Borough merchants and business

Mrs. Marian H. Hill, treasurer of the junior membership drive in the schools of this district gave a report of the campaign for new members this morning. All the borough buildings with the exception of the Fothergill institution are reported with 100 per cent. records. Out of seventy-four school rooms, 190 senior members and 2,677 junior members were secured. Mrs. Hill gives \$670.86 as the total amount of cash received in the drive.

at 7.15 o'clock. Communion services
will be held next Sunday morning
and evening. Choir rehearsal will
be held to-morrow evening at 8.15
o'clock.

COMPLETE EXAMINATIONS COMPLETE EXAMINATIONS

The local exemption board physicians this afternoon completed examining men in the first class. About 100 men were examined to-day. Announcement was made at the board office this morning that about 400 men in the first class have passed the physical examination and are being held for service. Between one and two hundred men have been given deferred classification by the district board on industrial claims, a member of the board said this morning.

LODGE BUSINESS MEETING A short business session of Baldwin Commandery, No. 108, Knights of Malta, will be held on Monday evening. An entertainment and social has been provided for friends of the members who will be admitted after the business meeting.

Repair Work at Central Iron Plant Is Hurried

REMOVING CINDERS

Workmen at the steel plant this morning were busy blasting "salamanders" from the grates of blast furnace No. 2. This furnace is being repaired and relined. Removing the large pieces of cinder or "salamanders" as they are called. Some of the improvements. An official of the company said this morning that the furnace would be ready for operation by April 8. William Davis, colored, 1226 North Seventh street, and John Carnohan, 282 Main street, Steelton, injured at the Central Iron and Steel Company when the top of blast furnace No. 2 was blown off by internal pressure and crashed through the roof of the casting room, yesterday, were de-clared at the Harrisburg Hospital this morning to be in good condi-

clared at the Harrisburg Hospital this morning to be in good condition. Neither man is injured seriously. It was feared at first that Davis was suffering from internal injuries, but examination revealed that such is not the case.

A crew of 200 men started to work to-day to make repairs at the scene of the mishap, and Superintendent Orr, in charge-of the blast furnace, said that operations will be resumed within two weeks, which is less time than was at first expected.
