BE A HERO THOUGH IT IS BELOW ZERO

Time Now to Make a Resolution That You Will Give Your Share For Smokes

Grew so cold the mercury froze. I had to think of Nero who burned up Rome to keep him warm.

Before it was near zero. At that, he made a lot of smoke. A lesson there for you, sir; Go buy some smokes for soldier boys and call yourself a hero.

Here is the chance for a New Year's resolution. Take a strangle hold on yourself and determine to do something for the soldier boys who smoke. You really ought to get the snow off your feet and join this cause.

Business and Clothes

You can think of many men whose very appearance commands respect.

Perhaps you wonder why. It is because they have studied the serious business of dressing well.

There is a silent force to good clothes well worth using.

To those men who would use this silent force we say—Wear custom made clothing.

Style and fit are dependent upon workmanship and materials.

To the wearer of good clothes we offer the best of workmanship and materials. With the resulting style and fit.
