To the Theater-Goers of Harrisburg

On Monday, March 18th, we are bringing-back to Harrisburg the most wonderful play in America, "Experience," written by George V. Hobart.

Theatergoers of Harrisburg already know that "Experience" is the most remarkable drama of modern times. They showed by their enormous patronage last season that they realized that this great drama is absolutely different from anything else, that it is not only a splendid entertainment, but that it also teaches a great moral, which has been approved and endorsed by clergymen, state and municipal officials, and public-spirited citizens generally.

Now when we bring "Experience" to Harrisburg this time we are bringing the big original company of players who have appeared in "Experience" for the past three seasons during the record-breaking runs in New York, Chicago, Boston and Philadelphia, and includes William Ingersoll, Raymond Van Sickle, Frazer Coulter, Marie Horne, Dorothy Newell, Marion Holcombe, Ada Wingard, May McManus, Ebba Andrus, Jean Downs, John Todd, Geo. T. Meach, Billy Betts and 67 others.

The scenic production is entirely new this year, and the gowns worn by the ladies appearing in the Primrose Path scene are the very latest models, setting a new standard for smart and up-to-date Fifth Avenue effects. Every effort has been put forward to make this the finest possible presentation of "Experience" yet to be seen in Harrisburg.

Mail orders are now being received at the Orpheum Theater for all performances of "Experience" for the week beginning Monday, March 18th. Evening prices will range from 50c to \$1.50. Bargain matinees will be given Wednesday and Saturday, when the best seats will be only \$1.00. Enclose proper remittance, including war tax, payable to the order of the Orpheum Theater, and enclose self-addressed, stamped envelope for return of tickets.

Seats will be placed on sale at the box office of the Orpheum Theater Monday, March 11th.

Even if you have seen "Experience" once you cannot afford to miss this forthcoming presentation. And if you have never seen this wonderful play, now is your last and final opportunity to see this, the greatest play of this day and generation.
