

Test Will Come in the House on Dictatorial Control of Nation's Food

Washington, Jan. 29.—There is going to be a showdown in the House on the granting of further unlimited powers to the President. The matter was brought squarely to a head in an exchange of views between Herbert C. Hoover, food administrator, and Representative Sydney Anderson, Republican, of Minneapolis, authority in the House on food conservation legislation.

Further food conservation legislation shall be specific rather than general. Mr. Hoover in turn has insisted that general powers shall be assigned to the President, to be delegated to Mr. Hoover for the production, distribution and restriction of rationing a public eating places.

If your skin itches and burns, just use Resinol

If you are suffering from eczema, ringworm or similar itching, burning, unsightly skin affection, bathe the sore places with Resinol Soap and hot water, then gently apply a little Resinol Ointment. You will probably be astonished how instantly the itching stops and healing begins. In most cases the itching skin quickly becomes clear and healthy again, at very little cost.

New U-Boat Decree Handed to Lansing

Washington, Jan. 29.—The first definite information as to the scope of the German government's extension of the submarine blockade was made known late yesterday afternoon when Secretary Lansing gave for publication the text of the decree extending submarine operations to Azores and Cape Verde islands.

The decree bears date of January 25, 1918, and is described as a supplementary decree to the decree of January 21, 1917. It establishes two very large barrier areas in the North Atlantic Ocean. One is around the Cape Verde Islands off the Senegalese coast of Africa. The other extends from the Madeira and Azores Islands and includes both these groups.

NO QUININE IN THIS GOLD CURE

"Pape's Cold Compound" ends colds and grippe in a few hours. Take "Pape's Cold Compound" every two hours until you have taken three doses, then all grippe misery goes and your cold will be broken. It promptly opens your clogged-up nostrils and air passages of the head; stops mucus discharge or nose running; relieves the headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

OH! THAT AWFUL BACKACHE IT'S YOUR KIDNEYS

An unhealthy body, and the usual follow-up, is backache. It may be prevented by ordinary judgment and care. Keep your stomach healthy in shape and you will have good health. The kidneys' work is to throw off the poisonous matters which enter the body. If they perform this work regularly and automatically the other organs will take care of themselves.

You Look As YOU FEEL

You know well enough when your liver is loafing. CONSTIPATION is the first warning; then you begin to "feel mean all over." Your skin soon gets the bad news, it grows dull, yellow, muddy and unsightly.

READING HAS NEW SUPERINTENDENT

Isaac T. Tyson Succeeds W. F. Eckert on Reading Division; Change Places

Effective at midnight last night Isaac T. Tyson became superintendent of the Reading division of the Philadelphia and Reading. He was formerly superintendent of the Reading and Columbia divisions, succeeding W. F. Eckert, who takes Mr. Tyson's place, exchanging positions.

Railroad Employees Plan Big Time in Honor of Popular P. R. R. Official

Philadelphia, Jan. 30.—Railroads of Pennsylvania emerged today from the deep caused by Sunday night's heavy snowstorm. Freight movement from Pittsburgh east is in operation with short trains and bituminous coal moved eastward.

The Pennsylvania railroad officials said 25,000 men were kept busy all day clearing tracks and sidings east of Pittsburgh and between here and Washington. There were 12,000 at work on the main line to Pittsburgh alone. One track on the crest of the Alleghenies where snow drifts were 18 feet deep, is still closed.

Conditions on Reading Are More Encouraging Today

Reading, Pa., Jan. 30.—Conditions on the Reading railway are very much improved today and traffic is moving with greater regularity. Slightly more than 700 cars of anthracite, half of the normal output, were moved out of the St. Clair and Cresona yards last night and the prospects are that this number will be considerably increased.

Dispatchers and Agents Request Wage Increase

Washington, Jan. 30.—Train dispatchers at various stations agents have presented their requests for higher wages to the railroad wage commission. G. R. Sandlin, appearing especially in behalf of train dispatchers employed by the Southern Railway, asked that chief dispatchers' pay be raised to \$235 a month, with \$225 for assistants and \$200 for other dispatchers, representing an average increase of about 40 per cent.

Deaths and Funerals

JERRY FLEISHER, 90, died at the home of his son, J. Fleisher, 1517 State street this morning. He is survived by two sons. Funeral services will be held Friday night at 7:30 from the residence of his son, M. G. Cookin, 2224 Green street, for further services and burial, Saturday.

WITNESSES TESTIFIED

Charles Kyler, colored, was held responsible for the murder of Walter K. Shaeffer by the coroner's jury after the inquest last night at the office of District Attorney M. E. Stroup. Witnesses testified that Shaeffer had attended a meeting of railroad men at a late hour. While waiting for a car he had entered the hotel at Capital and Verbeke streets. During the time he was there Kyler was thrown out by the bartender. Later Shaeffer left and Kyler, waiting outside, stabbed him, witnesses said. Kyler will be given a hearing later in the week.

TRY TO CLEAN WILLOWOOD

Park department officials today had forces of men making "trenches" on Willowood lake and at Paxtang. Because of the frequent snowstorms the last few weeks the plows have turned up snow along the lanes and with the amount being removed today the space for skating is bordered by high piles.

Bad Weather Does Not Hold Up Union Revival

The unusually severe weather has not very little effect upon the attendance and none whatever upon the enthusiasm of the union evangelists at the revival now being held at the St. Paul Baptist Church, State and Cameron streets. The Rev. W. E. Jones and the Rev. A. J. Greene, delivered powerful messages Sunday afternoon, Monday evening and last night. To-night the Rev. Walker Toliver will bring the message; Thursday evening the Rev. Warner Brown, of Steelton; Friday evening the Rev. J. T. Daniels, of Middletown, and on Sunday morning at the closing Pentecostal service the Rev. Dr. W. A. Ray.

MINISTERS TO MEET

A special meeting of the Harrisburg Ministerial Association will be held at the Y. M. C. A. building, Second and Locust streets, to-morrow afternoon, at 2 o'clock, when plans for the celebration of "Father and Son Week," February 11-17, will be discussed. Dr. Lewis Mumford, president of the association, has appointed a committee, composed of the Revs. S. W. Herman, Harvey Kiser and A. S. Williams, to work in co-operation with the Y. M. C. A. in sponsoring the movement.

CRUSHED BY ENGINE

J. Paul Charles, 1247 Mulberry street, an airbrake repairman at roundhouse No. 1 of the Pennsylvania Railroad, is suffering from serious injuries in the Harrisburg Hospital as the result of an accident at the roundhouse while he was working on an engine last night. He was working on the front of the engine when someone started it to move on at 6 o'clock, when plans for the celebration of "Father and Son Week," were being discussed. He was crushed between the engine and a pillar. His collarbone is fractured, and it is thought his pelvis is fractured.

HALF OF MEN PHYSICALLY FIT

General military service, 12; limited service, 11; rejected, 2. There is little reason to suppose that these medical decisions will be changed by the advisory board, although men of the first class have the right to appeal for a new examination. Men of the two lower classes are compelled to be re-examined by surgeons of the advisory board. Furthermore the examinations were made so minutely that it is hardly likely any men of the first class will be reversed when they come before the army surgeons at camp.

The United States government specifications for physical fitness for the second draft are so stringent that it is practically impossible for any but a perfect system of manhood to be put through. A "sound understanding" is required and while a candidate may be physically perfect if he is a little under weight it disqualifies him. At the present rate only about 250 men will be left for active service in the third district not counting pending appeals.

Malingers have a sorry time evading this strict observation. A man may plead poor hearing or sight but the merciless scientific machines tell the truth. The so-called "limited class" is broad gauge, due to recent government laws, and almost every man earning a living is considered fit for some service or other. The next stage of registration will be examined at board No. 3, on Monday, of next week.

Dauphin County School Directors to Convene

The annual meeting of the school directors of Dauphin county will be held February 15 and 16 at Millersburg. Speakers will be Dr. C. G. Ellis, Juniata College, and County Superintendent Albert S. Cook, of Baltimore county, Md.

The sessions will open Friday afternoon with a discussion which will be followed by an informal conference of secretaries and superintendents. In the evening the program will include addresses by A. E. Shenk, president of the directors' association; Dr. Ellis and Superintendent Cook. Music will be furnished by the High school orchestra and chorus.

Churches Will Combat German Propaganda

Atlantic City, N. J., Jan. 30.—An aggressive campaign to place the churches directly behind the government in the "battle for humanity" was mapped out here yesterday by the executive committee of the Federal Council of the Churches of Christ in America. German propaganda will be combated through the medium of sermons through the pulpit and the women of the church will be called upon to take a more active interest in the social welfare of the soldiers.

EAT What You Like

Use Stuart's Dyspepsia Tablets to Help Your Stomach and Do Not Worry. "Believe Me, I Enjoy My Meals to the Limit. No Fear of Consequences. Either, While I Have Stuart's Dyspepsia Tablets to Fall Back Upon."

Dyspepsia, indigestion, weak stomach and similar names simply mean that the supply of digestive juices is inadequate. That is where Stuart's Dyspepsia Tablets come in—by supplying this deficiency. If you will eat a Stuart's Dyspepsia Tablet after each meal and one just before you go to bed, you will learn that there is no harm in your meals.

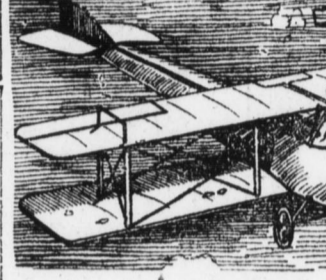

The reason is clearly plain. Your system lacks the proper digestive juices to make your meals easily digested. Stuart's Dyspepsia Tablets give the stomach and other organs of the digestive apparatus the wherewithal to digest food. Get a 50c box from any druggist and try them.—Advertisement.

WESTMINSTER SUNDAY SCHOOL ORCHESTRA TO GIVE CONCERT

The Westminster Sunday School orchestra of thirty pieces will give a fine entertainment at 8 o'clock on Thursday night in the Fourth Street Church of Christ to help this institution raise \$1,000 for an Easter offering to apply on the church debt. There is to be no admission, but a freewill offering will be taken.

A FIGHT FOR LIFE

It's a life and death struggle for many of our boys at the front. It has been fight or die for many of us at home in the past and the lucky persons are those who have suffered, but who are now well because they heeded nature's warning signal in time to correct their trouble with that wonderful new discovery of Dr. Pierce's, called "An-uric." You should promptly heed these warnings, some of which are dizzy spells, backache, irregularity of the urine or the painful twinges of rheumatism, sciatica or lumbago. To delay may make possible the dangerous forms of kidney disease, such as diabetes or stone in bladder.

To overcome these distressing conditions take plenty of exercise in the open air, avoid a heavy meat diet, drink freely of water and at each meal take Anuric (double strength). You will in a short time find that you are one of the firm indorsers of Anuric. Send 10c to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial package. TAMANEND, PA.—"I am pleased to recommend Dr. Pierce's Anuric Tablets because of the benefit I received from their use. I was working for the L. V. R. R. at carpentering and was obliged to leave work and go home because of pain, but 'Anuric' has cured that ailment entirely. I am in good health, which the photograph proves."—Edward H. Banks. STEWARDSTOWN, PA.—"I took Anuric Tablets and I have received more real benefit and comfort from their use than anything I have ever taken. I have been suffering for years from uric acid troubles and believe Anuric is a specific for such troubles."—Mrs. M. E. West.

For Indigestion Try Bi-nesia

Many people just now are complaining of indigestion, the most commonly met symptoms being a burning sensation in the pit of the stomach; the belching of gas or wind; acid saliva rising to the throat; flushed face and heartburn. Contrary to general belief these symptoms do not always indicate any constitutional fault in or weakness of the digestive apparatus. In fact, in nine cases out of ten it will be found that the trouble arises solely from an excessively acid condition of the stomach and consequent fermentation of the food contents. Medicines and artificial digestives are not only unsuitable in such cases but they may do positive harm because they do not neutralize the acid which is the root of the trouble. For this purpose the best thing to use is a simple, harmless neutralizer, such as the pure Bi-nesia now so easily obtainable of any good druggist. Readers who are troubled with any of the symptoms named above should get a supply of Bi-nesia and take a teaspoonful in a little hot water after meals. It will instantly neutralize the harmful acid and prevent food fermentation and may probably also get so serious was nothing more than an accumulation of acid in the stomach after all. Try it and see.—Advertisement.
