You know well enough when your liver is loafing. CONSTIPATION is the first warning; then you begin to "feel mean all over."

Your skin soon gets the bad news, it grows dull, yellow, muddy and unsightly.

Violent purgatives are not what you need—just the gentle help of this old-time standard remedy.

Therefore be it resolved, That we record upon our minutes an appreciation of his long, faithful and efficient service as the organist and choir director in Zion, whose unusual ability and musical culture, combined with a rare appreciation of the spiritual in worship, contributed so largely to the musical part of our church services, characterized by dignity, deep spirituality and real helpfulness.

That we record also our sorrow at the loss of our interested co-worker in the Sunday school, and a most sympathetic, open-hearted friend, whose ready response to suggestions and appeals for help was most marked; whose unfailing courtesy and consideration were always in evidence; whose broad and comprehensive study made him a delightful conversationalist and companion.

That we sympathize deeply with his loved ones, whom we commend to the Heavenly Father, Who doeth all things well, and Who never fail-eth those who call upon Him.

Chases Coyote Thief Half Mile in "Nightie"

Smith Center, Kans.—A coyote carrying a pair of fat hens in its mouth was chased for a distance of half a mile in zero weather by Ernest Barnes, clad only in his nightgown and overshoes.

Charles Hartsock, a neighbor, aroused by the noise of the chase, rushed out and bowled the coyote over with a stick.

Barnes went home in triumph, carrying the two hens and the dead coyote.
