Warner's Safe Pills have been the ideal Family Laxative for 40 years—a guarantee of reliability. Gentle in action, they are entirely free from injurious drugs, and are intended especially for constipation, biliousness, indigestion, torpid liver or inactivity of the bowels.

WARNING TO GAS CONSUMERS!

AS CONSUMERS are warned that we may be unable, temporarily, fully to meet the great increase in the demand for gas, due to cold weather and shortage of the domestic coal supply.

There is danger of some burners going out when the gas demand is heaviest, and gas coming on again later.

Be sure that all burners not in use ARE SHUT OFF.

Do not go to sleep with any gas burning. If any burner will not light, be sure to close the gas cock before you leave it.

Do not keep a burner lighted, unless some one is in the room.

If you smell gas, examine and shut off all burner cocks. Do not under any circumstances search for a gas leak with a candle or match.
