## SHOW CLASSY WORK IN CAGE LEAGUE --- FULTON KNOCKS OUT MORAN

by the intense hard fighting by both sauds.

Middletown got the jump of Marysville at the start, but the locals soon pulled together and at half-time lead the Dauphin countians by a 10-8 score. However, during the second half the car-builders outscored Marysville by a margin of three points, largely through the shooting and all-round playing of Snavely, their small forward, and walked away with a well-earned victory. Marysville outplayed and outpassed Middletown throughout the greater part of the game, and while they outscored Middletown from the field by a margin of one field goal, many easy chances for baskets were missed. Hipple brought victory to his team by caging three foul goals while Lightner missed every chance from the free line.

Marysville outplayed and outpassed with the Might plane in which he was flying fell 1,000 feet.

Ensign Frank Lynch, also of the avail dying corps, who was piloting the plane, was probably fatally intured in the crash.

The wreck was discovered an hour after the accident by a farmer who had seen the plane fall. He thought at the time that the aviators were descending in full control of the machine.
