce magnesium carbonate with 1 ounce magnesia carbonate. If, however, you wish a guarantee of satisfaction or money back, be sure to ask for an original package of Bi-nesia.

IF YOU SUFFERED FOR FIVE YEARS

of Rheumatism, Bad Stomach, Ringing in Ears

Mr. D. Dively, 1209 North Merion street, Harrisburg, I suffered for five years with rheumatism and stomach trouble. I would bloat, had pains in stomach, was nervous and noticed a ringing in my throat and head, a ringing in ears, things would not get dark. Was restless at night, slept little, and got up and drank hot water to settle my nerves. This helped at first but soon lost its effect. I took kinds of medicine but obtained no relief. I read the Sanpan testimonials and was impressed because they were all from Harrisburg, not some far off place. Now after taking this medicine my nerves are quiet, my stomach O.K. I sleep well, rheumatic pains and other troubles are gone. I wish you to publish this as it may be the means of helping some other sufferer. Sanpan is being especially introduced at Keller's Drug Store, 403 Market street, Harrisburg, where the Sanpan man is meeting people.—adv.
