REASONABLE CARE MUST BE SHOWN

Dr. Dixon Points Out Dangers of Medicines Not Properly Taken Care of in Home

The people of Pennsylvania are losing enough members of their families through the war to permit any loss through carelessness, declares Dr. Samuel G. Dixon, State Commissioner of Health. In a talk in which he urges people to take every precaution to prevent mistakes in the use of drugs in the household, Dr. Dixon pointed out to frequent mistakes which are made by people in their handling of medicines and cites how even doctors have been known to err in administering drugs.

ENOLA SUFFERS COAL FAMINE

Only Six Cars Delivered at Town During Month of December

Enola, Pa., Dec. 31.—With the temperature about zero, Enola is in the grip of a fuel famine, which has been threatening for several weeks. Samuel Mumper, coal dealer, declared today that he is doing everything in his power to relieve the situation, but that he is unable to have the coal shipped into the town. Through Mr. Mumper's yard the towns of Enola, West Fairview, Summerdale and Overview are supplied. In this territory hundreds of families are today without coal.

Developments are expected within the next twenty-four hours in Auditor General Charles A. Snyder's plan to audit the State insurance fund in the present and prospective. Whether the fund will be self sustaining at June 1, 1919. The auditor general has been making inquiries and says he has doubts whether the fund can be administered without creating a deficit. Snyder would not furnish his books to him in advice of the attorney general.

WAR WILL INFLUENCE N. Y. NEW YEAR'S CELEBRATION

New York, Dec. 31.—The New Year will be welcomed in New York City after the fashion of former years that has made the celebration an event of international interest, except that to-night the war promises to place a stamp of moderation on the observance of the celebration. Hotels and restaurants will entertain just as many guests as in times of peace but the menu cards in most instances will include nothing that does not bear the stamp of the food administrator's approval and the high prices prevailing for wines and the 1 o'clock closing order indicates that the New Year's toasts will be drunk in less generous proportions. Watch parties and entertainments for soldiers and sailors have been arranged in greater number than before. America entered the war.

MARCONI ENVOY TO U. S.

Rome, Dec. 29.—William Marconi, inventor of the wireless telegraph, has been named by the Italian Commissioner to the United States. Senator Marconi was a member of the Italian mission which visited the United States last spring. After his return he served on the staff of General Diaz, the Italian Commander-in-Chief, giving special attention to the wireless system at the front.

WEST SHORE TOWNS AGAIN SHORT OF COAL SUPPLY

New Cumberland and Enola Worst Off; Factories Using River and Bituminous Coal Have Sufficient Fuel For Month

With the intense coal weather comes the report from Robert L. Myers, West Shore coal administrator, that the towns of New Cumberland and Enola, Mr. Myers says, are in the worst shape. The supply of coal for use in the homes at New Cumberland, which, up to a short time ago was very good, has been used up during the cold snap. The dealer and without coal but are hopeful of receiving several shipments during the week. Mr. Myers reported that the industries at New Cumberland have enough coal on hand to keep them running full time for about thirty days. River and bituminous coals are used by the factories.

WILD GAME WAS ABUNDANT

Dr. Kalbfus Believes Deer Will Be Found to Be Plentiful

In spite of the fact that the heavy snows brought the hunting season to a close a few days ahead of the schedule, I believe that the kill of deer animals will run ahead of last year. The reports we had had have shown some fine bucks held low and the statements about bear and turkey are unusual number.
