

FIRE LOSS IN STATE TOO HIGH

Marshal Urges Household to Clear Up Danger Points

The fire loss in Pennsylvania is too high, and now that mild weather has come and people are clearing up after the severe winter, I hope they will do their utmost to reduce fire hazards.

It is just as important to have fire hazards reduced about homes and stores as about industrial establishments, said the Marshal. "We have been endeavoring to prevent fires about manufacturing plants and have taken some stringent measures and a fire due to carelessness about a dwelling or a store endangers works just as much as fires among industries carry danger for homes. If we are to cut down the fire loss in this state, we have got to eradicate dangers from materials and rubbish allowed to accumulate in yards or barnyards."

Canvass Town FOR GARDENS

E. C. Henderson and Mrs. Vanier Seeking Plots For Gardeners

A canvass of the town for vacant lots to be given to gardeners who farm this summer was made by E. C. Henderson and Mrs. G. P. Vanier this afternoon. Mr. Henderson has been appointed food administrator of this district by Food Administrator McCormick of Dauphin county and Mrs. Vanier is chairman of the committee of the local Civic Club in charge of distributing lots for farming purposes. The two committees are working in conjunction for the purpose of seeing that every vacant lot is utilized this year. Mr. Henderson will say to-day that he would announce members of the food administration of this district early next week.

Mr. Henderson announced this morning that thirty lots of the Ketter estate have been distributed among the residents and sixty-two smaller plots have also been given out. The local Civic Club was very active last night in the canvassing work. Women, men and children were urged to farm the plots with the result that much food was raised. All residents who farmed plots last year applied for the same ground early this year. Mr. Henderson was unable to say how much ground was not utilized at present, but believed the committee would be able to secure a large number of plots.

GREAT MEETING HELD AT ENOLA

People of Town Told Clearly Why Country Is Involved in Great War

Enola, Pa., March 2.—In an overflow meeting which filled the auditorium of the Summit street school-rooms of Enola last night, hundreds of persons of Enola heard why the United States is at war. So enthused was the audience that another meeting will be held next Friday evening. J. L. Young, of Mechanicsburg, made the principal address. Dr. H. A. Surface was scheduled to speak, but on his own request another meeting will be held next week, at which time he will speak. Prof. George W. Shumberger, principal of the Summit street building, presided.

The meeting was opened by the audience singing "America." The Rev. C. D. Rishel, pastor of the Beal Avenue Church of God, offered a prayer. The program given by the pupils of the school building and the High school was well received.

Following the talk of Mr. Young, S. G. Hendershot, secretary of the local Y. M. C. A., presented the Enola Division of the Pennsylvania Railroad Women's Division of War Relief. The program given by the employees of the Enola enginehouse, Mrs. H. G. Huber, president, accepted the machine.

Mr. Young used as his theme the letters U. S., showing what the letters mean to each individual. The letter U stands for the individual, the letter S signifies what we see, speak, stand, serve, send, sacrifice and save. He said that America went to war to defend its national honor and respect and that the war is a just and righteous war.

BIG EATERS GET KIDNEY TROUBLE SAYS AUTHORITY

Take a tablespoonful of Salts to flush Kidneys if Back hurts

Omit all meat from diet if you feel Rheumatic or Bladder bothers.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night, if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

"SUFFERED WITH INDIGESTION

Has No Appetite— Slept Poorly,"

Says Mrs. S. B. Shirley, 340 High Street, Middletown, Pa. "I was miserable and work was a burden. My liver bothered me for a long time, had indigestion, had no strength nor ambition, had pain in my back, also under shoulder blades and in stomach. "I was nervous, appetite was poor, and did not sleep well at night. I was feverish and had a creepy feeling. I tried many treatments without result until a friend recommended Sanpan. I now am not troubled any more and just feel fine." Sanpan is being introduced at Keller's Drug Store, 405 Market street, Harrisburg.—Adv.
