work. LOOK AT CHILD'S

Vivian Martin, a very popular Paramount star, wil be seen at the Regent Theater to-Nivian Martin and Starker and Starker and Starker Barbarian. Barbarian manut picture, "The Fair Barbarian," ar-anged for the screen by Edith Ken-hedy from Frances Hodgson's story of the same name. As Octavia, an American girl, who is stranded in a small English town with a very prim and somewhat snobbish malden aunt, Vivian Martin makes a winsome hero-ine. Allowing the natives to believe her to be one "of those title-huming Amorian fills, she engineers so not excepting her own and eventually wins the affection of everyone. It will be remembered that Frances Burnett was the author of "The Lit-le Princess," one of Mary Pickford's most recent and popular successes. The noted writer has given this new work the rare fascination of an able pen, and with Vivian Martin's charm-ing personality, it is a photoplay of the most unusual merit.

the most unusual merit. "Loyalty," the first release of Oro Pictures, Inc., is scheduled for a one "Loyalty" at the Victoria Tura the Victoria To-day The Initial effort Inc., has been accorded one Pictures. Inc., has been accorded one Pictures. Inc., has been accorded one Pictures. Inc., has been accorded one praise by all who have seen the picture. The meacting, the masterful direction and the beautiful photography in "Loyalty" would have been sufficient to have made a mediocre story a suc-cess. However, the patrons of the Victoria Theater will see a picture that is not only a success from the technical point of view, but a distinct success from the story angle. "Loyalty" is a picture which will please everybody. The reformation of a man who has reached the lowest depths, by a girl who loves him, and suffers with him through all his trials, forms a story with great hu-man appeal. "The Wasp, featuring beautiful Kitty Gordon, will be the attraction to-morrow. Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act na-turally, or is foverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

"All dressed up with a hole in his whoe," was a bit of sarcasm a girl flung at a young man friend whose en-tire outfit was new except his punctured shoes. Right enough, too. Either to man or woman a shabby pair of shoes would spoil the appearance of the most elegant garments ever

What about the teeth? Dress in all the finery you please, if you open your mouth exposing a decayed set of testh your attractiveness ends right there. That's a hole in the shoe for you. This applies both to men and women. Girls, and young men, you lose half the admiration which would be directed toward you if you have bad teeth. ed toward you if you have bad teeth. You can't be pleasing with a mouthful of decay. You can't be healthy either. The condition of the teeth have a teiling in-fluence on other organs of the body. Bad teeth affect the intertines, stom-ach, heart, and even the eyes. Medi-cal science shows that bad teeth pro-duce unhealthy conditions all over the body.

<text><text><text><text>

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fer-mentations and poisonous toxins be-fore it is absorbed into the blood, nasty breath, others who are bothwith a coated tongue, bad taste, nasty breath, others who are both-ered with headaches, billous spells, acid stomach or constipation should begin this phosphated hot water drinking and are assured of very pronounced results in one or two acks. Just as coal, when it burns, leaves behind a certain amount of incom-bustible material in the form of ashes, so the food and drink taken each day leave in the alimentary or-gans a certain amount of indigesti-ble material, which, if not eliminat-ed form toxins and poisons which eeks.

ble material, which, if not eliminaties of a sets. A quarter pound of limestone phosphate costs very little at the phosphate costs very little at the phosphate costs very little at the phosphate to suck in only nourish. If you want to see the glow of healthy bloom in your checks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water rial and toxins from the stomach, liver, kidneys and bowels, thus the absorb inpurities into the book of water rial and toxins from the stomach, liver, kidneys and bowels, thus the and the antice the liver and the stomach, liver, kidneys and bowels, thus bowels, thus bowel pores do.

For a few cents you can save your hair. In less than ten minutes you can double its beauty. Your hair be-comes light, wavy, fuffy, abundant and appears as soft, lustrous and charming as a young girl's after ap-plying some Danderne. Also try this -moisten a cloth with a little Dan-derine and carefully draw it through your hair, taking one smail strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have dou-bled the beauty of your hair. A de-lightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Beaides beautifying the hair. Danderine dis-solves every particle of dandruff; f cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use, when you see new hair--fine and downy at first--yes--but really new hair growing all over the scalp. If you care for prety, soft hair, and lots of ft, surely get a smail bottle of Knowlton's Danderine from any drug store or toilet counter and just ity ju acks. A quarter pound of limestone phosphate costs very little at the drug store, but is sufficient to dem-onstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always con-sider that internal sanitation is vast-ly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do. Women who desire to enhance the
