NO REPORT ON FINANCE WORK

President Nelly Said a Meeting Would Be Held Later This Week

T. J. Nelly, president of council and chairman of the finance committee said this morning that no time has been set for a meeting of the committee. The councilman said that he was waiting to hear of several plans for the disposal of garbage before he would call the session.

The problem for the collection and disposal of garbage has been confronting the council for some time. Bids have been made on the garbage disposal but have not been opened. Mr. Nelly said that plans for a disposal method that would not cost the borough so much money were being worked out. It was these plans that were holding up the meeting of the committee he said.

Just what the plans for disposing of the refuse are, Mr. Nelly would not announce for publication. He said that if they were not satisfactory the committee would recommend council to award the contract for collection and disposal. The chairman said that when a committee decided on a definite plan it would be announced.

Every effort is being made to have the budget in shape to bring up at the session of council on Monday. Mr. Nelly said he expected the committee would be able to complete the work before the session.

52 Liquor Sellers "Guilty" at Sharon

Sharon, Pa., Feb. 28.—That fifty-two defendants, including two Youngstown, O., wholesale liquor firms and fifty liquor agents, who look orders for liquor here, are guilty of selling without a license in Mercer county is the opinion handed down here by Judge McLaughry yesterday. Each of the defendants is liable to a \$500 fine.

It is decreed that, while a man may purchase and bring into the county liquor for his own use, he may not sell it or give it away.

RECOGNIZE NEED TO REBUILD HIGHWAY

(Continued from First Page.)

Senator O'Neil is strongly in favor of doing everything that is possible from the standpoint of the state and in addition the federal government will contribute largely to the cost.

Dauphin county's proportion of the route is about five miles, which would mean a total approximate cost of \$150,000. This county has already contributed \$4,490 in the purchase of the turnpike which amount will be credited on its share of the cost. The federal government will bear about \$40,000 of the county's share and the state would divide the remainder making the net obligation of the county for this important improvement not more than \$48,000.

The Board of Commissioners of Dauphin county have already been interviewed regarding the subject and it is hoped some definite plans will be reached so that this vital connecting link between Harrisburg and the east may be put in first class condition.

Lebanon's share owing to the fact that about twenty miles of the road are within the limits of that county will approximate \$190,000. Lebanon will be entitled to a credit of \$12,750 paid on account of the purchase of the turnpike, the federal government will contribute \$200,000 of the amount and the state the same as the county, \$190,000, leaving the net cost to the county for the twenty miles not more than \$190,000.

Canadians to Give Bryan Another Chance

Toronto, Ont., Feb. 28.—Newspaper criticism of the propriety of inviting William Jennings Bryan to deliver an address here to-night at the provincial prohibition convention was answered yesterday by the publication of advertisements by the Dominion Alliance, an organization similar to the Anti-Saloon League in the United States, describing Mr. Bryan as a "life-long prohibition campaigner" and asking that he be heard in the spirit of Canadian fair play.

Opposition to Mr. Bryan grew out of his alleged pacifist leaning and utterances. One of his newspaper critics advised the public to stay away from the meeting; another favored giving him a chance to "express himself wholeheartedly regarding Germany and its devilities," and judging him by "a new confession of faith."

Previously, one paper had protested against extending the invitation to the Nobsaskan and asked for its cancellation, in reply to which the Dominion Alliance said that Mr. Bryan had not been invited, but had been assigned to this meeting as the result of a reciprocal arrangement for speakers between the Alliance and the Anti-Saloon League.

The weekly meeting of prayer for America and Americans will be held at Pine Street Presbyterian Church to-morrow afternoon at 5.15 o'clock. This service, which lasts but half an hour, is undenominational. The singing will be led by Mrs. Roy G. Cox, who will also sing a solo.
