ARE YOUR KIDNEYS WEAK?

Thousands of Men and Women Have Kidney Trouble and Never Suspect It.

Nature warns you when the track of health is not clear. Kidney and bladder troubles cause many annoying symptoms and great inconvenience both day and night. Unhealthy kidneys may cause lumbago, rheumatism, catarrh of the bladder, pain or dull ache in the back, joints or muscles, at times have headache or indigestion, as time passes you may have a sallow complexion, puffy or dark circles under the eyes, sometimes feel as though you had heart trouble, may have plenty of ambition but no strength, get weak and lose flesh. If such conditions are permitted to continue, serious results may be expected; Kidney Trouble in its very worst form may steal upon you. Prevalence of Kidney Disease. Most people do not realize the SPECIAL NOTE—You may obtain a sample size bottle of Swamp-Root by enclosing ten cents to Dr. Kilmer & Co., Binghamton, N. Y. Are You Choked Up With Catarrh?

No Joyous Spring-Time For Those Who Can Hardly Breathe. If you are in the grasp of Catarrh, your experience should convince you that the disease is beyond the reach of sprays, douches, jellies, balms, salves and other locally applied remedies. When the air passages become so stopped up that every breath you take is difficult, when the throat and nose are so clogged up with offensive mucus that you are constantly hawking and spitting in an effort to clear your nostrils, every effort you make to get relief by the use of sprays and douches is promptly followed by new accumulations, so that no headway whatever is made toward getting rid of the disease. If you want to get rid of Catarrh, throw your sprays, atomizers and other local treatment

to the winds, and pay heed to the voice of science. Realize that Catarrh comes from a germ which infests the blood, and that the disease cannot exist when these germs are routed from the blood. The rational and successful treatment, therefore, is one that reaches the blood, and cleanses it of every trace of impurity and rids it of these tiny catarrh germs. Of course no local remedies can reach the blood supply, and that is why Catarrh is not cured by sprays and lotions. The one great blood remedy that has made a wonderful record is S. S. S., which has been on sale by drug stores everywhere for nearly half a century. If you would be rid of your Catarrh, get a bottle of this great old remedy to-day, which will give you satisfactory results, as it has in so many cases. You will find that you are on the right treatment at last, as S. S. S. will do for you what it has for thousands of others. Start taking S. S. S. to-day, and write a complete description of your case, to our head physician, who will give you all necessary instructions by return mail, without charge.
