

"The 'Live Store'"

"Always Reliable"

What a response our announcement brought to our Semi-Annual Clearance Sale--- This is the sale everybody waits for--- Tomorrow will be a "Big Day" at our greatest

# Mark = Down Sale

Everything in Our Entire Stock Reduced (Except Arrow Collars, Overalls and Interwoven Hose)

Yes---Doutrichs are having their usual semi-annual clearance this year---even though prices will be much higher than at present, but it's in keeping with our usual custom and we are fully prepared to launch this MARK DOWN SALE, for we to-day have without question the largest stock of Clothing and Furnishings of any store in Pennsylvania — we bought heavily because we were able to save money, not alone for ourselves, but for you.

In the first place it's very necessary for a store doing the tremendous business we are enjoying TO carry large stocks, but IT IS NOT necessary to carry such enormous stocks as you will find at this "Live Store"— However, there's another side to this argument, the store that has the merchandise and can sell it at lower prices is in a better position to "get" the business.

We have grown big because you have confidence in US and we have never betrayed that mark of distinction You and YOUR friends have placed in us—we know that you appreciate saving a few dollars, and NOW more than ever before, we feel that in face of the prevailing high prices we should give our loyal patrons every advantage of Buying merchandise at reduced prices. There's a good reason for doing this, besides keeping this a "Live Store" we get your good will and we prize that above all else.

Merchandise like you will find HERE is not obtainable everywhere, but we invested many thousands of dollars more than we would under normal conditions just to be in a position to render this extraordinary service to our customers who believe in Doutrichs because of the square dealing honest representations and greater values they get Here.
