"The man who can not forgive any mortal thing is a green hand in life."—ROBERT LOUIS STEVENSON.

FOOLING NOBODY

THE Kaiser is touched, deeply touched, he says, by the sufferings of the Estonians. "The despairing cry of distress which is ever more urgent finds an echo" in his tender breast.

The Kaiser is fooling nobody with his mawkish insincerities. He wants the Prussian Baltic provinces and this is his excuse for taking them.

If the "cry of distress" is so painful to him why has it fallen on deaf ears from the lips of starving babies, and ravaged women and dying old men?

The old reprobate's crocodile tears are red with the blood of his murdered victims and slimy with the ooze of the unspeakable depths of infamy in which his soul wallows.

The British having taken Jericho we may safely look forward to another flock of predictions based on Biblical writings.

HOUSING PROBLEM

HARRISBURG is facing a serious housing shortage, it would appear, with conditions likely to grow considerably worse before they improve.

With the location of big military depots here and the consequent increase of our population, the need of more houses will become acute and may be an excuse for lifting the government's embargo somewhat here.

A PERPETUAL CAMPAIGN

CAMPAIGNS come and campaigns go, but the Thrift Stamp Campaign, like Tennyson's brook, goes on perpetually.

Buy Thrift Stamps, help win the war and at the same time make a good investment for yourself. Here's where patriotism and profits go hand in hand.

ADMITTEDLY AN EVIL

ONE of the most significant features of the prohibition campaign is that nobody is wasting his breath painting the evils of the liquor traffic and the use of alcoholic beverages.

sources of Washington and Greene counties has achieved no little reputation throughout the State, and the 1918 edition is more comprehensive and representative of the community.

POOR OLD JESSE

Jesse James was a man, a friend to the poor, never did he suffer a man's pain.

Heaven help the German superman who falls into the clutches of a real, live, enterprising Bolshevik or a graduated Ukrainian.

Consider the unfortunate Italian ambassador skidding homeward in a fancy sleigh under the grinning moonlight, purring snatches of light Neapolitan airs.

Shades of Dick-Turpin and Captain Kidd and Monk Eastman, what is coming to Russia!

Plenty of food in Harrisburg now, but there will not be if we continue to "eat our heads off" the coming spring.

SEED CORN PROBLEM

SEED corn is scarce and likely to become more so as the season advances and buyers from other States deplete the Pennsylvania stock.

MUNICIPAL POULTRY

THE municipal pigery having come into being, why not a municipal henery?

They are trying to lure young womanhood into potato raising with the query, "Why is love like a potato?"

Politics in Pennsylvania

By the Ex-Committee man

Hundreds of blank petitions for placing the names on ballots for the May primary have been mailed from the department of the secretary of the commonwealth in the last ten days.

State officers are impressing upon people getting papers the importance of filing before the last day so that mistakes can be corrected and papers not be invalidated.

One no seems to have a good word for the extra session idea.
