Bio-feren had done wonders for her."-

Doctor said,

Case 1724-School teacher: Residence-Kentucky: severe operation: left her weak, anae-mic, nervous; low vitality. Physician recom-mended Bio-feran. Two weaks' treatment' showed remarkable improvement. Doctor re-ported, "Bio-feren had done wonders for her."

Another case-Pennsylvanian, reports: "I have taken about one-half of the Bio-feren pellets and must confess that I feel like new."

A Kentuckian woman says: "I have taken Bio-feren regularly and feeb much benefited. I can use my arms much better. However, can not get my hands to my head sufficiently to comb my hair, but I feel that I will soon be able to do that."

You want the vigorous health and ruddy beauty that is dependent on strength, nerves and red blood. Everybody does. Read those reports above, again. You, too, if you are dragged down in health and strength because of overwork, worry, nerves, and similar causes can rebuild your health and strength with Blo-feren. It is not a stimulant. It is a builder—a builder of

Strength with Bio-feren. It is not a stimulant. It is a builder — a builder of better health. Bio-feren contains some of the best ingredients known to the medical world, and is indicated for the treatment of run-down conditions due to overwork, worry, anaemia, melancholia, nervous debility, debility following infectious diseases, convaleacence from acute fevers, etc. There is no secret nor mystery about Bio-feren. Every package shows the elements it contains. Ask your physician about it, or have him write and we will send him complete formula. And don't forget that Bio-feren is soid only on condition that you will rank a don't orget that Bio-feren is soid only on condition that you will rank make and allow us to refund your purchase price it, for yeary mason, you package and allow us to refund sour purchase price it. <text><text><text><text><text><text><text><text> street. New York, who was but slightly iniured, is a famous model in New York. Official Statement This afternoon a statement by F. W. Smith, Jr., superintendent of the Philadelphia division, was sent to the Public Service Commission. It was to the effect that the landslide occurred at 1.62 a. m. and two were killed and twenty-eight injured. That train No. 19 was passing at the time the slide occurred. It also said that both trackwalkers had left the cut only a short time before the slide occurred. One who reports at the Elizabethtown tower told the oper-ator that he heard a crash and that train 19 had stopped and was evi-defily in trouble. The watchman at the west end notified Harrisburg of the wreck. The train and crew was made up as follows: Combined car No. 8602, passenger coach No. 8065, sleepers Limedale, Collington and Irvineton, all of which were wrecked; and sleepers Kenilworth, Clarksville and Me-tuchen, badly damaged. Crew-Engineer E. Dennell, Fire-man W. W. Hershey, Conductor E. E. Edwards, Baggangeman E. E. Neile, Brakemen J. C. Halbielb and C. J. Desch. Saved by Chance Walter A. Jones, president of the United States Window Glass Com-pany of Morgantown, West Va., was a passenger on the train. He is a rela-tive of Charles Palmer whose daugh-ter was killed. With the Palmers mr. Jones was enoute from the South. The latter could not get ac-commodations jn the car with his relatives and was assigned to a iow-er berth in the second car from the rear. Mr. Jones had been in the car with the Palmers until 12.30 when he re-
