## Save and Serve

It's our Country's message to all patriotic citizens.

—Saving food will help to win the war.  
—Do not waste—heed the request for wheatless and meatless days.

—It's surprising what a mighty help it is and how many hundreds of thousands may be fed by each one of us doing a very little bit in this direction.

—We are not asked to suffer hunger—as thousands of our allied nations are forced to suffer—nor even asked to eat a less quantity—simply to make freer use of other food cereals.

—Let each save a tiny bit of sugar, fats, meat and wheat that hungry mouths may be fed—those who are making heroic sacrifices and fighting for our very own freedom—our homes and happiness.
