CENTRAL PENNSYLVANIA AND TIMELY NEWS OF CITY'S SUBURBS

WATER RUNS OUT | CUMBERLAND VALLEY | RED CROSS GIVEN

Breaks in Side of Big Dam

the main dam at Lake Royer, near Pen-Mar park resort, during the past month, that body of water has almost run out and down the mountainside, leaving an immense gap in the earth. The lake formerly gave pleasure to many persons in the way of swimming and boating in the summer, when it was in charge of William Watson, of Baltimore, and skating was enjoyed in the winter. The lake will be missed in the summer months. During the early part of the winter the water was too deep to freeze and consequently no tee crop has been harvested, as was done in previous years. It is stated, upon authority, that the damage to the dam, which caused the water to leak out, will never be repaired.

Whilst this is true as to the conditions on the lower lake, the upper lake is intact and is covered with a layer of ice from fourteen to sixteen inches thick, the heaviest that has been on the lake in years.

EVANGELISTIC SERVICES

Eliverpool, Jan. 9.—Interest is being manifested in the union evangelistic services which began this week in the Lutheran Church here. A union chorus choir of fifty voices, with the Rev. Percy Boushey, pastor of the Methodist Church, will have charge of the music. Cottage prayer-meetings and special men's meetings will be held in connection with the services.

SCHEDULE OF SERVICES

Mechanicsburg, Pa., Jan. 9.—At the union week of prayer services held in the Presbyterian Church the sermon was delivered by the Rev. John S. Adam, pastor of St. Phui's Reformed Church, last evening. The following schedule will be observed for the remainder of the week: This evening, the Rev. J. Ellis Bell, pastor of the Methodist Episcopal Church; Thursday evening, the Rev. D. L. Kepner, pastor of the Grace United Evangelical Church; Friday evening, the Rev. E. C. B. Castle, pastor of the First United Brethren Church. Next week services will be continued in several of the churches of an evangelistic nature.

TROUBLE AND DON'T KNOW IT

Are You Fit To Do Your Bit?

We can't all go to the trenches, but these are times that call men and women to "the firing line" in all departments of industry. Are you fit to do your bit?

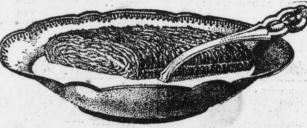

Strength for the day's work calls for food that supplies tissue-building material in a digestible form.

The whole wheat grain contains all the elements needed to furnish energy for the day's work. But be sure to eat the whole wheat. Don't waste any of it.

Shredded Wheat **Biscuit**

is the whole wheat grain made digestible by boiling in steam; it is then shredded and then baked crisp and brown in coal ovens. It is 100 per cent. whole wheat, nothing wasted, nothing thrown away. Two or three of these crisp little loaves of baked whole wheat with milk and a little fruit make a complete, nourishing, satisfying meal at a cost of a few pennies.

> To get the full, nutty flavor of the baked wheat pour hot milk over the Biscuits and salt to suit the taste. This makes a delicious, hot, nourishing dish for a cold day.
