BRITISH OFFICER DESCRIBES WAR

Lieutenant McQuarrie and Senator Tustin Speakers at Public Safety Meeting

Carlisle, Pa., Jan. 18.—Describing vividly conditions of actual war and scoring the German atrocities, Lieutenant Hector McQuarrie, of the British army, on a speaking tour for the State Safety Committee, addressed a big audience in the courthouse here last evening. S. M. Goodyear, chairman of the county committee, presided. Senator Tustin outlined the plan to spread patriotic enthusiasm by the explaining of the war needs. The last Sunday of this month is asked to be set aside specially for patriotic observance and addresses, he said.

Lieutenant McQuarrie wore his uniform of the Royal Field Artillery. He was the victim of a gas attack which he pictured as the most horrid of the Teuton war methods. In conclusion he said: "Conditions in the British empire were awful at the outbreak of war. We lost millions of men through unpreparedness. If we want to win we must get together with one purpose. Keep our eyes fixed on the victory. I believe it is going to be good for us and good for you."

To Prevent Old Age Coming too Soon!

Toxic poisons in the blood are thrown out by the kidneys. The kidneys act as filters for such products. If we wish to prevent old age coming too soon and increase our chances for a long life, we should drink plenty of pure water and take a little Anuric," says the world-famed Dr. Pierce of Buffalo, N. Y.

When suffering from backache, frequent or scanty urine, rheumatic pains here or there, or that constant tired, worn-out feeling, the simple way to overcome these disorders is merely to obtain a little Anuric (double strength) from your nearest druggist and you will quickly notice the grand results. You will find it many times more potent than lithia, since it is a specific uric acid almost as hot water does sugar.

Tamanend, Pa.—"I am pleased to recommend Dr. Pierce's Anuric Tablets because of the benefit I received from their use. They have cured me and made a better man of me. Was working for the I. V. R. R. at carpentering and was obliged to leave work and go home because of pain, but Anuric has cured that ailment entirely. I am in good health, which the photograph proves."—Edward H. Banks, Tamanend, Pa.

Stewartstown, Pa.—"I took Anuric Tablets and find them very good to neutralize the acid in the system. I have received much benefit and comfort from their use than anything I have ever taken. I have been suffering for years from uric acid troubles and really believe Dr. Pierce's Anuric is a specific for such troubles."—Mrs. M. E. West.

NOT A PARTICLE OF DANDRUFF OR A FALLING HAIR

Save your hair! Double its beauty in just a few moments.

"Danderine" makes your hair thick, glossy, wavy and beautiful.

Within ten minutes after an application of Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks, when you see new hair, fine and downy at first—yes, but really new hair—growing all over the scalp.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a small bottle of Knowlton's Danderine from any drug store or toilet counter. For a few cents, and presto! your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.
