

Governor Brumbaugh says:

"The Knights of Columbus halls were well planned and well equipped. The men found in them welcome and beneficence. I count it a sacred privilege, as well as a patriotic duty, to help support this great service to our men and our country."

Our great President has said:

"A supreme moment of history has come. The hand of God is laid upon the nations. He will show them favor, I devoutly believe, only if they rise to the clear heights of His own justice and mercy."

WE are at war for democracy and humanity. It is an All-American war and demands an All-American unity.

The morale of ALL our soldiers and sailors is strengthened by the knowledge that ALL at home are helping ALL at the front.

The soldier cannot stop after his first, second, or third fight. We at home cannot stop giving with our first few contributions. Our soldiers must continue to fight—we must continue to give.

Nearly 40 percent of our soldiers and sailors are Catholics—three times the quota according to population.

The Knights of Columbus in our war camps are working shoulder to shoulder with the Y.M.C.A. Both have more than they can do.

"EVERYBODY WELCOME" cheerily blazons forth from the seventy-three war camp recreation buildings already being operated by the Knights of Columbus.

More are needed over here and "over there" with Pershing. \$3,000,000 must be raised at once.

Every soldier or sailor, regardless of his religious leanings, finds here a home and club where he may rest, read, converse and enjoy himself as he desires.

Let no one fail in his or her duty. Make up your mind today and say "I Will" subscribe to the War Camp Fund of the Knights of Columbus. A dollar bill—if that is all you can afford—is just as welcome as a \$100,000 check. Sign the "I Will" coupon.
