## RESIDENTS MUST SAVE WATER

Borough Officials Request Use of the Least Possible Amount

The assistance of every Steelton resident is essential if this borough is to give much water to Harrisburg during the next few days, borough officials declare this morning. A notice has been issued to the residents of the borough requesting them to use no more water than is absolutely necessary.

Members of the borough water board by the request of President T. J. Nelly of Council issued the following statement at noon to-day: "Owing to the water scarcity in Harrisburg, it has been decided to connect the Steelton main to Harrisburg and supply one-half million gallons per day if possible. During this period it is absolutely necessary that all water consumers must use the least possible amount of water to avoid an empty reservoir in Steelton. This will only be for a few days and the water commissioners and council hope that the residents of Steelton will assist as much as possible."

## HOW I TOOK MY WRINKLES OUT

London Society Lady Tells How She Removed Her Wrinkles After Massage and Beauty Doctors Had Failed

Trouble, worry and ill health brought me deep lines and wrinkles. Realizing that they marred my appearance and made me look much older, I bought various brands of cold creams, lotions, etc., and was even treated by an expensive Beauty Specialist; yet my wrinkles simply would not go. One day a friend, who had not traveled extensively in my wrinkles, told me of an old French Beauty secret, which I tried with most astonishing results. In a few days my wrinkles were entirely gone. I have explained the method, which is so simple, to my many friends who have used it with the same astonishing results. It consists of laying the hand on the face each night for about one minute and then, when the cloth is removed, a little amount of cream should be applied over the entire face and neck. After about two minutes, if there is any cream that has not been absorbed by the skin, remove the same by wiping lightly with a soft, dry cloth. Not more than five minutes is required for the whole operation and any woman with wrinkles can easily make herself look from ten to twenty years younger. It is also a fine treatment for the complexion, as it nourishes propitiously and will keep the skin fair, pink and velvety-smooth in appearance. Am-o-nize Cocoa Cream, a little, is added to apply and as it is quickly absorbed by the skin it may even be used in the day time without annoyance or the knowledge of anyone. Any druggist can supply you, and for removing wrinkles or for softening the skin there is nothing better.—Advertisement.

## BEGIN ON SALTS AT FIRST SIGN OF KIDNEY PAIN

We eat too much meat, which clogs kidneys, then the back hurts.

Says glass of Salts flushes Kidneys and ends Bladder Irritation.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush of the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from back-ache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it is no longer a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, makes a pleasant, effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they have had Jad Salts to folks who believe in overcoming kidney trouble while it is only a trouble.

## Says His Prescription Has Powerful Influence Over Rheumatism

Discoverer Tells Geo. A. Gorgas Not to Take a Cent of Anyone's Money Unless All Rheumatic Pains and Twinges.

Mr. James H. Allen suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work. He finally decided, after years of ceaseless study, that he would free himself from rheumatism until the accumulated impurities, commonly caused by uric acid deposits, were eliminated from the joints, muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

## Families Urged to Take Out Insurance For Men

Every effort is being made by the Steelton Red Cross Chapter to have families of enlisted men to take out insurances for them. A committee has charge of the publicity work and to-day, issuing the following statement: "The Home Service section of Steelton Chapter American Red Cross uses every effort to be made by families of enlisted men to induce them to take advantage of the excellent low insurance offered by the government. February 12 is the last day on which the insurance can be taken out by the men who were in the service October 16, 1917, when it passed.

"The Home Service section is ready and willing at any time to give any information wanted on the insurance allotments and governmental allowances. The office hours are 1.30 to 3.30 each Monday, Wednesday and Friday."

## Dog Law Will Be Rigidly Enforced in Steelton

The law compelling all residents to have licenses for dogs will be rigidly enforced, it was learned this morning. The law has only been in effect a short time and it was impossible for police to get around in all sections of the town to see that it is being obeyed.

Stanley Bolton, son of George S. Bolton of the Steelton Trust Company, was bitten by a dog owned by a resident of Swatara street yesterday. The boy sustained severe lacerations of both arms in the attack by the dog. All dogs running about the borough without license tags will be taken care of by the police, it is reported.

## Steelton Without Coal and No Promise of Any

Steelton to-day was without coal and all dealers declared that they did not have any promises of receiving any. The situation becomes more acute with these reports as many residents are running out of the reserve supply they have accumulated during the recent shipment. W. E. Abercrombie, manager of the Steelton Store Company said that the situation was no better to-day and that he did not have any idea when shipments of fuel would arrive.

## MIDDLETOWN BOROUGH HAS 2 SMALLPOX CASES

Both Victims Live on Lawrence Street; Other Middletown News

Daniel Myers, colored, is the second victim of smallpox. He had been ill for the past week, and Dr. Bowser was summoned on Tuesday. Accompanied by Dr. H. H. Rhodes, the board of health physician, an examination disclosed a well-developed case of smallpox.

Myers resides in Lawrence street with his brother and family. The premises were placed under absolute quarantine by the board of health and none of them will be allowed to go out. The schoolrooms in the Wood and Ann streets school building were ordered closed, where two of the children attended sessions. All of the rooms were fumigated by the school authorities and were opened up to-day. This is the second case in Lawrence street, as Boyd Davis, who's home is also under quarantine, is about a square away.

The prayer meeting services of the Presbyterian Church was held at the parsonage in West Main street, last evening. The St. Peter's Lutheran Church held their prayer meeting services in the Parish House, last evening. The prayer meeting services of the E. Church was held at the home of Mrs. Cecelia Rogers and at the parsonage last evening. All due to the saving of the fuel by the different churches.

Jerome Bones, colored, was placed in the Harrisburg jail by Special Policeman John Noon, of town, charged with being one of the party who held up several persons sometime during the past week and was arrested by Constable Christ Hoover, of Royalton, charged with being implicated in holding up John Shafer, and taking \$34. He was discharged on lack of evidence. He will be given hearing before Justice J. Kenard, Catherline street, this evening.

Fully two hundred persons from town have been made aware by word that they gathered at the aviation grounds. They were allowed to go there and pick out lumber that was used when the buildings were put up. Teams hauled the fuel to their homes. Several large truck loads were hauled to persons who were badly in need of wood by the large trucks of the aviation plant. Several trucks were allowed to take more than one load.

Three cars were wrecked at the Harrisburg station, the Pennsylvania Railroad Company at Royalton, yesterday morning. One of them was a boxcar which was thrown clear over its side, delaying traffic for several hours. The Harrisburg wreck crew was called and cleaned up the wreckage.

The local shoe factories will make up the time they lost during the five days that they were closed down. Instead of starting work at 7 o'clock in the morning, they will start at 8 a. m. and on Saturdays will run the mill day. The women will only be allowed to make their usual time.

## Well-Known Lodge Man Praises Tanlac

Used to Just Drag Himself to and From His Work

TANLAC FIXED HIM UP Harry F. Minahan, of 2144 Greenwood St., Harrisburg, Pa., prominent in the Knights of Malta, and inside Sentinel of Order Woodmen of the World highly recommends the medicine to his lodge brothers and to all who are run down. He says: "I was miserable. I felt all tired out and run down so that I could hardly drag myself to work and the days seemed as if they would never come to an end. "But as soon as I began taking Tanlac I began to spruce up. I got to feeling better and better and now I am full of pep, I eat hearty and enjoy every bit and I am glad to be alive. I'm as different to what I was a little while ago as day is from night and I can truthfully say that this great change was brought about by Tanlac. That's why I urge everybody to take it."

## Hoarding of Hides Is Charged Against Packers

Washington, Jan. 24.—Hoarding of hides by meat packers, while shoe and excessive profits to the packers, who virtually control the hide market, are charged in a report by the Federal Trade Commission submitted to-day to Congress.

The commission points out that slaughtering of cattle and calves in the United States increased during the last five years by 5,100,000 head, or virtually 30 per cent. "In such a record of food animals caught not at the same time to mean that the country should be forced to pay abnormally high prices for leather products made from the correspondingly increased take-off of hides," the report declared.
