This additional stanza for "The Battle Hymn of the Republic," has been composed by Dr. Henry van Dyke, former minister to the Nether lands and now chaplain in the United States Navy, with the rank of lieu-lenant commander:
We have heard the cry of anguish From the victims of the Hun, And we know our country's peril If the war lord's will is done-We will light for world-wide free-Mon till the victory is won, For God is marching on.
