INSURE MEN IS RED CROSS PLEA

Local Chapter Taking an Active Part in the National Campaign

The local Red Cross Chapter is taking an active part in the national drive for insuring men in the United States service. Weekly bulletins are issued by officers of the local organization to inform residents of the work.

To-day's information follows: "The Home Service Section of the Steelton Chapter of the American Red Cross, urges that all men leaving Steelton and vicinity for service in the Army or Navy, take out the full amount of insurance at once for their own protection as well as that of their families.

"At the low rates offered by the government (\$6.50 per month on ten thousand dollars) even the man with only a private's pay and with half of that deducted as an allotment to wife and children, can afford to pay for the maximum amount of insurance allowed by the law, \$10,000 worth.

"The policies will be payable in the event of either death or total disability of the insured. In the event of death, payment will be made to widow or children or any other beneficiary in monthly payments extending over a period of twenty years. A policy of \$10,000 would bring the beneficiary \$57.50 each month. In case of total disability the same sum would be paid to the insured man for twenty years or as long as he lives, or is totally disabled.

"The single man should protect himself as well as the man with a family, because after the way the government has obligated itself to convert this war insurance into peace insurance, without a medical examination, and at that time the young man may find that he will be just so much better prepared for the obligations of marriage.

"This insurance has nothing whatever to do with compensation which now takes the place of the pensions given in the other wars to the soldiers and sailors.

"Any information desired by the men leaving for service or by their families, will be gladly given at the office of the Home Service Section at the Red Cross rooms each Monday, Wednesday and Friday from 2 until 5 o'clock."

FRESH KIDNEYS WITH SALTS IF BACK IS ACHING

Noted authority says we eat too much meat, which clogs kidneys.

Take glass of Salts when kidneys hurt or bladder bothers you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidneys, they become overworked from the strain, get sluggish and fail to filter the blood, offensive, poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness, urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or the urine is cloudy, offensive, or of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.
