

NOBLE FRANK, CENTRAL HIGH CAGE'S AR, LOOKS LIKE SEASON'S INDIVIDUAL CHAMPION

HILL LEAGUE TO GET EARLY START; REGULAR GAMES

Meeting Called For Tuesday, March 26; May Play Nine Innings

With the approach of the warm weather, baseball fans on Allison Hill are beginning to look forward to the opening of the Allison Hill League which will likely start the middle of April.

Meeting Called For Tuesday, March 26; May Play Nine Innings

During most of last year the members of the league found it possible to play only six innings. With the contests to start at an earlier time, it is likely that a full game can be arranged for.

The player-limit for each nine will be eighteen athletes. Charles Presser represents the Reading aggressors in the league. Games will be played at Seventeenth and Chestnut streets.

While a number of the Allison Hill athletes have been called to the colors of Uncle Sam, it is the intention of the clubs to fill in the gaps with younger blood, without materially weakening the teams in the league.

Boy Scouts Furnish Much Basketball Interest

Boy Scouts furnished interesting exhibitions last night in basketball contests. Three teams from Troop 6, of the Boy Scouts, played the same number of tossers of Troop 13.

First Team Game Score—33 to 26 in favor of Troop 13.

Second Team Game Score—19 to 13 in favor of Troop 6.

Third Team Game Score—13 to 4 in favor of Troop 6.

Noble Frank Leads In Schedule Race; Miller Record Breaker

With the basketball tossers of the Central Penn circuit entering upon their last week of play, it is almost an established fact that the order of finishing for individual honors will be Frank, Nyquist and Huston, coming under the wire in one, two, three order.

Noble Frank secured an advantage at the start that his opponents could not overcome, and as a result he will have the honor of being the highest individual scorer, when the final averages are compiled. He has one more game to play against Tech, Friday night, and he is sure to retain his lead because of his wonderful ability to cause fouls from the fifteen foot mark.

Miller, the clever Lebanon guard, broke league records for three years, by tossing in 16 field goals while guarding Nyquist at Lebanon Saturday night. The highest score previously made was 11. This mark was reached several times this year, and was first set by Glenn Killinger, of Tech, against Lebanon, during the first year of the league. The following:

To Start Ball Games One Hour Later This Year

Chicago, March 19.—Baseball games in the American League will begin at 4 p. m. this year, one hour later than in former years, if E. B. Johnson, president of the league, has his way. Mr. Johnson thinks the later start will enable many persons to leave their offices for the day, and that the attendance will be largely increased.

Before leaving for St. Louis last night, Mr. Johnson took steps to put the 4 o'clock opening up to the club owners, but he expressed the opinion that the league would vote on the question and make the opening time uniform. "As I see it, the added hour of day light under the new law, will be a boon to baseball," said Johnson.

Philadelphia, March 19.—A detachment of more than four hundred has been recruited here for the Woman's Land Army of America. Twenty recruits are now undergoing intensive training for farm work at a camp near Wynnewood, Pa.

Committee Favors Increase For All Postal Employees

Washington, March 19.—Flat pay increases of fifteen per cent for all employees in the postal service, whether on an annual salary or day basis, and including those of all grades and classes, was recommended today by the Senate Post Office Sub-committee in revising the annual post office appropriation bill. The recommendations are subject to approval by the full committee but are expected to be adopted.

"Red" Crane Starts Work With Cincinnati Reds

Montgomery, Ala., March 19.—Sam "Red" Crane, the new shortstop signed by the Reds, has arrived for his trial with Matty's team. He came from his home town, Harrisburg, where he has been keeping in form all winter.

SALESMEN'S CLUB MEETS The three essentials for salesmanship as emphasized by C. H. Hunter, president of the Salesmanship Club, last night, are work, study and approval of money. Mr. Hunter was addressing the members of the Harrisburg Motor Dealers' Association, who held a banquet last night at the Engineers Club. George McFarland was toastmaster, and a number of the members made short addresses.

SOMETHING REAL FOR FIGHT FANS SOMETHING REAL FOR FIGHT FANS

Big Show Tuesday Night Includes Thirty Rounds of Fighting

Rather late in getting underway, but with a promise of something extraordinary in boxing shows, this city will take up ring sport next week. It will be ushered in with a bill that includes a ten-round battle. This is new to Harrisburg fight fans. There have been eight-round contests, but with boys who have a reputation for fighting going ten rounds, the city is expecting a real boxing exhibition.

The first show is scheduled for Tuesday night, March 26. The Motive Power Athletic Association of the Philadelphia division, Pennsylvania railroad, is back of the sport. The first favorable impression came with the announcement that Jack Hanlon of the Olympia Club, Philadelphia, would be one of the matchmakers. Then the wishes of many local fans for a good referee will be gratified, as Frank (Pop) O'Brien will referee the battles.

GROCERS TO TAKE ACTIVE PART IN FOOD PROBLEMS

An organization of grocers to decide all questions of interest to the food merchants, is likely to be the outcome of the meeting of grocers in the Technical High school this evening. The meeting will be addressed by Wiggins Smidley, secretary of the Retail Grocers' Association of Pennsylvania. All the grocers of the city are asked to attend the meeting.

The cash and carry system for purveying foodstuffs to the consumer will not be forced on the grocer, Mr. McCormick, county food administrator, said this morning. The idea of the retail grocery price list for grocers the advantages of some sort of organization to take up matters of interest to all the grocers and work on them when the occasion arises.

The organization to be effected probably will take the form of a committee or executive body appointed by the grocers from among the grocers. These men would have authority to act for the entire body of grocers, and decide matters of interest. One of the aims of such an executive committee would be for them to meet with the food administrator twice weekly when he compiles the retail grocery price list for consumers. At the present time this list is compiled by a few of the grocers.

It is likely that a Liberty Store will be established in the city soon, it was said by Mr. McCormick this morning. This store will be the cash and carry plan, selling fruits and vegetables only. The commodities will be on display done up in packages, and the consumers will help themselves, as pay the cashier as they pass out. The stores are in vogue all over the state, and effect a considerable saving in some commodities.

A curb market in the locality of the locations of the former Kellner and State street markets is another project being considered by the food administrator. The market would be established on vacant lots, or along the streets. In the latter case, special action by Council must be secured.

The following committee has been appointed to take up the matter: William Bowman, chairman; F. L. Wright, Jr., J. J. Jessup, Jr., F. L. Cook and H. D. Rees.

CITY EXTENDS BEST WISHES TO LANCASTER

tion of the borough of that name into the City of Lancaster; and Whereas, the history of Harrisburg has been at all times closely interwoven with that of Lancaster, and the peoples of the two cities have lived always on most neighborly and friendly terms; now, therefore, be it resolved, that the City Council of Harrisburg hereby tenders its congratulations, in the name of the people of Harrisburg, to the Council and the Mayor of Lancaster, extending at the same time its wishes for future growth and prosperity along the lines that already have made the City of Lancaster one of the best known and most progressive in Pennsylvania and its people noted for their hospitality, patriotism and sturdy worth as citizens of the Commonwealth.

A number of unusual service cases not covered in the report by J. W. Ledoux, of Philadelphia, are being considered, and Mr. Ledoux may be called upon to make recommendations for meeting these conditions. The contract for 500 tons of asphalt for the city highway department was awarded to the Atlantic Refining Company at the bid of \$23.50 a ton; an ordinance was introduced increasing the amount of money to be expended for a sewer in Schuylkill street from \$400 to \$500.

Ordinances passed finally include the one directing the Bureau of Ash and Garbage Inspection to make the general cleanup of the city and hire men and teams in the future whenever it is deemed necessary to remove refuse. The employment of food copiers and the additional clerks in the office of City Assessor James C. Thompson to make the triennial assessment was approved by the Commissioners.

Mayor Kleister introduced a motion transferring \$400 from a police department fund to purchase furniture for the offices at headquarters. A communication from Tribus & Massa in connection with a charge for services last November when the ash and garbage problems were before Council was read and filed. Accused by the city and the city and hire men and teams in the future whenever it is deemed necessary to remove refuse.

The Grand Jury returned thirteen true bills, ignoring none. Only one of the bills yesterday was ignored.

WELLY'S CORNER

Wild West shows may not pay during war times, but Colonel Miller has found a way to get the cash. He will let Willard go to the highest bidder. The champion will, in all probability, train enroute with the 101 Ranch show as a special attraction for this tent aggregation.

New Orleans leads in bids for the big fight. Willard may not be the winner, but he and his manager will get the big share of money no matter what happens. It is great to be a champion pugilist. Everybody has to come your way with the cash.

Basketball season is not over yet. Those boys who have been showing wonderful form at the Y. M. C. A. gymnasium are going to have a league series. Right here, it should be said, Coach Miller is going to have some classy exhibitions.

Tech High goes to York to-night for a scholastic league battle. The Maroons are not expecting an easy time. Tech's coach has had his squad working overtime. The local players on the Maroon team is full of pep and anxious to make a clean-up.

In addition to a big crowd of rooters the Tech party visiting York to-night will include Faculty Director Grubb, Coach C. W. Miller, Captain Huston, Lingle, Wilsbach, Beck, Kohlman, Smith and Miller. Bring back the bacon boys.
