Passes Physical Test For U. S. Aviation Corps

CLARENCE SANDERS Mr. and Mrs. Fred Sanders, 644 Muench street, have received word that their son, Clarence, has passed examinations for service in the Medical Corps at Columbus, Ohio.

Efficiency Expert Pays High Tribute to Gen. Pershing

General Pershing is the best trained and best equipped leader of the best trained and best equipped Army the United States ever saw. He is the first commander of an American Army to put war on a straight business footing that every businessman the world over is bound to respect.

If you had been present fifty million years or so back yonder, when the world was made, and if the fates had offered you a cosmic field glass, to look down the ages and across the map of the world, spying out the best time and place in which to be a soldier and do a soldier's work—you couldn't have settled the matter better than to choose this war to fight in, this country to fight for, this crusade to fight for, this man Pershing to fight with!

A stronger, better leader than Pershing would be hard to find. He resembles Kitchener in appearance, and even more in action. He is always on the go. He has the fire and dash that the world admires. The right qualities of leadership are that a man should be stern but not harsh, quick but not rash, keen but not headless, firm but not heavy, firm but not prejudiced, clean but not prudish, calm but not hard, shrewd but not selfish, brave but not heedless, kind but not soft.

We have marching orders for you—orders straight from Pershing. He has spoken to you thus: "I am sure you will be your lot, but trust in God will give you comfort. Temptation will befall you, but the teachings of our religion will give you strength. Let your valor as a soldier and your conduct as a man be an inspiration to your comrades and an honor to your country." Then Pershing set his jaw and made another remark, for you to heed, remember, and make good. "Germany can be beaten, Germany must be beaten, Germany will be beaten."

Follow these marching orders, and in years to come, when the peace of consecrated servers that you have brought the world this your own life with blessing and the hearts of your loved ones with a great joy and pride in the deeds you have wrought, you will be indelibly glad, through life and perhaps through eternity, because you were one of our boys—over there with Pershing.

HARRY LAUDER'S FAITH

World Famed Scottish Singer Could Not at First See Justice of Fate. When Harry Lauder's son was killed, he could not at first see the justice of it. It was for his boy that Harry Lauder had been working these long years. In an article which he has written for the January American Magazine he says: "And then one day, it suddenly came to me, as if in a revelation, that I had not made use of something in which I had always believed. At this time while I had been raging against the cruel fates which had taken my son, there had been comfort and peace in store for me, and I had not known it. And that comfort and peace lay in my belief in God, and a future life beyond this earthly sphere."

"While the pain and grief had been blinding my eyes, God had been waiting patiently for the first sharp agony to pass away, and when it did he gently lifted the veil from my eyes and showed me the promised land beyond. I mean that suddenly I realized that I had not seen the last of John, and that we were sure to meet in another world. "Oh, that I could convey unto you the healing balm that that thought was to my soul! I would that I could picture to you the joy of the thought that I was to see my John again at some future date, just as if he had simply gone on a long journey, and was waiting for his mother and me to come to him. And I brought his image before me, and imagined him holding out his arms to his mother and myself to fold us within his loving embrace, and in the joy created by that picture I was able to assuage some of my pain and distress, and return to an almost normal state of mind."

Congressman Kreider to Head Drive to Raise Funds For Lebanon Valley College

Congressman A. S. Kreider, with the assistance of two United Brethren presiding elders, Dr. S. C. Enck, of Philadelphia, and Dr. A. B. Statton, of Hagerstown, will be at the head of the big drive to raise \$350,000 for Lebanon Valley College, at Annville. These men were chosen and a set of plans outlined at a conference yesterday in the Sixth Street United Brethren Church.

The Allies, they said, must depend again upon the western hemisphere next year for their sugar supplies, as lack of shipping makes it impossible to obtain sugar from the east. Plans are for the Allies to go through the year on half normal consumption as they realize they have had supplies in the last few months only through the sacrifice of American people.
