## COUNTY SCHOOLS **URGED TO BACK** NATION IN WAR

Pupils to Buy Thrift Stamps and Join Junior Red Cross

Urging the purchase of War Savings Stamps, enrollment of pupils in the Junior Red Cross, and observance of a week of patriotism and song beginning on Washington's birthday, February 22, are the features of a letter sent to all county teachers by Professor F. E. Shambaugh, superintendent of county schools.

Attention is directed also to food conservation talks and the observance of "tag-your-shovel-day" which is being observed to-day throughout the city and county. The value of the Thrift Stamps is pointed out to the teachers who are requested to conduct campaigns in the schools, telling the purpose of the move to the children and impressing upon them the importance of saving pennies, nickels and dimes to be invested in the stamps.

A feature of the Junior Red Cross movement will be a roll of honor to
