

Coal Shortage Closes East End Mills of the Bethlehem Steel Co.

Owing to the coal shortage operation of the East End Mill of the Bethlehem Steel Company plant at Steelton has been curtailed. The mills were closed this morning until Monday. During the time the department is shut down, officials announced electrical repairs will be made. This is the first curtailment in operation caused by the fuel shortage. During the recent cold snap it was compulsory to close down several of the smaller departments for several hours at a time, but not any great extent. Officials of the plant said to-day that the fuel shortage is not serious at the present time but no telling when it will be.

Court Sits in Council Chamber When Heat Fails

The jury in the Hardscrabble appeal suit brought by A. P. Dintaman against the city, went out at noon. A verdict expected late this afternoon. It is understood also that before the jury is discharged there may be one or two cases settled and a verdict taken by agreement between representatives of the city and property owners. Because of the cold weather and a break in the heating apparatus at the courthouse it was necessary to hold court in the City Council chamber. Judge S. J. McCarrill presided. President Judge George Kunkel is confined to his home by a slight illness. One of the stipstaves in court to-day sitting near the radiator was overcome. He was revived however, and resumed his post later.

BEAUTIFUL HAIR THICK, WAVY, FREE FROM DANDRUFF

Draw a moist cloth through hair and double its beauty at once. Save your hair! Dandruff disappears and hair stops coming out.

Immediate?—Yes! Certain?—That's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after an application of Danderine. Also try—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is ragged, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff, cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. Danderine softens the hair which fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them, it exhilarates, stimulates and life-producing properties cause the hair to grow long, strong and beautiful. You can surely have pretty, charming, lustrous hair and lots of it, if you will spend a few cents for a bottle of Krownton's Danderine from any drug store or toilet counter and try it as directed.

BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur. Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. It is the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients at a small cost. Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dunk your hair in soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears and after another application or two, your hair becomes beautifully dark, glossy and attractive. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

Send for our AUTO CATALOG NO. 110 IT'S FREE and full of valuable information for the man who expects to buy a car and who really wants to save money. Get it. ROMAN AUTO CO. WORLD'S LARGEST AUTO DEALERS 263 N. Broad Street, Philadelphia

TRUCK LINE IS PLANNED HERE TO MOVE FREIGHT

Train Movement Today Is Hours Behind Regular Schedule Time

A regular motor truck route for the delivery of freight to points between Harrisburg, Philadelphia and New York, is the latest plan contemplated by the city, and to relieve the serious railroad freight congestion. A meeting of the receivers and shippers committee, and any other freight receivers and shippers in the three cities and intermediate towns, will be held in the Chamber of Commerce rooms, in the Dauphin Building, Monday evening. The feasibility of the plan suggested will be seriously considered at the meeting Monday night.

It is pointed out that such a line of motor trucks would be invaluable in expediting the delivery of middle-eight packages between these three large trade centers, and from them to the smaller towns between, and would relieve the overloaded freight facilities of the connecting railroads. The result of the meeting is expected to be a plan of the nature of the merchants and manufacturers of Harrisburg. Information on the availability of the project will be submitted to the businessmen present at the meeting Monday night.

Nothing New Found in Caillaux Case, Says Counsel For Defense

Paris, Tuesday, Jan. 3.—Former Premier Joseph Caillaux, who is accused of treasonable activities, was under examination for nearly five hours to-day by Captain Bouchardon, the military investigator. He was asked concerning facts set forth by General Dubail, his accuser. At the conclusion of the proceedings, Maitre Demange, of M. Caillaux's counsel, gave out a statement to the effect that Captain Bouchardon had produced nothing new and that the case was advanced no further than when it was discussed in the Chamber of Deputies recently. The former premier will be interrogated again shortly.

Gov't Negotiations For Big Operations Here Not Complete

For the past month the Harrisburg Telegraph has had confidential information that the United States government is contemplating extensive military developments in the vicinity of Harrisburg. These negotiations are still pending. There is no absolute assurance that they will get beyond the blue-print stage, although the prospects are that they will mature. At the request of those in charge this newspaper withholds all such information until official permission is given for publication.

Language Is Only Warm Thing at This Fire

First the pipes froze in the kitchen of George Eayne, 1921 Walnut street, then the plumbers froze so stiff that their heating apparatus set fire to the weather boarding. When the Kelly Hose Company arrived to put out the fire their chemicals froze, and when the firemen rushed for water they found that frozen. However, they managed to extinguish the blaze with a loss of \$100.

400 Officers of Greek Army Are Dismissed

Athens, Jan. 4.—More than 400 officers of the Greek army who had rejected the overtures made to them by the present regime and continued to proclaim their conviction in the ultimate victory of Germany and the reinstatement of Constantine as king, have been dismissed from the service and removed from Athens.

HOGSTOWN SCHOOL AFTRE An Improperly Protected Buffalo

freely of air heater passing through the ceiling of the school building at Hogstown was the cause of a fire that broke out this morning. The aid of F. L. Stokes, state fire marshal, and state highway quartermen, the fire was quickly extinguished before it reached any more than the floors. The damage is estimated at \$200. Citizens of Hogstown and Prof. Heston, principal, gave aid in fighting the blaze.

SECRET TOLD BY NOVEL TELEGRAM

Pleasant Method Used to Announce Engagement of Officer and Nurse

Gettysburg, Pa., Jan. 4.—A tell-tale telegram gave away the secret of the engagement of Dr. Maurice S. Weaver, son of Mr. and Mrs. H. T. Weaver, of Gettysburg, and Miss Mabel Gessford, of Washington, Pa. Dr. Weaver is now in Ambulance Unit No. 29, stationed at Fort Logan, Houston, Texas, and for two years before enlisting was resident physician at the Allegheny General Hospital, where Miss Gessford was one of the nurses. Lieutenant Weaver is spending the holidays at his home here and during this time the bride-to-be is visiting at the Weaver home. On New Year's evening a party of friends were having a jolly time at the Weaver home to meet the young woman, and while they were enjoying themselves the following telegram was received from the bride: "I only knew that you people have of them is what a message comes telling of deaths of loved ones at the front, and the great shortage of food supplies and other necessities. Prussianism is in control of our land. The Kaiser's word is law and the people of the country bow to all his will. Military movements and other details bearing upon the war are guarded most closely."

Changes Take Place at Perry County Courthouse

New Bloomfield, Pa., Jan. 4.—In the register and recorder's office W. F. Swartz succeeds the late Charles E. Hersh and Mrs. Mary Barnett succeeds W. P. Swartz as chief deputy. H. W. Robinson remains in the office of prothonotary; ex-Associate Judge David J. Kell succeeds William D. Ard as deputy sheriff; George E. Boyer will succeed William S. Bernheisel as associate judge.

SIX ENLIST IN NAVY

Lewistown, Pa., Jan. 4.—Six young men of Millin county yesterday left for the naval station at Philadelphia. The youths enlisted for years in the United States Navy. The recruits are: Walter Raymond Barnes, of Redsville; Ralph Hasell Gibboney, of Redsville; Elmer L. Alexander, of Clarence Bigelow, of Clarence; Raymond Zook and Brown Carson, of Bellefonte.

THE WEATHER

For Harrisburg and vicinity: Fair and continued cold to-night, with a slight temperature about zero; Saturday partly cloudy and not so cold. For Eastern Pennsylvania: Fair, continued cold to-night; Saturday partly cloudy and not so cold; moderate north to east wind. River The Susquehanna river and all its branches will continue frozen and nearly stationary.

Oh! the Charm of Beauty

Let Stuart's Calcium Wafers Restore the Color to Your Cheeks and Remove the Cause of Pimples, Backheads, Etc. Every one envies a beautiful skin, just every one envies a healthy person. Unsightly faces filled with pimples, discolorations, blackheads, and other blemishes are due to impurities in the blood. Cleanse the blood and the facial blemishes disappear.

GIRLS RETURN FROM GERMANY

Daughters of Judge Herring, of Sunbury, Have Been There Four Years

Sunbury, Pa., Jan. 4.—Miss Laura Herring and Miss Mildred Herring, daughters of former Judge Grant Herring, returned to Sunbury to-day, after four years spent in Germany. They were studying here when the war broke out in 1914 and a year ago, when it was apparent that the United States might become embroiled in the struggle, they began preparations to return to their native land. However, they were delayed at every turn by the German officials, and it was only after undergoing many inconveniences and not enjoying any real life that they got out of Kaiserland and home by way of Sweden and England.

WEST SHORE IN NEED OF FUEL

No Coal Has Arrived Recently at Lemoyne, Camp Hill or New Cumberland

The intense cold weather has worked hardships on West Shore residents, whose coal supplies have been exhausted. No relief in the situation is promised in Lemoyne, New Cumberland and Camp Hill, according to a report of the West Shore coal administrator. Unless shipments arrive this week the situation will become acute, as many consumers are without fuel. No coal has arrived in Lemoyne, New Cumberland and Camp Hill, it is reported. Wormleysburg is supplied by dealers in Lemoyne and is also badly in need of fuel. Dealers advise the borrowing and lending method for those who are without any coal. Residents who have a large supply on hand should lend to those who are not so fortunate in the advice of the dealers and coal administrator. Churches and school buildings at the present time are in good shape. By holding weekly meetings in the homes of members in several of the churches the reserve supply has been saved to some extent. Camp Hill schools are in the worst shape, having but a small supply. Officials of the United Electric Company said to-day that the supply of coal at the plant in Lemoyne, although not large, was sufficient to keep the plant in operation for some time. River coal is used here.

Recent Wedding Ceremonies In Northumberland County

Sunbury, Pa., Jan. 4.—Miss Mary Schrader, Sunbury, and Earl S. Houser, a star athlete on the Camp Meade football team were married here on Christmas night. It was announced today. The Rev. Charles E. Roth, of the First Reformed Church, officiated. Miss Mary Kunkle and Harry D. Gass, both of Sunbury, were married at the home of the bride's sister, Mrs. H. M. Hummel, here yesterday. They left on an Eastern honeymoon trip.

Lawyers Want Pay For Assistance to Draft Men

Sunbury, Pa., Jan. 4.—Sunbury lawyers declare that they ought to be paid for the assistance they give most subject to draft in filling out their questionnaires. For more than a week a dozen or more lawyers, together with thirty-five clerks supplied from county, railroad and industrial offices free of charge, have been at work on the questionnaires. The lawyers assert that they should have at least \$1 for each questionnaire they fill out. They explain that they are just as patriotic as the draft boards, who are paid for their work.

WEST SHORE IN NEED OF FUEL

No Coal Has Arrived Recently at Lemoyne, Camp Hill or New Cumberland

The intense cold weather has worked hardships on West Shore residents, whose coal supplies have been exhausted. No relief in the situation is promised in Lemoyne, New Cumberland and Camp Hill, according to a report of the West Shore coal administrator. Unless shipments arrive this week the situation will become acute, as many consumers are without fuel.

Standard Medicines

- 50c Alkalol ... 34c
