

BEIDLEMAN GETS SUPPORT AT HOME

Harrisburg Republican Club Adopts Resolutions Endorsing His Candidacy

The Harrisburg Republican club last evening adopted resolutions endorsing Senator E. E. Beidleman for lieutenant governor, being the first political club in the state to take that action following announcement of the senator's candidacy yesterday. The resolutions were passed at a largely attended meeting of the organization, having been presented by Charles E. Pass. They follow:

"Whereas, The Honorable E. E. Beidleman, senator for Dauphin county from the Fifteenth Senatorial district of Pennsylvania, has announced his candidacy for the office of lieutenant-governor; and

"Whereas, The Harrisburg Republican Club, in regular meeting assembled, recognize in Senator E. E. Beidleman a man of high character, sterling worth, learned in the law, seasoned in legislative experience through his service in the House of Representatives, senator for this district, and president pro tempore of the Senate; and

"Whereas, the said senator is a native born citizen of our county, and spent his entire life among us, we realize the many acts of kindness and sacrifices he has made for his many friends in this senatorial district, we commend him to the public in general for his sterling worth as a citizen and especially to that great class of our citizens—the working men of the state, for whom he has given much consideration in legislative matters; Senator Beidleman at all times has been interested in the welfare of the working man and has been responsible in many ways for the advancement of their interests from a legislative standpoint; and

"Whereas, the senator's life among us all these years has been upright, honorable and respected, and his sense of the weight of his conduct at all times being exemplary both in private and public life, we take great pleasure in commending him to the voters of Dauphin county, and the state at large, for the exalted office of lieutenant-governor; therefore be it

"Resolved, That the Harrisburg Republican Club endorse his candidacy and use every honorable means within its power to bring about his nomination for lieutenant-governor.

Respectfully submitted,
 CHAS. E. PASS,
 WILLIAM PAVORD,
 WILLIAM H. LYNCH,
 CHARLES P. WALTER,
 ASHTON D. PEACE,
 E. A. FALTER.

TROLLEYS MUST NOT BE DELAYED

Public Service Commission Orders Better Service in Philadelphia

The Public Service Commission in sustaining complaints made against the service of the Philadelphia Rapid Transit Company, by the city of Philadelphia, and various business men's associations, in a decision written by Commissioner Ryan and handed down last night, not only orders construction of new lines and new transfer arrangements in the West Philadelphia district, but new regulations for traffic. The commission reviews the financial affairs of the company and orders 10 new cars to be bought by December 1, 1919, in addition to 100 to be installed this year for Hog Island traffic in conjunction with the government.

The company is ordered to instruct employees that they are not to run by people on corners, unless cars are crowded to capacity, that more cars are to be placed on lines where provision is now inadequate for traffic offered, that cars in shops are to be promptly rebuilt and that tracks be reset. The mayor and city of Philadelphia, are requested to enact ordinances to prevent blocking of cars by vehicles in loading between cars.

The decision of the commission is believed to foreshadow similar recommendations where trolley service is inadequate and where wagons are permitted to delay traffic, such as has occurred upon many occasions on the streets of Harrisburg and many other places. In Pittsburgh, the commission is having the whole transit problem studied by experts, headed by F. Herbert Snow, and is having investigations made in various cities, quite independently of the complaints wherein increases of fare are held to be unjustifiable on conditions or against franchise obligations.

This latter problem is now being considered from the standpoint of jurisdiction of the commission.

DRIVE FOR FARM WORKERS GROWS

Ministers Will Aid School Teachers in Enrolling Men and Boys

The members of the general committee of the Dauphin County Committee of Public Safety are pleased with the encouragement that the citizens are giving in the present drive for men to work on the farms during the coming summer, and there is every indication that this community will again demonstrate its patriotism. A thousand letters have been sent out in Dauphin county alone to the ministers, Sunday school superintendents, public and private school superintendents, and patriotic and fraternal societies, urging them to assist in this movement.

Some of the interesting data found in these letters follow:

Early in the month of May young men from the various high schools of the state who are entering agricultural service will be mobilized at the Pennsylvania State College for a period of two weeks of intensive training in farm work. This farm training camp will give the boys very definite farm experience and will also serve to put them in splendid physical condition and make them fit for steady outdoor employment.

The 1917 crop of the United States was 375,000,000 bushels below our 1915 yield of one billion bushels and 146,000,000 bushels below the average.

The soil of Europe is wearing out. Bad management and the withdrawal of 5,000,000 skilled farmers to army and munition factories will continue to decrease productivity.

Our armies of righteousness cannot uphold the standards of civilization without food. Food cannot be produced in sufficient quantities without additional labor. There is in Pennsylvania an army of 219,000 farmers, most of whom are crying for labor. They are urged by the government to produce ever-increasing quantities of foodstuffs.

Enrollment stations are located at the following places: Y. M. C. A. building, Second street, Motor Club of Harrisburg, 109 South Second street; George M. Harry, Third and Walnut streets; Frank A. Stees, Rev. W. A. Hanson and Bishop Darlington. It is hoped that Rabbi Haas also will be able to make an address. The service is open to the public and a cordial invitation is extended to all.

Two New Instructors Are Secured For Tech High

Changes in the Central and Technical High school faculties because of the discharge of Prof. H. A. Leibig, for alleged pro-German utterances, were made to-day.

Professor W. E. Meikle, of the Central High school, was transferred to Technical High, succeeding Mr. Leibig. Prof. Meikle came to Central High school in 1914, teaching modern languages and English composition and studies of English classics. His place at Central High school has been taken by Miss Edith Phillips, of Wayne, Pa., who assumed her duties to-day. Miss Phillips is a graduate of Goucher College, and has taken an extensive course in the study of French, including a visit to France, where she learned to speak the language fluently.

As announced to-day by Superintendent F. E. Downes, that J. Douglas M. Royall had been appointed temporarily to take charge of the classes in English and civics at Technical High school, because of the death of Professor Retzow.

All the city public schools will close on Thursday afternoon for the Easter holidays, reopening next Tuesday morning. Notices were sent to all the buildings to-day asking the boys and girls to bring donations for the charitable institutions and hospitals of the city.

BOY SCOUTS TO BOOST STAMPS

Postmaster Sites Expects to Make a Fine Showing on Saturday

The Boy Scouts of Harrisburg are going into the fray for War Savings in earnest on Saturday, and we are going to make a showing," said Postmaster Frank C. Sites, to-day. "I have just finished talking over the arrangements and the way the boys are going to drill in the facts about Thrift Stamps, and War Stamps, will be worth listening to."

"The Boy Scouts will be on the job on Saturday and the manager who has not bought his Thrift Stamps, had better be prepared! The boys are, I assure you," said George S. Reinohl.

The Thrift Stamp movement has taken hold in Harrisburg, but there are a lot of people who are intensely interested, except when it comes down to buying stamps. They are the ones the boys are going after.

Thrift Stamps and War Certificates are going to be the big items in many an Easter basket on Sunday morning.

DRAFTED MEN TO MOVE NEXT WEEK

Schedules Call For Nineteen Special Trains For The Two Big Camps

Schedules for the movement of the 7,761 drafted men to move to Camp Lee and Meade next week, have been completed by the railroad and approved by the State Draft headquarters. The movement starts on April 1 and will require nineteen special trains.

Men from Camp Meade territory will go in five special trains, 1,526 going on April 2, this being all men in Camp Meade territory, which includes Philadelphia, except Wayne county. Wayne will send six men on April 1.

Camp Lee and Camp Sherman territory will all send men to Camp Lee. The contingent will be 6,237 and they will have fourteen special trains. The movement to Camp Lee will be April 1, 7:30; April 2, 1:28; April 3, 1:24; April 4, 1:29; April 5, 1:21.

State officers believe that these shipments will complete the first call we are going to make on camps which will have to be made up later on.

ALL GIRL ACTS ON NOVELTY BILL

Fair Sex Do All the Entertaining at Majestic Theater This Week

An all-girl program is offered as the novelty feature at the Majestic Theater for the first half of the week. The fair sex doing all the entertaining from the first to the last act. Even lacking the additional attraction of a comedy, the girls are fairly successful and do much better than a number of other entertainers who have been seen here this season.

Acrobatic feats by the two Smiletta Sisters follow the movies, the pair going through some clever tumbling tricks. The offering is short but interesting.

Norton and Melnotte are two good comedians who make a hit with their song patter. Betty Keith, Cecil Kohlhas and Pauline Eckhart present the comedy sketch "Women," which seems a trifle overdrawn, but is true to life in many respects. The trio might find a better skit to offer, but the one they have is enjoyable.

Howard and Sadler are the only comedians who were recalled for an encore at the first show last night. Their splendid variety songs and the short dialogue between some of the music, was easily the best laugh-starter of recent weeks. Two features were a duet of "Hush-a-Bye, My Baby" ("Missouri Waltz") and a yodel song.

"Those Five Girls" present a fine musical program as the close of the bill. In addition to some excellent songs there is a violin trio of the "Night Cavalry" overture, by Von Suppe.

Patriotic Service

On Thursday afternoon of this week at 4:30 a "Community Patriotic Service" will be held in St. Stephen's Church. The service will consist of the litany, patriotic hymns and a number of ten-minute addresses. The speakers will be Dr. G. P. Mains, Dr. W. S. Mudge, Dr. E. Bagnell, the Rev. W. A. Hanson and Bishop Darlington. It is hoped that Rabbi Haas also will be able to make an address. The service is open to the public and a cordial invitation is extended to all.

Services at Trinity Church

New Cumberland, Pa., March 26.—The Woman's Missionary Society and Otterbein Guild of Trinity United Brethren Church, will hold a special praise service on Friday night, on Sunday morning the Rev. Dr. Ayres, pastor of the church, will preach an Easter sermon. The pastor will also baptize children and accept new members into the church. The church choir, which is the largest in the town will present an Easter cantata on Sunday evening, under the direction of Miss Helen Lechthaler.

NEW MINISTER AT ENOLA

Enola, Pa., March 26.—According to an announcement made last night by the head of the Methodist Conference of Central Pennsylvania, in session at Williamsport, Enola will have a new Methodist minister. The Rev. E. M. Eller has been transferred here to succeed the Rev. F. Grant Sleep, who will take charge of the church at Millintown. The Rev. Mr. Sleep has been pastor of the local charge for almost two years, coming here from Wrightsville. He will preach his last sermon next Sunday morning.

High Premium Is Paid On School Board Bonds

School board authorities were both surprised and pleased at the high bid submitted by the Merchants' National bank and the Harrisburg Trust Company, for the \$230,000 bond issue of the district. The board decided on the purchase was 101.75 with accrued interest, practically the highest one ever received for a city school loan issue. The new premium which the board will receive will be \$4,025. The bonds were directed to be sold to the two banks, the bid having been made by the bank.

Directors C. E. L. Keen, Cameron L. Baer and Secretary D. D. Hammebaugh, were appointed as a committee to draw up the new resolutions in honor of Millard F. Saul, a former director, and Pierce Retzow, the Technical High school professor, who died Sunday morning. Resolutions to excuse all students at Technical High school at 1 o'clock to-day to permit them to attend the services for Prof. Retzow, were also passed. The funeral of Mr. Saul this afternoon.

"Clocks in all the city schoolrooms will be turned ahead one hour, to comply with the daylight saving law which becomes effective March 31.

Permission was given to Frank C. Foese and Albert Pfeffer to visit the Erie schools and inspect the accounting system in use there with a view to adapting a similar one here.
